Discipleship R L Coursey, 2018-03-05 As Satan tempted Christ so he tempts us today Pointing to the glory of the kingdoms of the world he says All these things I will give thee if thou wilt fall down and worship me Although always with an air of piety the consumer driven church is lured into following the counsel of Satan while rejecting

the example of Christ He who is a deity emptied himself of his privileges and became a man And not just any man but the lowest of men a servant He died not just any death but the cruelest of deaths on a cross as a condemned criminal Such a vision of Christ s humiliation should consume all of our self interest and pour contempt on all our pride But the vision of the exalted Christ should all the more compel us to renounce our own self importance and self seeking The enslaving power of self love does not only attach itself to the church transforming its spiritual life into empty forms turning its so called good works into monuments of self glory and changing its sacred mission into a search for the significance and fulfillment of self It also enslaves the individual Christian by exalting the self to preeminence Thus it defeats real happiness by producing pride discontent envy bitterness unforgiveness ambition anxiety and a whole host of other destructive qualities that exist for no other reason than to defend and maintain the self that we have erroneously and to our own injury exalted to preeminence Self love will never be made subordinate until we get a glimpse by divine grace of something far lovelier Other idols may be replaced by even more enticing ones but the idol of the self can only be laid aside by the all entrancing vision of the loveliness of Christ

Gospel-Centered Idolatry R L Coursey, 2022-10-18 Thomas Chalmers in his classic sermon entitled *The Expulsive Power of a New Affection* correctly ascribes subjective power to subjective affections for love does have an expulsive power whether one loves God to the despising of self or loves self to the despising of God But he incorrectly sides with objective justification full pardon and gracious acceptance as the power that creates love and the engine that empowers sanctification He is right to suggest that a new affection has expulsive power but wrong to suggest that the source and power of a new affection is primarily in the indicative benefits Jonathan Edwards on the other hand sided with regeneration for the obvious reason that without a new nature the natural man can only be constrained by outside considerations the indicatives to superficially walk in newness of life the imperatives Such considerations might produce change that rises as high as the outward performance of the Legalist but it is still only the superficial height that self love alone can achieve The Spirit s work of illuminating the higher glory and beauty of Christ to the soul is the only source of an affection that can be called new If the expulsive power of a new affection does not dethrone self as one s primary concern in life and theology then what exactly is being expelled by the power of the gospel If one s religion does not surpass one s primary concern for what s in it for oneself then one s self love may have an expulsive power but it will be the light of the glory of God in the face of Christ Jesus that is expelled by the power of self love The irony of the cross was that Christ was crucified by those who already had a knowledge of God s steadfast love and rejoiced in spiritual privileges The proper force and source behind the believer s love for God is not found in the objective benefits as they reflect upon the believer s high privileges but God s power alone as it is exerted in the soul by the Spirit imparting a new heart new affections and a new principle of action that did not exist prior Good fruit is produced only by a good tree and however constrained by outside forces a bad tree cannot be manipulated to produce fruit contrary to its nature

of Ruth C. Matthew McMahon, 2024-03-20 The Book of Ruth often perceived as a heartwarming love story is much deeper than its brief 85 verses may suggest Far from just a narrative of an impoverished outcast finding love through the guidance of her mother in law it holds a weighty place in the biblical canon universally acknowledged and inspired by the Holy Spirit for the enrichment of the Church But could there be more to it The true brilliance of Ruth lies in its core message It masterfully illustrates the concept of redemption and how it unfolds through the Kinsman Redeemer The historical context with Ruth's pivotal role as a Moabite convert to true faith further accentuates its significance Her union with Boaz a revered figure among his kin led to the birth of Obed the grandfather of King David The narrative was crafted to affirm David's legitimate claim to the throne emphasizing his divine lineage Yet the true essence of the book transcends earthly monarchies pointing towards King Jesus the Messiah our Spiritual David who emerges as the savior and the ultimate Kinsman In *Practical Observations on the Book of Ruth* McMahon explores this biblical masterpiece offering insightful verse by verse observations He presents it as a reflection of Christ's Covenant of Grace providing a comprehensive commentary on its relevance to the Christian faith and its practical implications for believers in their everyday lives **Meet the Puritans**

Joel R. Beeke, Fraser E. Jones, Randall J. Pederson, 2025-10-21 Whether you're meeting them for the first time or returning with questions this is the indispensable guide to the lives and works of the Puritans If your impression of the Puritans comes from grim portraits high collars and joyless sermons *Meet the Puritans* will surprise you in the best way Behind those caricatures lies a warm Christ-centered spiritual tradition shaped by people who loved Scripture treasured grace and sought to glorify God in every part of life The Puritans took life seriously because they took God seriously Grace and guilt love and sacrifice heaven and hell weren't abstractions to them they were urgent realities Today when conviction of sin is dismissed as gloom when earnest faith is pitied and when diligent obedience is labeled as legalism we desperately need their witness If you hunger for depth for holiness for real communion with God open these pages Let these lives challenge you and these writings nourish you Take the time to meet the Puritans you'll find in them deep truths godly examples and an exalted Christ This New Edition Includes 45 New Biographies for a total of 190 English and American Puritans seventeenth century Scottish Presbyterians and Dutch Further Reformation divines 278 New Summaries of Puritan works with annotated bibliographies of modern reprints Comprehensive Revision of the entire previous edition 200 New Titles Added to the select bibliography of secondary sources New Expanded Glossary plus an updated expanded list of Puritan publishers The definitive reference for engaging the Puritan tradition praised by pastors scholars and serious readers alike Substantial enough for study accessible enough for devotional use *Meet the Puritans* is that rare kind of reference book that invites you to actually read it If you're serious about reading the Puritans or simply looking for a clear starting point this is the place to begin **Be Renewed**

Willem van Vlastuin, 2014-02-19 Personal renewal or sanctification belongs to the heart of the Christian life and is becoming more important in our present day culture. Listening to Scripture and in conversation with a variety of theologians from the protestant tradition the author presents an up to date concept for a theology of personal renewal. In this concept the spiritual union with Christ *unio mystica cum Christo* is taken as the starting point in order to consider the way in which renewal obtains form in relation to God our neighbour ourselves and the world. To place this concept into a historical perspective van Vlastuin begins his study with an investigation of Luther and Calvin's theology concerning the relationship between the union with Christ and personal renewal. The concept is developed within the current theological debate with particular reference to the eschatological character of the Christian life. An important issue concerns the measure of renewal especially in relation to the sinful heart of the believer. In this context the author also deals with the question of sanctification as a position or a process and the relation between the two. In addition the relationship between the Holy Spirit and the human soul in the process of renewal is discussed. Another important issue concerns the abiding significance of the law and the way in which it functions in the Christian life. The exploration of several theological positions leads to a modern concept by which to understand law. The study concludes with an investigation of the relationship between the eschatological Christian life in this present life and the complete revelation of the eschaton.

Woke Religion: Unmasking the False Gospel of Social Justice Wes Carpenter, 2021-08-03 In today's society many including Christians want to be woke. But has woke become simply another religion another ploy of Satan's to shred the fabric of Christianity. As woke critical theory seeps through the teachings of the Church many Christians are being misled by their own spiritual leaders to take part in the newest attempt for their souls. In *Woke Religion: Unmasking the False Gospel of Social Justice* Wes Carpenter unashamedly addresses these heretical teachings calling on those in spiritual authority to deny woke philosophies and cling to the teachings of Scripture. Follow Wes as he takes the reader from the stirrings of woke critical theory in Church history to the teachings that are pervading the Church today.

The Beauty and Glory of Christian Living Joel R. Beeke, 2014-07-31 When the seed of life is sown in their hearts God's people grow up beautifully and gloriously. Taking up this botanical analogy *The Beauty and Glory of Christian Living* opens by discussing the divine roots of the Christian life in being united to Christ in faith being sanctified by the Holy Spirit becoming spiritually minded and living by the means of grace. It then explores how our Christian lives branch out to influence our families our workplaces and the world. Finally a series of chapters deal with weathering the storms of life when we are pelted with affliction sexual temptation negative thought patterns hard times sickness and death. In all of this we see a faithful God who causes His people to flourish for His glory.
