## **The Company Of Saints:**

**It is the same light** Daljit Singh Jawa, 2014-02-07 Sri Guru Granth Sahib is generally known as the holy scripture of Sikhism the world's fifth largest religion. But this holy scripture is neither a storybook nor just the philosophy of the Sikh saints or prophets. It is more like a collection of divine revelations and hymns expressing the feelings of love and devotion of the Sikh Gurus for the Supreme Being along with the similar yearnings and longings of the devotees and saints from all faiths prevalent in Indian subcontinent during those times. The beauty of this 1430 page hymnal written in 22 different languages lies in the fact that while it spiritually connects the human mind to the original source of eternal bliss it provides a very practical and effective way to live in love and harmony with other fellow human beings irrespective of their faith, color, caste, creed or race. The following are a few examples of the views of eminent writers and scholars regarding Sri Guru Granth Sahib. Mankind's religious future may be obscure yet one thing can be foreseen. The living higher religions are going to influence each other more than ever before in the days of increasing communications between all parts of the world and branches of the human race. In this coming religious debate the Sikh religion and its scriptures the Sri Guru Granth Sahib will have something of special value to say to the rest of the world. Arnold Toynbee, Historian. I have studied the scripture of great religions but I do not find elsewhere the same power of appeal to the heart and mind as I find here in these volumes of Sri Guru Granth Sahib. There is something strangely modern about these scriptures. They speak to the people of any religion or of none. They speak for the human heart and the searching mind. Mrs Pearl S Buck, Nobel Laureate. In Volume two of the *It Is The Same Light* series, SGGS pages 201-400, author Daljit Singh Jawa continues his humble effort to share the beauty of the SGGS with those who have limited familiarity with the language, Gurumukhi, history or context. The following are some of the comments received on the volume 1, pages 1-200 of SGGS. This translation of Guru Granth Sahib is one of the best English translations in my view as it is in simple understandable English. Each shabad's summary message is given; there is connection between the shabads to reveal continuity of thought process in Guru Ji's message. Thanks to S Daljit Singh Ji for the great work which will benefit future generations understand Guru Ji's message easily. Amarjit Singh, M.D. University at Buffalo, Buffalo, NY. A monumental undertaking reflecting a lifetime of devotion to the Sri Guru Granth Sahib and to the scholarly study of its voluminous texts. Both its rendition of the original Gurmukhi script with accompanying English transliteration and its erudite commentary on each of the Granth's many hymns mark this work as a stunning achievement which will benefit all serious students of the Sikh religion and of world religions in general. Barry Crawford, Ph.D. Washburn University, Topeka, Kansas. *Indian Epic Values*, Gilbert Pollet, 1995. The volume contains thirty contributions to the theme of the classical Indian epic Ramayana. These are revised and occasionally enlarged versions of papers read at the International Ramanaya Conference held at the University of Leuven in July 1991 to celebrate the 150th anniversary of Sanskrit and Indological studies in Leuven and in Belgium. The annotated papers in English have been grouped in three chapters. 1. Valmiki

Parker Society was the London based Anglican society which printed in fifty four volumes the works of the leading English Reformers of the sixteenth century It was formed in 1840 and disbanded in 1855 when its work was completed Its name is that of Matthew Parker the first Elizabethan Archbishop of Canterbury who was known as a great collector of books The stimulus for the foundation of the society was provided by the Tractarian movement led by John Henry Newman and Edward B Pusey Some members of this movement spoke disparagingly of the English Reformation and so some members of the Church of England felt the need to make available in an attractive form the works of the leaders of that Reformation
