framework of punishment that suited the values and standards of the civilized world came to be set in place from around 1800 to the late 20th century In this book John Pratt draws on research about prison architecture clothing diet hygienic arrangements and changes in penal language to establish this The author demonstrates that this did not mean however that such a framework of punishment was civilized Instead it meant that punishment in the civilized world became anonymous and remote Prison brutalities and privations could be largely unchecked by a public that did not want to be involved In the last few decades it has become clear that civilized societies have to tolerate new boundaries of punishment This is not because of any development of civilized punishment Instead this is due to a shift in public mood and power from public indifference to public involvement in penal development Throughout this text theoretical ideas and concepts are accessibly introduced and illustrated with a wide range of examples from the UK USA Canada Australia and New Zealand It will be essential reading for students and academics of punishment prisons and social theory

The Socio-Literary Imaginary in 19th and 20th Century Britain Maria Bachman,Albert Pionke,2019-09-30 At once an invitation and a provocation The Socio Literary Imaginary represents the first collection of essays to illuminate the historically and intellectually complex relationship between literary studies and sociology in nineteenth and early twentieth century Britain During the ongoing emergence of what Thomas Carlyle in Signs of the Times 1829 pejoratively labeled a new Mechanical Age Britain's robust tradition of social thought was transformed by professionalization institutionalization and the birth of modern disciplinary fields Writers and thinkers most committed to an approach grounded in empirical data and inductive reasoning such as Harriet Martineau and John Stuart Mill positioned themselves in relation to French positivist Auguste Comte's recent neologism la sociologie Some Victorian and Edwardian novelists George Eliot and John Galsworthy among them became enthusiastic adopters of early sociological theory others including Charles Dickens and Ford Madox Ford more idiosyncratically both complemented and competed with the systems of society proposed by their social scientific contemporaries Chronologically bound within the period from the 1830s through the 1920s this volume expansively reconstructs their expansive if never collective efforts Individual essays focus on Comte Dickens Eliot Ford and Galsworthy as well as Friedrich Engels Elizabeth Gaskell G H Lewes Virginia Woolf and others The volume's introduction locates these author specific contributions in the context of both the international intellectual history of sociology in Britain through the First World War and the interanimating intersections of sociological and literary theory from the work of Hippolyte Taine in the 1860s through the successive linguistic and digital turns of the late twentieth and early twenty first centuries
