The Confederacy Henry Putney Beers,1986 *The Confederacy* Henry Putney Beers,1986 *The Confederacy* Henry Putney Beers,1968 **Prologue** ,1988 Annual Report for the Year Ended ... United States. National Archives and Records Administration,1985 Aids for Genealogical Research United States. National Archives and Records Administration,1992 A Sourcebook for Genealogical Research Foster Stockwell,2015-09-18 Genealogists can sometimes require obscure resources when in search of information about ancestors Tracking down records to complete a family tree can become laborious when the researcher doesn't know where to begin looking Many of the best resources are maintained regionally or even locally and aren't widely known This reference work serves as a guide to both beginning and experienced genealogy researchers The sourcebook is easily accessible and usable featuring approximately 270 entries on all aspects of genealogical research and family history compilation The entries are listed alphabetically and cross referenced so any researcher can quickly find the information he or she is seeking Each state and each of the provinces of Canada has its own entry other countries are listed under appropriate headings The author also provides more than 700 addresses from all over the world so that the genealogist or general researcher may contact any one of these organizations to obtain specific information about particular births deaths marriages or other life events in order to complete a family tree Reference Information Paper ,2007 Submarine Warfare In The Civil War Mark Ragan,2009-04-30 Many people have heard of the Hunley the experimental Confederate submarine that sank the USS Housatonic in a daring nighttime operation Less well known however is that the Hunley was not alone under the waters of America during the Civil War Both the Union and Confederacy built a wide and incredible array of vessels that could maneuver underwater and many were put to use patrolling enemy waters In *Submarine Warfare in the Civil War* Mark Ragan who spent years mining factory records and log books brings this little known history to the surface The hardcover edition *Union and Confederate Submarine Warfare in the Civil War* was published to wide acclaim in 1999 For this new paperback edition Ragan has revised and updated the text to include the full story of the Hunley's recovery and restoration **News from the Archives** United States. National Archives and Records Administration,1986 Placenames of the Civil War John D. Bennett,2017-02-10 Despite the plethora of books about the Civil War the origins of many of the placenames associated with the conflict remain a mystery This gazetteer provides information on nearly 1600 sites including not only locations of battles and skirmishes but also hospitals prison camps military academies factories and navy yards both North and South Also listed are islands rivers creeks fords ferries and railroad stations as well as many temporary fort and camp names From Abbeville Georgia where Jefferson Davis stopped in May 1865 days before his capture near Irwinville to Yorktown Virginia which was besieged by General George B McClellan at the start of the Peninsula campaign entries explain the origin of each placename and its wartime connections An appendix listing town and city population figures from the 1860 census completes this informative supplement for Civil War scholars
