*Being and Becoming a Principal* L. Joseph Matthews, Gary Monroe Crow, 2003 This book focuses on the skills training values and assumptions that principals and assistant principals employ as leaders and reformers This text views administrators more broadly as transformational leaders who include the entire school community in reform Scenarios and activities are used to provide a bridge from learning the theory of school administration to the practical problem solving in which school leaders engage

*SchoolX: How principals can design a transformative school experience for students, teachers, parents – and themselves* Jethro Jones, 2020-08-07 How can we transform the school experience for all stakeholders Jethro Jones has the answer design thinking SchoolX shows principals how to become designers not just managers or leaders It introduces readers to the design thinking process an iterative and innovative way to approach the challenges the school leader faces Drawing on the wisdom of the dozens of leaders he has interviewed for his Transformative Principal podcast Jones shows principals how to put themselves in the shoes of the people in their school communities using that empathy to drive radical change But crucially Jones argues that it is only once leaders improve their own experience that they can transform the experiences of others
