The Dawning Of The Light Of Spiritualism

Arthur Conan Doyle

The Dawning Of The Light Of Spiritualism:

The Dawning of the Theosophical Movement Michael Gomes, 1987-01-01 Historical researcher Michael Gomes charts the dramatic origins of the theosophical movement one of the most influential philosophical systems to arise during the last hundred years In this skillfully woven story of the early years of theosophy the author re creates the key events involving Blavatsky Olcott and a small group of like minded occultists His account covers the publication of Blavatsky s occult encyclopedia *Isis Unveiled* concluding with the pilgrimage to India by the theosophical twins **The Vital Message** Arthur Conan Doyle, 1919 In *The New Revelation* the first dawn of the coming change has been described In *The Vital Message* the sun has risen higher and one sees more clearly and broadly what our new relations with the Unseen may be As I look into the future of the human race I am reminded of how once from amid the bleak chaos of rock and snow at the head of an Alpine pass I looked down upon the far stretching view of Lombardy shimmering in the sunshine and extending in one splendid panorama of blue lakes and green rolling hills until it melted into the golden haze which draped the far horizon Such a promised land is at our very feet which when we attain it will make our present civilisation seem barren and uncouth Already our vanguard is well over the pass Nothing can now prevent us from reaching that wonderful land which stretches so clearly before those eyes which are opened to see it That stimulating writer V C Desertis has remarked that the Second Coming which has always been timed to follow Armageddon may be fulfilled not by a descent of the spiritual to us but by the ascent of our material plane to the spiritual and the blending of the two phases of existence It is at least a fascinating speculation But without so complete an overthrow of the partition walls as this would imply we know enough already to assure ourselves of such a close approximation as will surely deeply modify all our views of science of religion and of life What form these changes may take and what the evidence is upon which they will be founded are briefly set forth in this volume The Dawning of the Light of Spiritualism Arthur Conan Doyle, 2005-12 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work Lights and Shadows in the Life of an Artisan Joseph Gutteridge, 1893 **Light** , 1927 **Shakespiritualism** J. Kahan, 2013-02-27 This study concerns itself with a now forgotten religious group Spiritualists and how their ensuing discussions of Shakespeare s meaning his writing practices his possible collaborations and the supposed purity and or corruption of his texts anticipated accompanied or silhouetted similar debates in Shakespeare Studies **Collected Works of Sir Arthur Conan Doyle (Delphi Classics)** Sir Arthur Conan Doyle, 2013-11-17 Finally the great literary giant Sir Arthur Conan Doyle receives the scholarly Delphi Classics treatment This comprehensive eBook offers the most complete edition possible Sir Arthur Conan Doyle s works in the US Features the most complete edition possible due to US copyright restrictions annotated with concise
