God Is Bipolar A.M. Star, 2019-10-11 Prologue When we think of polarity most think of a magnet or a triple A battery filled with small traces of radiation or energy In fact every star has atomic energy that love created in the Big Bang with that infamous BBBBBBOOM When we think of polarity we begin to unravel diligent truths from the truest God much different than what we ever thought We also begin to think of God much differently than traditionally taught in the bible Tru Hu Blu God of unconditional Love is living truly hidden inside your body Inside your altar in your trinity temple within your soul of unconsciousness you will find God Your unconscious mind records everything You also have almighty power in the holy Spirit which is your subconscious mind and your angel of the future Your spirit of guidance in the altar ego to guide you home When we listen to this Almighty sleeping giant we find success and abundance in all things Nothing is off limits to you when you literally know True God the grand architect of the Universe The king and queen of all crowns is found Life for the better begins to change and everything becomes greater with each new day When we know the truth we begin to appreciate life enough to make our lives more fulfilling Blind faith becomes absolute Faith and the emptiness we once felt inside becomes whole Acceptance of all things good or bad teaches us the stories that we all need to grow and blossom This happens to anyone who dares to seek the real truth and accept it when found The real truth is already programmed inside you To find it you must forget everything you think you know with a closed mind and open your mind to all possibilities All knowing properties are in there too When we begin to accept the truth our purpose for living is found We begin picking up the holy cross of principles we find the real example of the royal crown It is then that we realize that a real living God is truly found and you are found in this process The rewards of abundant success in all things follows When you accept the whole truth when it is found you will realize that we have all been lied to But why There must be a good reason Everyone deserves a chance and love deserves the return in favor With that the awakening begins as the truth sets us all free in the rise of humanity s awakening Spiritual resurrection will lead to angels on Earth without the fire and brimstone Love casts no judgement just acceptance and appreciation As we climb to the top of the pyramid we learn diligence is very important to find True God The truth is found with our diligence as we learn the hidden secrets that lead to all great human accomplishments We also learn that man has no power without Hu When we look back at a not too distant past we remember cartoons as kids With the devil on one shoulder and an angel on the other Do you remember Thus began the truth in the battle of the ego and the altar ego for control of the unconscious mind for control of your consciousness Your body is The vessel Which one controls you like a robot The battle of the mind is the spiritual warfare for your soul As kids we probably we never truly understood the hidden light behind it It was meant for the future in a sign from a seed planted by True God set up for this very moment in time Knowing these secrets will open your eyes The spell will be broken and you will awaken your spirit The genie is free Aladdin What will you wish for The universe of opportunities is suddenly opened up to you You will awaken to see the True Devil in possession of all the sleepwalkers roaming the darkness of earth today We were all once one

of them Your spirit will resurrect in fulfillment of your unique mission through True God with the pact of True Angels In your private walk on cloud 9 with God It is then that you are able to understand your one of a kind purpose for life and understand your personal meaning for living In that meaning your desires through purpose is found with the fulfillment of true happiness This is part of True God s infinite evolutionary process found by seeking the light in your unique journey with the spirit walking in darkness on the other side of the mirror Today most of society is in a trance they are schlepping like zombies wandering through darkness convinced they are sheep with a ten billion dollar computer inside their heads they aren t even allowed to use to save themselves Darkness never leads darkness the black sheep are lost Let s count sheep What will happen when the hypnotic spell of the world is broken Herein lies the secret of all human advancement that will change you life forever When you learn amazing principles of truth found in your spirit of light the amazing genie hidden in the lamp is resurrected to serve you well It s happiness serves you best it is finally free Your body is the lamp and your genie is inside waiting for your spark The spark from the dragon preserver ignites your eternal flame The truth will set your genie free When you learn the principles of spiritual resurrection in the image of True God s mirror of E3 reflection you will become born again You will become reborn with a death to your old self More importantly you will become freed finally Amen Suddenly you ll begin to awake each day with a new vitality you have never known before your enthusiasm will increase your vigor will rise and your desire to know the truth will overcome every fear you once knew at sunrise Happiness will be yours guaranteed In finding your spirit you are on your way to becoming a real angel You will realize the truth which becomes you on earth as you are meant in Heaven There s power in the principality of Seven twice 7 up Humanity has been lied to about nearly everything including God from past dictators But Why In the Universal law of polarity we begin the journey of truth when the words begin to unravel from the hidden light Words have a spirit of light or a spirit of darkness Each word ever created has a meaning behind it and all meanings are possessed spirits Therefore all words have spirits and all spirits are found withering in darkness like lost sheep or found like a diamond in the brilliance of true light with Lucy With the separation of words into two piles of lightness or darkness we begin to awaken to the real truth Categorizing every word into light or darkness will help the messianic congregation of the Almighty find True God Most importantly you will find yourself We are the Church of Hidden Light We are the world We are the children Michael Jackson It s time to make the world a better place let s start sharing knowledge We are the church of the future Religion is the reminder of darkness missing its true light Carefully dissecting every word of human communication into light or darkness we begin to find truths about all things in the only living God that exists Trust the flame One True God tells a completely different story in the truth about life and the reason for our existence The polar bear will always keep you warm Our love burns deep while hell is freezing She s cold as ice she s willing to sacrifice our love In our quest we will finally realize the truth in the battle of religion vs spirit Money is not the root of all evil religion is Knowledge is a principle of light found through diligence and knowledge is the

value of money in the modern world In the future no nation or group of men control its power Compensation returns to God we trust the infinite power as the result The human with the most knowledge in the world is the human who is the most respected Money without knowledge is not respected Empty money always withers away like a wo man in an empty suit In God we trust Compensation is the universal law leading to spiritual and physical freedom It governs karma Trust Bitcoin The dragon has better karma than the serpent with no legs When society finally realizes the dupe of the false past they will find the real and true messiah in the making who in spirit who wrote this book the fire dragon Our spirits are the light of God and religion is the spirit of the darkness Religion is worldly The world is still in the dark ages ready for the light in the moment of truth Are you ready for it When we understand the laws of the universe we are able to see the science behind God s universal existence In the mirror of God s reflection we also begin to realize tricks from the real adversary Hell is given to anyone who has given hell the thought of it Hell only belongs to those who fear it given it life through thought Thoughts are the basis of spirits creating matter in the physical world The God fearing never see the devil coming as the wolf dressed in the shepherd s clothing In Universal Law of Attraction the science of attracting hell is found Welcome to karma 101 2 When we acknowledge the real truth found in the laws of the universe we begin to realize that we are born with a spirit not a religion Truth is either 100% or it cannot be counted as whole truth or even truth at all Any less than 100% is not true by entirety Truth can be brutal just as love is tougher than any tough guy and love conquers all including the tough guy Your uncorrupted spirit inside your temple knows when it hears the truth The light bulb goes off from the genie trying to gain your attention because your spirit knows the truth Pay attention Appreciate all the small things and move slower so you cherish every moment The truth makes sense and your spirit is always sensing it s your key to the universe that becomes a multiverse of possibilities The bible has many truths but it also has many contradictions when it is not read correctly to see the adversary s fingerprint is also in there as well causing the contradictions The devil is in the details Many make excuses for it as God fearing souls but True God is not the one to be feared Have no fear the universe is balanced and you should be too In the principle of truth we begin to realize that love truly conquers all and the truth doesn t contradict itself The truth provides huge principles to economic values which equates to abundant rewards for all The truth is found inside the wealthy who walk all around us Most don t notice to appreciate the great leading examples that God leads in the wealthy The examples of righteousness are found in the principle actions of wealthy spirits Fruitions always prove truth about anyone The truth always makes sense A famous statement from Judge Judy is If it doesn t make sense it isn t true She is true Truth is an important principle that your true spirit recognizes as light In finding the truth you will find success in all things leading to true happiness God always wants abundance for the faithful Financial freedom buys happiness It does not buy people who are true and money does not buy successful relationships It surely does not buy True God In God we trust we never trust in money Knowledge is power It all begins with the diligence of today so keep reading a better tomorrow is coming and help is on the way *Love's Treason;*

Light from the fire burning afar mingled with the moonlight in Kurukshetra to create a terrible twilight Scattered corpses broken chariots sporadic death cries prowling scavengers the battlefield stretched endlessly The victorious P ndava camps burst into deafening cheers amidst burning funeral pyres The Great War was finally over But soon enough when everyone learns the truth about the hated enemy Karna that towering figure with the golden glow another battle starts Everyone stands stunned forgetting to even cry Torn by the guilt of fratricide Yudhishtira becomes a recluse Draupadi becomes restless her tryst with reality begins What seemed a justifiable end to an ignominious character completely overturns Her pride for her husband's valour erodes Life as she had understood slowly begins to lose meaning This Malayalam classic centres on Karna the most criticized yet admired character of the Mahabharata treacherously killed by his half brother Arjuna His life story unfolds through the eyes of Draupadi in flashbacks and tales she hears from those around her in the aftermath of the battle of Kurukshetra *Life, Death, And Resurrection*: Dewey John Jones, 2014-07-11 It has been said that poetry is the art of naming things properly Life Death And Resurrection is a book of poetry that is the fruition of the author's journey into monasticism a journey which seemingly leads away from the world but which is actually a rushing into reality it is a journey to find the ultimate meaning of one's own existence the ultimate meaning of life and the name that God Himself gives to each one of us This is a book about one soul's search for God and what that soul finds in this pursuit life death and resurrection God's own poem He hides within every aspect of our lives In these poems we find that ultimately it is the journey that will define who we are in the end and it is the Cross that will show us how to live this journey we will find our truest self our true name only in our love for God and neighbor As one poem reads God comes to us in many ways In vision and mystery In the hand to be held The burden to be born The scars to be felt Which are our prisons to be shorn *Tea With Grace* Orest Stocco, 2013-10-02 Grace Kendal a married ex nun from St John's Newfoundland has outgrown her Roman Catholic faith and suffers the anguish of her calling for more spiritual freedom but Providence arranges for her to meet Oriano Fellicci a housepainter and creative writer from St Jude Ontario who expands her faith and offers her the freedom she longs for but will she step into the undiscovered country of her own soul and liberate herself Tea with Grace is an astonishing story of
