Captured by Evil Laura S. Underkuffler, 2013-05-21 One of the most powerful words in the English language corruption is also one of the most troubled concepts in law According to Laura Underkuffler it is a concept based on religiously revealed ideas of good and evil But the notion of corruption defies the ordinary categories by which law defines crimes categories that punish acts not character and that eschew punishment on the basis of religion and emotion Drawing on contemporary examples including former assembly woman Diane Gordon and former governor Rod Blagojevich this book explores the implications and dangers of maintaining such an archaic concept at the heart of criminal law [Index to Legal Periodicals & Books](#), 1999

views would constitute a second more sophisticated and informed measure of public opinion than traditional public opinion polls The next step would be the establishment of the People s House which would hold actual legislative power **Public Integrity** ,2000 **Controversies in American Public Policy** John A.
