## **The Conquering Canadiens Stanley Cup Champions:**

*The Conquering Canadiens, Stanley Cup Champions* Stan Fischler, 1971-01-01      *The Greatest Game* Todd Denault, 2011-10-04 This game wasn't about money points or trophies. Instead, it was played for pride, both personal and national. It was a confrontation twenty years in the making and it marked a turning point in the history of hockey. On December 31, 1975, the Montreal Canadiens, the most successful franchise in the NHL, hosted the touring Central Red Army, the dominant team in the Soviet Union. For three hours, millions of people in both Canada and the Soviet Union were glued to their television sets. What transpired that evening was a game that surpassed all the hype and was subsequently referred to as the greatest game ever played. Held at the height of the Cold War, this remarkable contest transcended sports and took on serious cultural, sociological, and political overtones. And while the final result was a 3-3 tie, no one who saw the game was left disappointed. This exhibition of skill was hockey at its finest, and it set the bar for what was to follow as the sport began its global expansion.

**Five Overtimes** John G. Robertson, Carl T. Madden, 2024-06-06 The quarter century comprising the Original Six years of the National Hockey League is often fondly discussed by the sport's scholarly fans. However, one surprisingly underappreciated jewel from that era is the 1951 Stanley Cup final series between the Toronto Maple Leafs and the Montreal Canadiens. It provided something never seen before in the history of the NHL and has not been seen since: every one of the five games required a dramatic sudden death overtime period to determine a winner. This book takes an in-depth look at this exciting conclusion to the 1950-51 NHL season, as well as an examination of the two playoff semifinal series and a general overview of the goings on from the 210-game regular season, featuring many amusing anecdotes. As an added bonus, a special chapter discusses the short, life-baffling disappearance and untimely death of Toronto defenseman Bill Barilko, just four months after he notched the Cup-winning tally in April. Also examined is the recent controversy about who really possesses the historic puck with which Barilko scored his famous goal.
