So You're Having An Operation A Step By Step Guide To Controlling Your Hospital Stay:

So You're Having an Operation Karen R. Williams, Janet K. Stensaas, 1985 **The Psychology of the Physically Ill Patient** M.E. Backman, 2013-06-29 The intent of this book is to examine the psychological and social worlds of physically ill patients an area that particularly needs attention today since the great advances in medical science have caused many to minimize patients emotional concerns However the pendulum has begun to swing back to the interrelationship of body and mind Quality of life is again becoming a critical consideration in treatment In writing the book I have drawn upon my own clinical experiences as a psychologist working with the physically ill I have also drawn upon studies of the psychological factors in medical illness and I was pleased to find a growing body of research Although the book is primarily directed to psychotherapists it will benefit anyone involved in the care of those with medical problems such as family and friends as well as medical professionals vii Acknowledgments I would particularly like to thank Redjeb Jordania for his endless patience support and encouragement from the very beginning of this project and for his valuable suggestions and editorial comments along the way **Glaucoma-Patient to Patient--A Coping Guide for You and Your Family** Edith Marks, 2010-03-30 The facts Upwards of 65 million people worldwide suffer from glaucoma Its the second most prevalent yet preventable cause of blindness It knows no age race or location no one is immune What you dont know can blind you but what you do know can save your sight Those of us in the field of eye care recognize that many of the subjects so masterfully handled by Edith are never discussed in routine doctor visits Having a book like this as a reference provides answers to many questions and even suggests lists of questions to ask As a firm believer that each of us has the primary responsibility for our own health care I appreciate the advice and encouragement Edith provides Thomas M Brunner President and CEO Glaucoma Research Foundation Inside youll learn The specific characteristics and issues associated with various types of glaucoma and what to expect from each Common mistakes glaucoma doctors and patients make that can have a lifelong impact on your sight and strategies for avoiding them Insights into the pros cons and overall risks associated with the wide range of treatments available plus guidance on deciding which treatment might be best for you How to confidently confront the concerns many glaucoma patients struggle with Proven step by step strategies glaucoma patients can use for controlling and countering stress and much more On behalf of the entire family of The Glaucoma Foundation it is an honor and pleasure to congratulate Edith Marks a collaborator partner and true friend of ours on a monumental achievement This updated and expanded version of her earlier book is sure to be a gift to the glaucoma community and be enthusiastically used by those who suffer from these insidious diseases we all call glaucoma Scott Christenson CEO The Glaucoma Foundation **A Smart Patient's Guide to Surgery** Sammie L.
