The Confessions Of Proinsias O'toole:

The Confessions of Proinsias O'Toole John Morrow,1977 **The Confessions of Proinsias O'Toole** John Morrow,1979 *A History of the Irish Short Story* Heather Ingman,2009-05-14 Though the short story is often regarded as central to the Irish canon this text was the first comprehensive study of the genre for many years Heather Ingman traces the development of the modern short story in Ireland from its beginnings in the nineteenth century to the present day Her study analyses the material circumstances surrounding publication examining the role of magazines and editors in shaping the form Ingman incorporates recent critical thinking on the short story traces international connections and gives a central part to Irish women s short stories Each chapter concludes with a detailed analysis of key stories from the period discussed featuring Joyce Edna O'Brien and John McGahern among others With its comprehensive bibliography and biographies of authors this volume will be a key work of reference for scholars and students both of Irish fiction and of the modern short story as a genre **Historical Dictionary of the Northern Ireland Conflict** Gordon Gillespie,2017-03-16 The second edition of the Historical Dictionary of the Northern Ireland Conflict provides an accessible and comprehensive study of the conflict and peace process in Northern Ireland from the 1960s to 2016 The second edition of the book expands on the references relating to individuals organizations and events of the Northern Ireland Troubles and adds material on significant subsequent developments This the work provides a unique view of developments since the signing of the Good Friday Agreement in 1998 While widely heralded as the end of the Northern Ireland conflict the agreement instead witnessed the beginning of a new series of political difficulties to be addressed The Historical Dictionary of the Northern Ireland Conflict is the first significant reference work to examine many of the issues related to political and cultural conflicts and dealing with the past which have grown in intensity since 1998 Many of these themes will be relevant to students of post conflict societies in other areas of the world This second edition of Historical Dictionary of the Northern Ireland Conflict contains a chronology an introduction and an extensive bibliography The dictionary section has over 300 cross referenced entries on important personalities politics economy foreign relations religion and culture *The A to Z of the Northern Ireland Conflict* Gordon Gillespie,2009-09-24 For nearly four decades the conflict in Ireland has embittered relations between the communities living there and spoiled relations between the Republic of Ireland and Great Britain For three decades it escalated punctuated by periodic bloody clashes followed by somewhat calmer periods of tension during which violence of all sorts robberies kidnappings serious injuries and deaths were all too common During the past decade fortunately all sides have realized that armed solutions were unlikely to bring a solution to anyone s problems and that peace should be given a chance Fortunately with the establishment of a new Northern Ireland Executive there is a general acceptance that the conflict is now part of the past The A to Z of the Northern Ireland Conflict covers the history of the Troubles through a chronology covering the Northern Ireland conflict and peace process from 1968 until the formation of the

new Northern Ireland Executive in May 2007 an introductory essay a bibliography and several hundred cross referenced dictionary entries on main events individuals and organizations Researchers with an interest in the Northern Ireland conflict will find this book to be an essential addition to their collection of reference books on the subject The Living Stream Edna Longley,1994 Edna Longley s second collection of essays for Bloodaxe investigates the links between Irish literature especially contemporary poetry Irish culture and Irish politics The Living Stream takes its title from Yeats s poem Easter 1916 Hearts with one purpose alone Through summer and winter seem Enchanted to a stone To trouble the living stream By questioning the xed purposes of both nationalism and unionism literature has helped to make living streams ow in Ireland Edna Longley shows in particular where recent Northern Irish writing together with the critical debates it has occasioned ts into this process of change In her introduction which includes a hard hitting critique of The Field Day Anthology Edna Longley argues that it s time for Irish literary criticism to adopt the revisionist approach that characterises the writing of Irish history which would mean paying more attention to religious factors to literary relations with Britain and to the cultural diversity that underlies creative diversity These ideas inform her consideration of such topics as the historical imaginations of Northern Irish poets Belfast in literature Protestant writers after Irish Independence the Thirties generation of Northern Irish writers the in uence of Louis MacNeice aesthetic differences between poetry from the North and from the Republic The book also contains a re ection on the 75th anniversary of the Easter Rising and Edna Longley s controversial pamphlet From Cathleen to Anorexia The Breakdown of Irelands **Irish University Review** ,1994 Slanguage Bernard Share,2005 Are you a holy terror Are you a go boy Could you live on the skin of a rasher Or are you so hungry that you eat a farmer s arse through a hedge When you re on the razz do you get so buckled crippled and scuttered that you can t get your back outa the scratcher in the morning Never mind the answers if you understand the questions you are in Slanguage country If you don t you need to be This is the dictionary that glosses the words that real Irish people use in the streets each day every day Slang is elusive Some words and phrases are always there Others slip in and out of usage according to the whims of fashion This expanded edition of the standard dictionary of Irish slang includes many entries not in the 1997 edition It has dropped a few that have fallen out of favour and has revised others In all this edition is 25 per cent longer than its predecessor It will confirm Bernard Share s invaluable book in its position as the major work of its kind combining scholarship and a keen sense of fun Slanguage does justice to it by taking it seriously but not too seriously **Across a Roaring Hill** John Harold Hewitt,1985 **Gangsters Or Guerrillas?** Patrick Magee,2001 While serving a 50 year prison sentence after being charged with involvement in an IRA bombing Patrick Magee dedicated himself to the study of fiction dealing with the conflict in North Ireland Out of those years comes this fascinating work in which Magee critically assesses various literary representations of republicans and their struggle as an ideological and political tool of British propaganda Magee invokes the necessity of reading these texts critically as a reading that accepts these novels at face value continues to hinder resolution

of the division of Ireland *The Thriller and Northern Ireland Since 1969* Aaron Kelly, 2005 Almost 400 thrillers have been produced in response to the ongoing political upheaval in Northern Ireland This work interrogates the complicity of the enduring confrontations conspiracies and mysteries of the thriller genre with the view of Northern Irish society as suspended in a recurrent stasis **Books Ireland** ,1976 The Irish Short Story James Kilroy, Dr. James Kilroy, 1984 *The Irish Writer and the City* Maurice Harmon, 1984 Zawiera materia y z pi tej konferencji zorganizowanej przez The International Association for the Study of Anglo Irish Literature w Dublinie w 1982 r **Troubled Times** Robert Bell, Robert Johnstone, Robin Wilson, 1991 *Irish Publishing Record* ,1977 The Bibliography of Regional Fiction in Britain and Ireland, 1800-2000 K. D. M. Snell, 2002 Pioneering and interdisciplinary in nature this bibliography constitutes a comprehensive list of regional fiction for every county of Ireland Scotland Wales and England over the past two centuries In addition other regions of a usually topographical or urban nature have been used such as Birmingham and the Black Country London The Fens the Brecklands the Highlands the Hebrides or the Welsh border Each entry lists the author title and date of first publication The geographical coverage is encompassing and complete from the Channel Islands to the Shetlands An original introduction discusses such matters as definition bibliographical method popular readerships trends in output and the scholarly literature on regional fiction **A Biographical Dictionary of Irish Writers** Anne M. Brady, Brian Talbot Cleeve, 1985 **Ireland & the English Crisis** Tom Paulin, 1984 In these brilliantly argued essays on Irish and English literature Tom Paulin shows how writers react to political struggles and cultural upheaval from Joyce in colonial Ireland and Auden in England in the Thirties to today s Belfast poet or Derry dramatist The keynote of this controversial book is the phrase writing to the moment And like Samuel Richardson whose motto this was Tom Paulin is writing in the instant about the present and for the current age Tom Paulin tackles the present crisis in English studies in a now notorious discussion of structuralism in education This exemplary incisive essay confronts critical fashions like deconstruction and exposes their destructive limitations The book includes Paulin s famous polemic against Conor Cruise O'Brien as well as his careful rigorous account of Ian Paisley s writings and pronouncements In these and in other essays he establishes a historical and cultural perspective exploring first the Englishness of D H Lawrence John le Carr and the expatriate Henry James then the Anglo Irishness of Oscar Wilde William Trevor and Louis MacNeice These forceful essays will contribute to a tradition of critical independence They will combat what Tom Paulin calls the terminal self disgust with which much contemporary literary criticism is now afflicted *Éire-Ireland* ,1988
