Social Care And Hiv Aids

Peter Burke,Jonathan Parker

Social Care And Hiv Aids:

HIV and Social Work David M. Aronstein, Bruce J. Thompson, 1998 This is an invaluable primer for social workers and all providers of mental health and social services It is a comprehensive resource in which experienced social workers share their knowledge and offer practical advice

A History of AIDS Social Work in Hospitals Barbara I. Willinger, Alan Rice, 2003 This one of a kind book presents firsthand historical perspectives from hospital social workers who have cared for HIV AIDS patients from the beginning of the epidemic in the early 1980s until the present The contributors recount their personal and clinical experiences with patients families significant others bureaucracies and systems during a time of fear challenge and extreme caution Their experiences illustrate the evolution of social work as the development of new programs and treatments increased the life span of HIV AIDS patients

A History of AIDS Social Work in Hospitals Barbara I Willinger, Alan Rice, 2012-11-12 Explore the in hospital evolution of social work with HIV AIDS patients A History of AIDS Social Work in Hospitals A Daring Response to an Epidemic presents first hand historical perspectives from frontline hospital social workers who cared for HIV AIDS patients during the epidemic s beginning in the early 1980s Contributors recount personal and clinical experiences with patients families significant others bureaucracies and systems during a time of fear challenge and extreme caution Their experiences illustrate the transformation of social work as the development of new programs and treatments increased the lifespan of HIV AIDS patients A History of AIDS Social Work in Hospitals portrays the nature of human suffering and teaches how clients deal with adversity and overcome devastating obstacles At the same time this book which while nonfiction reads like a novel opens a window into the world of social work providers working with an illness once considered taboo and now referred to as simply chronic A History of AIDS Social Work in Hospitals provides you with an easy to understand medical overview of adult and pediatric infectious diseases that often accompany HIV AIDS and examines the evolution of social work with hospitalized patients during the first twenty years of the pandemic the important roles of social workers in New York San Francisco Philadelphia and South Carolina challenges that resulted from improved medications and longer life expectancy the status of current HIV AIDS care programs the development of HIV AIDS case management in emergency room settings the benefits of developing custody planning programs for HIV infected families the challenges of working with perinatally infected adolescents With case studies and thoughtful analysis of the history of city state and national case management responses to the AIDS crisis A History of AIDS Social Work in Hospitals is a valuable book for educators students historians beginning mental health practitioners social workers case managers substance abuse counselors and anyone interested in stories of human courage Make it part of your collection today

Social Work Education Through Open And Distance Learning Bishnu Mohan Dash,

Handbook of HIV and Social Work Cynthia Cannon Poindexter, 2010-10-05 Praise for Handbook of HIV and Social Work Cynthia Cannon Poindexter has given us a remarkable edited volume that contains much information on HIV that every professional social worker needs to know in

order to practice competently in today's complex world From the Foreword by Vincent J Lynch MSW PhD Boston College Graduate School of Social Work This comprehensive handbook assembles a group of social work scholars and practitioners to participate in guide and address many of the unresolved challenges characterizing the HIV debates This handbook is a valuable and timely addition to the literature King Davis MSW PhD The Robert Lee Sutherland Chair in Mental Health and Social Policy The University of Texas at Austin School of Social Work This handbook is an outstanding resource for the social work professional working to ensure equal access to care treatment and resources for all persons living with and or affected by HIV Evelyn P Tomaszewski MSW Project Director NASW HIV AIDS Spectrum Mental Health Training and Education of Social Workers Project This book is an excellent up to date guide on HIV It is an indispensable resource for all those who work with HIV and all its complications Leon Ginsberg MSW PhD Dean Emeritus University of South Carolina School of Social Work and Editor Administration in Social Work The most current knowledge on the HIV pandemic in a thorough diverse and accessible volume This invaluable book draws on a distinguished roster of HIV advocates educators case managers counselors and administrators assembling the most current knowledge into this volume Handbook of HIV and Social Work reflects the latest research and its impact on policy and practice realities with topics including History Illness Transmission and Treatment Social Work Roles Tasks and Challenges in Health Care Settings HIV related Community Organizing and Grassroots Advocacy The Impact of HIV on Children and Adolescents HIV affected Caregivers

Transformative Social Work Practice Erik M.P. Schott, Eugenia L. Weiss, 2015-08-24 *Transformative Social Work Practice* presents an innovative and integrative approach towards critically reflective practice with an interweaving of micro mezzo and macro applications to real world demands Authors Erik Schott and Eugenia L Weiss explore issues commonly addressed by social workers including health mental health addictions schools and family and community violence while challenging assumptions and promoting ethically driven evidence based practice perspectives to advocate for social justice and reduce disparities The book is about redefining social work practice to meet the current and complex needs of diverse and vulnerable individuals families and communities in order to enhance their strengths in an era of unprecedented technological growth globalization and change

Handbook of Social Work in Health and Aging Barbara Berkman, 2006-02-09 The Handbook of Social Work in Health and Aging is the first reference to combine the fields of health care aging and social work in a single authoritative volume These areas are too often treated as discrete entities while the reality is that all social workers deal with issues in health and aging on a daily basis regardless of practice specialization As the baby boomers age the impact on practice in health and aging will be dramatic and social workers need more specialized knowledge about aging health care and the resources available to best serve older adults and their families The volume's 102 original chapters and 13 overviews written by the most experienced and prominent gerontological health care scholars in the United States and across the world provide social work practitioners and educators with up to date knowledge of evidence based practice

guidelines for effectively assessing and treating older adults and their families new models for intervention in both community based practice and institutional care and knowledge of significant policy and research issues in health and aging A truly monumental resource this handbook represents the best research on health and aging available to social workers today **Multicultural Perspectives In Social Work Practice with Families, 3rd Edition** Manny J. González, 2012-10 Print CourseSmart **Handbook for Public Health Social Work** Elaine Jurkowski, Robert Keefe, The Social Work Section Of The American Public Health Association, 2012-11-15 Public health social work is an interdisciplinary epidemiologically oriented approach to improving human health and well being About one quarter of all social workers in the United States currently work in medical or public health settings a number that is expected to increase significantly in coming years This handbook written and edited by respected leaders of the Social Work Section of the American Public Health Association APHA describes the rapidly expanding roles of public health social workers as these two disciplines continue to join forces The handbook describes how the alliance of social work and public health has already made significant progress and ways in which it will further improve health care in the United States It addresses job opportunities for public health social workers in such fields as disease prevention health promotion child welfare gerontology disaster response trauma intervention substance abuse outreach services and advocacy It also covers public health social work with special populations and in neighborhood rural and global settings Key Features Authored by highly respected APHA Social Work members Describes the ways in which the alliance of social work and public health is improving health care Highlights key settings and job opportunities for public health social workers Addresses public health social work with special populations and its relationship to such medical topics as chronic conditions HIV AIDS disabilities and more *Social Work Diagnosis in Contemporary Practice* Francis J. Turner, 2005-02-10 The unifying theme of this broad reaching volume is that responsible ethical and effective social work practice rests on the diagnostic skills of the practitioner Social work diagnosis refers to the conscious formulation of an ongoing set of decisions about the client and his or her situation which serve as the basis for intervention decisions for which the practitioner must be prepared to take responsibility Diagnostic skill development is an ongoing process principally enhanced by a continuous commitment to remain at the cutting edge of the profession's body of knowledge but one of the challenges for today's practitioner is keeping abreast of the rapidly expanding body of knowledge contained in some 200 important social work periodicals in circulation Francis J Turner a preeminent clinical scholar brings together in one volume some of the best work published since 2000 each reflecting new insights into understanding psychosocial situations and innovative methods of applying knowledge and skills in an increasingly effective manner Each of the 78 articles in this volume highlights some of the critical dimensions of contemporary social work practice guiding clinicians to address four key aspects in order to craft an accurate diagnosis The first section presents articles covering the developmental spectrum each of which fully explains various ages and stages of development The second section focuses on

a range of specific situations helping practitioners and students enrich their understanding of different types of problems they meet in contemporary practice whether they are based in mental illness psychosocial issues or physical ailments The third section addresses the crucial component of diversity demonstrating the complexity and critical importance of truly understanding clients and their lives The last section of the book discusses innovative approaches to practice selected to offer practitioners easy access to the latest interventions for a host of contemporary challenges facing clients and their therapists Broad in scope and tightly focused on the goal of providing the most up to date information necessary for accuracy in the diagnostic process this volume represents some of the best research available to today s social workers *Health and Social Work* Janna C. Heyman, Elaine Congress, Elaine P. Congress, 2018-02-28 This new text illuminates the essential information about health and social work critical to understanding today s complex health care systems and policies Chapters highlight current practice policy and research in different settings and with special populations Readers learn how to advocate for the individuals families and communities they serve to help improve health and well being for all All those interested in micro mezzo and macro practices in a healthcare setting will appreciate this rich resource Highlights include Each chapter speaks to the interconnections between practice policy and research and how they are integrated to inform social work and health Unique chapters dedicated to special populations such as children and families older adults immigrants persons with HIV AIDS LGBTQ individuals veterans and people with disabilities provide a deeper understanding of the health care issues specific to these groups Thorough coverage of the role of social workers in a variety of settings such as substance abuse correctional systems public health and integrated behavioral health care An in depth discussion of the values and ethical issues in a health care environment An intersectionality lens used throughout promotes a greater understanding of a client s multiple status of race ethnicity nationality socioeconomic status education level religion sexual orientation and gender identification Detailed case examples developed by professionals in the field in Parts II and III accompanied by discussion questions further enhance an understanding of the issues Highlights how social workers advocate for social justice to promote good health and well being for all On line instructor s resources including Power Points how chapter content is tied to the 2015 CSWE Educational Policy Accreditation Standards EPAS answers to discussion questions including approaches that instructors can use with cases and research as well as a sample syllabus with suggested options for instructors to modify for different courses Intended as a core text for MSW and advanced BSW courses on health and social work social work practice in health care health and wellness or integrative behavioral health taught in social work public health or gerontology programs this book is also of value in social work practice courses that focus on health care and special populations Social workers practicing in the health care field will also appreciate this book **Social Work, Health, and International Development** Serge Dumont, Myreille St-Onge, 2013-05-13 Sharpen your social work in health care knowledge and skills Social Work Health and International Development Compassion in Social Policy and Practice presents

leading international experts from a range of disciplines providing the latest in research theory and practical solutions to advance social work in health care issues Readers get a refreshed view on ways to put social policy into a compassionate and empathetic framework with strategies to more effectively meet today's challenges in social work and health care This superb selection of papers from the Fourth International Conference on Social Work in Health and Mental Health held in Quebec provides a unique perspective on social work and the development of a more compassionate world Social Work Health and International Development Compassion in Social Policy and Practice focuses on areas essential to every social worker no matter where they practice The book explores the increased importance of compassion and solidarity among social workers the essential need to effectively address the HIV AIDS pandemic strategies to more fully address aging issues and best practices The latest research findings and data are discussed to modify approaches and revitalize the field all to help the world become a more caring compassionate place Topics in Social Work Health and International Development Compassion in Social Policy and Practice include social work interventions to lead needy countries from health to economic growth the concept of solidarity as a fundamental notion in social work the need to revisit social work's ethical foundations cultural competence in responding to the HIV AIDS pandemic a comprehensive action plan to deal with HIV AIDS a study on grandparents caring for children of AIDS victims multilevel interventions to promote elderly people's mental health forming partnerships that promote the diverse voices of older people recognizing deficiencies to increase cultural competency in staff best practice case management approach to improve patient adherence to care Internet based intervention for caregivers of persons with dementia dyadic peer support pilot intervention for parents of children with lung disease continual education for increased professional competence much more Social Work Health and International Development is invaluable reading for social workers health practitioners researchers and clinicians

The Oxford Handbook of Social Work in Health and Aging Daniel B. Kaplan, Barbara Berkman, 2016 This Second Edition of the Handbook addresses the evolving interdisciplinary health care context and the broader social work practice environment as well as advances in the knowledge base which guides social work service delivery in health and aging This includes recent enhancements in the theories of gerontology innovations in clinical interventions and major developments in the social policies that structure and finance health care and senior services In addition the policy reforms of the 2010 Patient Protection and Affordable Care Act set in motion a host of changes in the United States healthcare system with potentially profound implications for the programs and services which provide care to older adults and their families In this volume the most experienced and prominent gerontological health care scholars address a variety of populations that social workers serve and the arenas in which they practice followed by detailed recommendations of best practices for an array of physical and mental health conditions The volume's unprecedented attention to diversity health care trends and implications for practice research policy make the publication a major event in the field of gerontological social work This is a Must Read for all social work social work educators practitioners and students

interested in older adults and their families *The Handbook of Social Work and Social Development in Africa* Mel Gray, 2016-10-26 All recent books on international social work mention Africa only briefly and few engage with the broader field of development studies This book focuses solely on the unique African context engaging with issues relating to social work and development more broadly thus enabling a deeper examination and more complex and nuanced picture to emerge Unlike most academic works this book highlights multiple practitioner voices with authors or co authors that have recently been or are currently practising social workers As an edited book it draws from both academic research as well as lived practice experience supported by strong theoretical positioning and guidance in introductory chapters drawing on African literature wherever possible Looking at case studies from Lesotho Botswana Kenya Zimbabwe Ethiopia Namibia Uganda Nigeria Kenya South Africa Rwanda Zambia and Tanzania and covering established areas of practice such as child protection working with older people working with people with disabilities mental health and mainstream services targeting women as well as emerging areas of developmental social work practice such as humanitarian assistance in post conflict situations work with immigrants and refugees and the training of community based workers this book takes a future oriented perspective that aims to move beyond well worn critiques to envision constructive and sustainable futures for social work and social development in Africa from a critical perspective *The Routledge International Handbook of Social Work and Sexualities* SJ Dodd, 2021-07-19 This Handbook is the first volume to address the dynamic issues related to sexuality from a social work perspective by providing a comprehensive current and international overview of issues related to sexuality It explains how each issue is important and critically discusses the leading views in the area providing diverse and inclusive perspectives from leading scholars in the field Divided into seven parts Structural Context Sexual Identities Sexuality through the Lifespan Health Mental Health and Sexuality Sexual Health and Well Being Pleasure Desire and Consent Practice Issues Regulating Sexuality Historical and Contemporary Legislation It will be of interest to students academics researchers and practitioners of social work and related health and social care subjects and is particularly relevant for practice courses as well as courses on Human Growth and Development and Human Behavior in the Social Environment [Encyclopedia of Social Work](#) , 1965 **Social Work and Disadvantage** Peter Burke, Jonathan Parker, 2007 Providing key messages for practice they outline a range of protection measures against disability by association to reduce the risk of stigma and victimisation **Social Work Concerns and Challenges in the 21st Century** V. V. Devasia, Ajit Kumar, 2009 Choice of themes and the manner in which they are dealt with is a noteworthy feature of this book Seven out of the twenty articles are on women A striking feature is that out of the seven articles four of them discuss the daily work undertaken by women

Social Work Case Management Michael J. Holosko, SAGE Publications, Inc., 2017-01-30 Written by a social worker for social workers This innovative book equips readers with the knowledge and skills they need to be effective case management practitioners in a variety of health and human service organizations A must read for students and professionals in social work

this important work introduces a unique Task Centered Case Management Model built around the unifying principles of the profession person in environment strengths based work and ecological perspective Over twenty case studies by case managers and professionals offer innovative practice insights illustrating the practice roles and responsibilities of today s case managers and the realities of conducting case management in today s growing exciting and challenging field

New Insights into Social Isolation and Loneliness Yuka Kotozaki, Lené Levy-Storms, 2024-04-25 Social isolation is generally recognized as a major public health problem and is widely recognized to have detrimental consequences for people s health including reduced mental health increased risk of disease e g hypertension cardiovascular disease cancer mortality and cognitive decline It is widely recognized that social isolation is a major cause of death Combined with the recent COVID 19 and other changes in social conditions social isolation and loneliness are becoming an increasing concern Social isolation can occur regardless of gender or age and the occurrence process and related factors warrant further investigation
