The Communist Party:

Communist Party of the United States of America, 1985* *The Communist Party of the United States of America*
United States. Congress. Senate. Committee on the Judiciary, 1956 *A Documentary History of the Communist Party of the*
United States: Toil and trouble, 1928-1933 Bernard K. Johnpoll, 1994 This is the second in an eight volume documentary
history of the Communist Party of the United States of America This landmark collection by a noted authority on the
American Left is the result of forty years of searching for pamphlets proclamations manifestos party reports and minutes of
meetings in bookstores and archives all over the country Facsimilies of the originals are presented whenever possible Brief
introductions and critical notes and explanations about the documents are provided with each of these rare and hard to find
materials Volume II begins with a short introduction describing the documentary history and pointing to important sources of
information about the Communist Party of the United States Documents are arranged chronologically and cover a period of
toil and trouble from 1928 to 1933 The documents include speeches resolution and various reports and discussions about
timely issues and attitudes current in the party then on race German Fascism and the church **The Communist Party of**
the United States Fraser M. Ottanelli, 1991 Fraser M Ottanelli examines the history of the Communist Party of the United
States CPUSA from the stock market crash to the reconstitution of the Party in 1945 He explains the appeal of the CPUSA
and its emergence as the foremost vehicle of left wing radicalism during these years Ottanelli looks at the Party s domestic
policies and activities concerning labor race youth the unemployed as well as the Party s changing attitude toward FDR and
the New Deal its policies in foreign affairs and war time activities *History of the Communist Party of the United States*
William Z. Foster, 1974 *A Communist Party in Action* A. Rossi, 2018-03-12 Recent events in the United States have shown
the workings of little known elements of the Communist Party like the secret section whose members are unknown to the
rank and file All this and much more is explained in Rossi s remarkable disclosure of the entire structure of the Communist
Party of one country in this case France where we are able to see the Party as it acted under the varying pressures of peace
war and armistice how it operates as a legal part of the political scene how readily it can go underground how the members
are schooled in its principles an hour a day reading of the primary Party books is required how the overall directives are
issued and carried out how a mass following was to be recruited from the disaffected veterans of the lost war distraught
housewives and families of prisoners from labor unions and peasants in the Catholic hinterland This book based on published
and unpublished sources provides a vast fund of information about the whole range of Communist activities from the secret
instructions that foresaw in the early days of the German occupation that the Nazi tolerance of the Party in France would be
short lived to advice on how to meet a comrade with the least chance of being observed It shows why Party members
returning from prison must always be regarded with suspicion and how and through what means the eventual seizure of the
government was to take place These observations are based on the operations of the French Communist Party but they apply

with only minor changes to the Communist parties of all the Western countries with their dexterous capacity for maneuver and their unrelenting pursuit ruthless and with no holds barred of the ultimate goal of the seizure of power World Strength of the Communist Party Organizations ,1967 **The Communist Party of Poland** M. K. Dziewanowski,1976

The History of the Communist Party of the United States William Z. Foster,2023-02-15 This is William Z Foster s definitive history of the Communist Party of the United States In it he relates the history of a party of the American working class and the story and analysis of the origin growth and development of that party It is the record of a Party which through its entire existence has loyally fought for the best interests of the American working class and its allies who constitute the great majority of the American people **The Communist Party in Post-Soviet Russia** Luke March,2002 Drawing on extensive research Luke March details the ideology organization and activity of a political phenomenon which has received little in depth analysis or scholarly consensus He analyses the Communist Party of the Russian Federation s evolution in the context of post Soviet political developments to provide detailed and stimulating examination of a party whose role in Russian politics is far more complex and contradictory than is generally understood The Rules of the Communist Party of the Soviet Union Graeme J.
