The Concept Of Political Culture:

The Concept of Political Culture Stephen Welch, 2016-07-27 erudite thought provoking and well written Archie Brown Professor of Politics Oxford University The return to prominence of the concept of political culture offers an opportunity to re evaluate its contribution to the social sciences This study casts a broader net embracing not only political science with equal emphasis placed on the concept's use in communist studies but also sociology and history On this basis a distinctive theory of political culture and not merely another typology is developed Political culture instead of being a token in the sterile debate between interest and culture based explanation offers the means of transcending that debate

Political Culture Walter A. Rosenbaum, 1975 For introductory and intermediate undergraduate courses in political science

The Theory of Political Culture Stephen Welch, 2013-06-13 Developing a theory of political culture as consisting of two dimensions discourse and practice the book explains how political culture can both inhibit political change and be a source of it It explores the nature and dynamics of political culture systematically and comprehensively and suggests numerous new lines of empirical research

Reinventing Political Culture Jeffrey C. Goldfarb, 2012 People can and do change the fundamental cultural contours of their political situation Their political culture does not only restrict imagination and action it is also a resource for political creativity and invention In this text this resource is uncovered and explored

Introduction to Comparative Political Culture Dezhi Tong, 2018-08-03 This book starts with four aspects subject's cognition way of thinking political value and ideology conducts comparative studies on political culture Amid using the concept of political culture in western academic circles it makes comprehensive supplement for this concept and put forward an updated concept of political culture which is more localized This new concept on the grounds of the comparison with political system takes political culture as the subjective side of political system and incorporates ideology into political culture thus undoubtedly enriching our knowledge of political culture On the basis of clarifying the concept of political culture and establishing the comparative dimension of it this book widely refers to the outlooks of individuals nations society and power of political cognition the modes of objectives directions and methods of political ideas democratic awareness legal concept and system selection of political value as well as liberalism and republicanism etc All these bring substantial benefits to promoting and deepening the comparative studies on political culture This book can not only be used for the teaching undergraduate and graduates who major in Politics but also used as the reference book for politics academic research
