work experience He made many friendships while employed there and for that reason felt it important to share those experiences with you When Tom started working for the Park System at Lake Ozark State Park he arrived as a 210 pound over weight spoon fed son of an IBM Branch Manager who got the job for him during the Christmas break of 1957 Tom's junior year in high school Mowing his dad's yard and watching TV was his only summer interests during previous summers This summer was be different Upon arriving at the park Tom was quartered in the back room of the main park office with a bunk and with only a refrigerator and a hot plate for appliances There was no hot water heater so any showers were taken in very cold well water in the basement or by catching a ride to the campground six miles away for a hot shower With no vehicle Tom depended on the other students with cars two to go to town to shop for groceries and other necessities This was a major difference in his past lifestyle Tom's duties that first year were to help clean all of the restrooms at the campground swimming beach and picnic shelter After doing that he helped haul garbage from each of the above located ones and then hauled wood back to the campers Once done with those projects he and the other boys cut grass and whipped weeds for the rest of each day Once a week he and his cohorts got to run the road picking up litter thrown out by thoughtless visitors That was a 6 mile run in very hot and humid weather Every once in a while he got the privilege of helping pump out the out house toilets in the campground and that was an enlightening experience Needless to say by summer's end Tom had lost 35 pounds and had really gained some never before enjoyed muscle tone as well as had received a very good education of what life was really all about The next 4 years as Supervisor he assigned duties to the then 6 extra students and he also collected camp fees During those 5 years he gained a real appreciation for life and the feelings of others that has carried with him throughout his later career as a Marketing Manager After graduating from Indiana University School of Business in 1963 he married his park sweetheart and went to work for a major oil company for the next 4 years He attained the title of Senior Sales Representative before leaving to go back to Missouri to work with a smaller independent oil company as Sales Manager Here he stayed for the next 40 years helping build the company to a multimillion dollar concern He is currently semi retired working three days a week for that company and working the other two days with his son in a company they started in 1997 called T S Distributors L L C that sells installs and services automotive equipment Tom credits his park experience for much of his business success It was there he gained firsthand experience dealing with about every conceivable type of situation imaginable The wife beating attempted suicide accidents lassoing the wounded deer the lost camper the German shepherds the lost teeth the couple in the tent the Clydesdales and forest fires were all things in which Tom personally had to become involved None of the characters named in this book are real or reflect on anyone he worked with in the park The comradely however did prevail there throughout his tenure Tom's dealings with all park and Park Board personnel were handled in a very positive and dedicational manner and he is most grateful to the Board and Mr Joe Jaeger its Director at the time for giving him the chance of a life time and the job Tom also dedicates this book to his first Superintendent Mr Ned Brown who
