

A black and white photograph of a person standing in a large, open space with tall columns and a reflective floor. The person is standing in the distance, looking down at something in their hands. The floor is highly reflective, showing long, dark shadows of the columns and the person. The overall atmosphere is one of vastness and solitude.

## So Is This Wilderness And Other Stories:

**Fools and other Stories** Njabulo S. Ndebele, 2015-04-01 Fools and Other Stories is an intricate and subtle collection that deals with the formative experiences of growing up in a Johannesburg township during the apartheid years. These five stories are part of a long project in which I am attempting to explore imaginatively various aspects of life in the community I grew up in in South Africa. The first part, which these five stories cover, deals with the themes of early childhood and adolescence. In the second part, I hope to explore adult life up to old age. Lastly, I want to imaginatively study the movement of social change. Njabulo S. Ndebele *Abyss and Other Stories* Leonid Andreyev, 2018-08-28 Haunting, disquieting, shocking. The Abyss, one of the most powerful short stories ever written, is accompanied in this volume by fifteen other stories. Together they provide a clear account of the lasting legacy of Russia's foremost man of letters of the early twentieth century. As the young Zinaida and her sweetheart, the student Nemovetsky, stroll through the idyllic Russian countryside, their memories, dreams, and thoughts about life and the future mingle in the evening breeze. But when night falls, they hasten to retrace their steps back to town through a small wood where they are accosted by three threatening drunkards who knock Nemovetsky unconscious and start to chase the girl through the underwood. When the young student comes round, he is confronted with the horror of what has just happened. Haunting, disquieting, shocking. The Abyss, one of the most powerful short stories ever written, is accompanied in this volume by fifteen other stories never translated into English before by Andreyev, including Silence, The Thief, and Lazarus, some of them never translated before into English. Together they provide a clear account of the lasting legacy of Russia's foremost man of letters of the early twentieth century. *The Lizard of Oz and Other Stories* Richard Seltzer, 2022-12-10 The Lizard of Oz is a satiric child-like fantasy for children, fifth grade and up, and also for adults. This is a revised and expanded version of the underground classic self-published in 1974. When an elementary class sets out on a quest to save the world from disenchantment, their adventures reveal paradoxes of the human mind and ways of awakening the magic within us. The Lizard has captured the imaginations of an enthusiastic cadre of fans who enjoy reading it to their children. The other stories include Now and Then, Once upon a space, there was a time, a cute little time. Her name was Now. She saw him. And he saw her. And Now and Then. Then and Now played and played and played. Now and Then, the greatest playmates of all time. Julie's Book. The Littler Princess. Long ago, there was a castle with towers taller than church steeples, with stairs that wound round and around a thousand steps high. And at the top of one of those towers lived a little princess named Julie. But in spite of everything she did to make herself miserable, she lived happily ever after. Mary Jane's Book. The Book of Animals. It was summer vacation and everything was different. Mary Jane didn't have to go to school, and everything she just loved turned into a car. All the animals that is. And Leroy and James and Ricky and Raymond and Michael and David and Penny and Frank and Julie and Desire and Miss Morgan rode on horses and cows and birds and brand new animals. And everybody was happy, especially the animals. The Little Oops. Named Ker Plop. Once beneath a space, there was

an oops named Ker Plop She had fallen all the way down through that vast empty space and had landed in the middle of nowhere Soon they felt like they had everything they ever wanted And they loved everybody and everybody loved them And they were at home everywhere Just the little oops named Ker Plop and the nobody named Norris Other stories in this collection Hundreds and Hundreds of Gerbils A parent who is trying to avoid getting pets is outmaneuvered by his kids and winds up with hundreds and hundreds of gerbils **My Circus Train and Other Stories and Reflections from Sermons**

Jan Walker,2014-12-03 As I go on in this life a verse from Psalm 16 is my story You will show me the path of life In your presence there is fullness of joy That path has taken me on adventures wanted and unwanted and led to dreams that came true and dreams that died along the way That is my story so far Ive come to know that each of us is a story and how we tell our story makes a difference as we walk through this world We all have broken pieces of ourselves that weve left along the path but we can decide whether to pick them up and put them together in a new way and go on or we can go on with the broken pieces hurting us with every step Thats our choice and with the help of God and companions along the way the grace and fullness of healing and joy can come The Enchanted Wanderer and Other Stories Nikolai Semenovitch Leskov,2013
