we are indeed grateful to the Lord that we could be used by Him in this ministry I am very glad to learn that Prof Tan is publishing an updated e version of this book and believe sincerely that reading this book will bring many benefits to the readers Since his first visit to the Holy Land in 2000 Prof Tan has made many trips to the Holy Land in the past 20 years As a free independent traveler he has opportunity to make meaningful visits to most biblically related places in the Holy Land and this book is the product of his observations research and meditations during his visits to the Holy Land over the past 20 years Although today there are already many Chinese books about the Holy Land this book still has its own unique features and deserves to be carefully read by believers First of all this book can be regarded as a very comprehensive handbook for the travelers to the Holy Land and it serves both as a reference and a travel guide for those who are visiting the Holy Land The destinations described in this book cover almost every Christian must visit site in the Holy Land The author s explanation of each biblical site is very detailed including the historical geographical and cultural aspects as well as current background In addition the author provides many practical guidance and suggestions for the reader based on his own rich personal experiences The tips provided can also save first time visitors to the Holy Land from many unnecessary hassles including the trap of being deceived by unscrupulous tour guides This book can also be read as a devotional Readers not only read about the author s narratives of the scene and background of the biblical sites but also his pastoral teachings exhortations and relevant prayers For as an elder of the church Prof Tan always shares with readers the relevant biblical facts and teaching God s will and the love of Christ At almost every biblical site the author quotes appropriate Scripture to help the reader connect with the teaching of the Bible Believers who visit the Holy Land with this book in hand will feel that they not only enjoy the benefit of a personal guide to explain the significance and background of the biblical sites but also receiving sound teachings of the Bible by an Elder with spiritual understanding The last portion of the book reveals the author s deep concern for the salvation of God s chosen people as he exhorts believers to share God s desire for the redemption of the Jews May the apostle Paul s prayer become the prayer of every believers Brothers and sisters my heart s desire and prayer to God for the Israelites is that they may be saved Rom 10 1 This is also the burden that I share with the author Our life mission is to make people know Christ and fulfill the Great Commission through our speaking or writing and in this the Jews should have the priority because salvation is from the Jews as Paul says in Romans For I am not ashamed of the gospel for it is the power of God for salvation to everyone who believes to the Jew first and also to the Greek Rom 1 16 Therefore this book can be read from three different perspectives 1 As a Holy Land travel guidebook for Christian travelers 2 As a devotional aid for Christian spiritual discipline 3 As an introduction to Missions to the Jews I pray that the Lord may use this book as a blessing for every reader
