Meditations from the Word of God Michael J. Akers,2014-03-18 There are many devotional books available containing brief daily inspirations that benefit all who read them This book is different in two respects The first is obvious it contains two readings per day 732 in all The second more important difference is that the author wanted to do more than offer inspiration this would make this book no different than so many others The messages in the book are study sketches in that the content is not only inspirational but also educational challenging and encouraging Most of these writings were based on author Michael J Akers s teaching of adult Bible studies for more than thirty years and learning what really brought adults to want to deepen their knowledge and application of the Word of God **The Conscience of Words** Susan Sontag,2001

The Words Bediuzzaman Said Nursi, The Words is the first volume of the Risale i Nur and consists of thirty three independent parts or Words which explain and prove aspects of the fundamental matters of belief These consist of such matters as God s existence and unity the manifestation of the Divine Names and attributes in creation the resurrection of the dead and the hereafter prophethood the miraculousness of the Qur an the angels the immortality of man s spirit Divine Determining fate or destiny together with such questions as the true nature of man and the universe and man s need to worship God Each subject is explained with comparisons and allegories and demonstrated with reasoned arguments and logical proofs The most profound aspects of the truths of belief which were formerly studied only by advanced scholars are explained in such a way that everyone even those to whom the subject is new may understand without difficulty This work answers brilliantly the attacks made on the Qur an in the name of science and philosophy and demonstrates the rationality of belief in God and logical absurdity of denial It shows too that man s happiness and salvation both in this world and the next lie only in belief in God and knowledge of God A Catholic Dictionary William Edward Addis,Thomas Arnold,1917 *Good Words* ,1882 Plugged-In to the Dynamic Word Larry Grabill,2012-06-21 We know that the Word of God is living and powerful with the potential to dramatically impact the heart for God The passages of the Bible enlighten and enliven us but most of us have a limited view of how the parts of the Word relate to each other What if we could have a comprehensive

grasp of the whole of Scripture so that we could see the big picture What if we could see the whole illuminated by the truths that bind the parts as one book Plugged in to the Dynamic Word familiarizes us with the thought form and allows us to see the parts of the Bible as a united message In this experience we can subject our hearts to the collective impact of the Word be more in touch with Gods basic thoughts and draw closer to the heart of God A builder could introduce the parts of a house to a totally uninformed person who could admire the straightness of the stud the massiveness of the floor joist the structure of the truss rafter and so on But only when he sees that each part is intended to connect to the other parts to form a house can he fully appreciate their value and joyfully look forward to having a home from the parts he originally admired Plugged in to the Dynamic Word shows the orderly connectivity of the parts of the Bible to portray a whole spiritual house of Gods truth and grace housing His people <http://youtu.be/Ih5UBqI74g> **Behind Closed Doors** Thirteen O'Clock Press,2014-05-08 Doors are fascinating from the normal house door hiding its multitude of secrets from the neighbours through the elegant crafted doors of high flying businesses in tower blocks where who knows what wheeling dealing goes on to the solid ancient lost in antiquity doors of churches behind which are hundreds of years of prayers and confessions and acts that are beyond the imagination of the average churchgoer Doors that say KEEP OUT and doors that invite you in Countless thousands of them all have their own reasons to be there and their own secrets to conceal The authors responded to the call for contributions with an incredible collection of murder and mayhem of bitterness and depravity and just about every other human emotion there is Open the door and walk in there are stories here to entertain and surprise you Enjoy **The Word of Truth** Dale Moody,1981-01-16 Bringing together the insights of several disciplines biblical theology modern science biblical criticism textual source form redaction historical theology and the history of doctrine Moody develops a systematic theology that is biblically grounded and ecumenically oriented Thoroughly indexed **The Heavenly Arcana which are Contained in the Holy Scriptures or Word of the Lord Unfolded, Beginning with the Book of Genesis** Emanuel Swedenborg,2025-08-03 Reprint of the original first published in 1840 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage **The Interpretation of the Scripture Passage, the "more Sure Word of Prophecy, &c.," 2 Peter, Chap. I., Verse 19, as Given by George Fox, William Penn, Robert Barclay, George Whitehead, Francis Howgill, Samuel Fisher, and James Parnel in Reply to Opposers**,1838 *The Study of Words* Richard Chenevix Trench,1904 [The Man of Galilee](#) Atticus G. Haygood,2022-09-16 In *The Man of Galilee* Atticus G Haygood delves deeply into the life and ministry of Jesus Christ exploring the profound social and cultural contexts of Galilee during the First Century Written in a lyrical and contemplative style Haygood s work blends theological reflection with historical analysis offering readers a vivid depiction of the socio political climate that framed Jesus s teachings The book draws on scriptural narratives while engaging critically with contemporary theological discourse positioning itself within the robust tradition of Christian thought that seeks

to elucidate the complexities of faith in a fractured world Atticus G Haygood a distinguished scholar and Methodist bishop was profoundly influenced by his commitment to education and social reform His background in theology and his linguistic prowess enable him to maneuver through ancient texts with a critical eye illuminating the spiritual and moral underpinnings of Jesus s mission Haygood s own experiences with social justice issues likely guided him to highlight the relevance of Jesus s teachings in addressing the challenges of his own time as well as ours This book is essential reading for anyone interested in deepening their understanding of Jesus s life and its implications for contemporary society Haygood s nuanced approach invites readers to engage with the text not only as a historical account but also as a source of ongoing inspiration and moral inquiry

The Stanford Dictionary of Anglicised Words and Phrases Charles August Maude Fennell,1892 **Trusting the Word and Nothing Else at All** Perry Toso,2018-11-15

Preaching is as dangerous and as exhilarating as careening down some class IV rapids It is dangerous because in the Old Testament God prescribed the death penalty for preaching one s own opinion when called to speak God s Word The pulpit is no casual or safe place But preaching is also exhilarating because God places his creative life giving word right into your mouth And though you don t know what will happen next something that God appointed will definitely happen when you the preacher say what God authorizes you to say This book is the result of over thirty years of wrestling with God s word It expresses some of my astonishment over how faithfully God acts through preaching that word Preaching is God s business Mostly the preacher needs to get out of the way and let God do the talking When that is the case your hearers will tell you about it and you will be less likely to miscarry in some of the myriad ways listed in this book Hopefully Luther s design for the way preachers bring that life giving word of promise will encourage and promote and once again bring the same world changing power that was let loose in the Reformation
