Neugebauer,2013-11-11 The collection of papers assembled here on a variety of topics in ancient and medieval astronomy was originally suggested by Noel Swerdlow of the University of Chicago He was also instrumental in making a selection which would in general be on the same level as my book The Exact Sciences in Antiquity It may also provide a general background for my more technical History of Ancient Mathematical Astronomy and for my edition of Astronomi cal Cuneiform Texts Several of these republished articles were written because I wanted to put to rest well entrenched historical myths which could not withstand close scrutiny of the sources Examples are the supposed astronomical origin of the Egyptian calendar see 9 the discovery of precession by the Babylonians 16 and the simplification of the Ptolemaic system in Copernicus De Revolutionibus 40 In all of my work I have striven to present as accurately as I could what the original sources reveal which is often very different from the received view Thus in 32 discussion of the technical terminology illuminates the meaning of an ancient passage which has been frequently misused to support modern theories about ancient heliocentrism in 33 an almost isolated instance reveals how Greek world maps really looked and in 43 the Alexandrian Easter computus held in awe by many historians is shown from Ethiopic sources to be based on very simple procedures **Aleister Crowley** Colin Wilson,2005-12-31 Poet Magician Mountaineer Polemicist and Pornographer Aleister Crowley was the most famous or infamous name in twentieth century occultism With his usual flair and style Colin Wilson brings this complex and enigmatic figure to life and provides an engrossing portrait of the self styled Great Beast the man whom the contemporary press dubbed The Wickedest Man in the World The popular image of him as in the words of Francis King an insatiable sexual athlete a pimp who lived on the immoral earnings of his girl friends and a junkie who daily took enough heroin to kill a roomful of people has a basis in fact but there were other less obnoxious and despicable aspects of this highly original character Crowley s greatest legacy is his eclectic occult system his Magick persists a potent synthesis of Golden Dawn magic oriental esoteric techniques sexual magic and the all encompassing Law of Thelema with its two fundamental principles Every man and woman is a star and the notorious Do What Thou Wilt Shall Be the Whole of the Law **Prophet of Evil: Aleister Crowley, 9/11 and the New World Order** William Ramsey,2010-07-24 Do the numbers suffusing the day of September 11th have occult significance Why are the numbers 11 77 93 and 175 extremely significant in understanding

the event How did Aleister Crowley influence the events of 9 11 considering the fact that he died in 1947 How did Aleister Crowley inspire the doctrines of the New World Order The answers to these questions is contained in the riveting book Prophet of Evil Aleister Crowley 9 11 and the New World Order
