Pinocchio Goes Postmodern Richard Wunderlich,Thomas J. Morrissey,2014-04-04 In the first full length study in English of Carlo Collodi s The Adventures of Pinocchio the authors show how the checkered history of the puppet illuminates social change from the pre World War One era to the present The authors argue that most Americans know a trivialized diluted version of the tale one such source is Disney s perennial classic The authors also discover that when adults are introduced to the real story they often deem it as unsuitable for children Placing the puppet in a variety of contexts the authors chart the progression of this childhood tale that has frequently undergone dramatic revisions to suit America s idea of children s literature *Ethics And The Gulf War* Kenneth L. Vaux,2019-03-01 The war on the ground and in the air over Kuwait and Iraq was not the only Gulf War being fought in early 1990 George Bush and Saddam Hussein were also battling for public opinion and for the perception of legitimacy for their actions In this effort both men as well as their spokespersons appealed to the just war theory of their religious traditions In this perceptive and wide ranging book Kenneth Vaux elucidates the great just war traditions of Judaism Christianity and Islam evaluating the key events of the war in light of the religious rhetoric used by both sides From the first stirrings of conflict to its uncertain aftermath religious and ethical traditions played a major role in winning support not just for the U S and Iraqi peoples but of public opinion worldwide Throughout Vaux demonstrates the wide gaps between religious rhetoric and the political military action it has been called on to support *Ethics and the Gulf War* is not a typical ethical treatise Vaux understands ethical reflection to encompass history philosophy psychology ecology theology and eschatology His book is a valuable contribution to the understanding of the Gulf War and it is fascinating for scholars and laypersons coming to this subject from almost any area of interest John F. Kennedy Ian James Bickerton,2019-09-04 John F Kennedy A Reference Guide to His Life and Works cover all aspects of his life and work Despite his short tenure in office Kennedy shaped the domestic and international direction of the nation for decades to come He is remembered domestically for the hope and encouragement he instilled in the struggle for civil rights his support for the freedom riders and for equality for women Abroad his memory lives in his handling of the Cold War against an aggressive Soviet Union and such events as the Berlin crisis and Wall his intervention in the Vietnam War the invasion of Cuba and Bay of Pigs disaster the Cuban Missile crisis and the beginnings of space exploration all of which tested the young relatively inexperienced leader Includes a detailed chronology detailing John F Kennedy s life family and work The A to Z section includes family members his handling of the Cold War and such events as the Berlin crisis and Wall his intervention in the Vietnam War the invasion of Cuba and Bay of Pigs disaster the Cuban Missile crisis and the beginnings of space exploration

The bibliography includes a list of publications concerning his life and work The index thoroughly cross references the chronological and encyclopedic entries *Leo Strauss and His Legacy* John Albert Murley,2005-01-01 With over 10 000 entries identifying work of hundreds of Strauss s students and their students students this bibliography is the most indeed the only comprehensive guide to published writing in the tradition of Leo Strauss Murley includes Strauss s own complete bibliography and that of one of his most revered students George Anastaplo **The Apocalyptic Premise** Ernest W. Lefever (red.),E. Stephen Hunt,1982 This document contains 31 position papers that reflect a wide range of views on nuclear arms policy held by political leaders religious authorities scholars policy experts journalists and political activists Since no judgments are made the reader is left to decide which arguments are most compelling Each position paper is arranged into one of five sections Arms Control Issues The Peace Movement The Apocalyptic Premise The Churches and Nuclear Arms and Official Views Each essay is preceded by a brief introduction pointing out main themes and relating both complementary and opposing contributors to one another Also included is a chart showing the comparative strengths of NATO and Warsaw Pact forces in Europe a five part bibliography corresponding to the five divisions of the text and an index of names APG The Nuclear Deception Servando Gonzalez,2002 The event known as the Cuban missile crisis the greatest of all Cold War crises is a milestone in the history of the Cold War According to the author the main questions of the situation have eluded satisfactory answers because analysts have neglected the true Cuban role in the event particularly the Russo Cuban relations prior to the crisis **New Directions in Ethics** Joseph P. DeMarco,Richard M. Fox,2020-07-21 Originally published in 1986 this book examines the extent to which existing ethical theory can provide an adequate framework for the resolution of practical moral issues The contributors all leading moral philosophers provide an authoritative and comprehensive account of developments in ethical theory with emphasis on issues in applied ethics They explain the dominant ethical theories survey major field of applied ethics and speculate about the future of ethics *Historical Dictionary of the Kennedy-Johnson Era* Richard Dean Burns,Joseph M. Siracusa,2015-05-07 The recent commemoration of the fiftieth anniversary of John F Kennedy s election as the thirty fifth president of the United States serves as a reminder of a period of time that many Americans perceive as idyllic Just as his election despite a near run thing had instilled a pervasive sense of hope throughout the country his assassination stunned the entire nation scarring the psyche of a generation of Americans More than half a century later JFK continues to inspire debates about the effectiveness of the presidency as well as his own political legacy making the senator from Massachusetts the object of many enduring myths that he would have been one of the country s greatest leaders had he lived he would have kept the US out of a full fledged Vietnam war and that he was a martyr of right wing assassins His successor Lyndon B Johnson who did get the US deeply involved in Vietnam while pursuing the social reforms of the Great Society at home and abroad also casts a long shadow in the twenty first century as the nation continues to deal with poverty racism and social injustice This second edition of *Historical Dictionary of the Kennedy Johnson Era* covers its

history through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 300 cross referenced entries on important personalities including the president his advisors his family his opponents and his critics as well as members of Congress military leaders and international leaders This book is an excellent access point for students researchers and anyone wanting to know more about John F Kennedy **Waging Nuclear Peace** Robert

Ehrlich,1985-06-30 Waging Nuclear Peace is a clear and informative interdisciplinary survey of the issues surrounding nuclear war It raises and attempts to answer questions that often go unasked How can we measure the risk of nuclear war Will slowing the arms race reduce the risk of war Is disarmament desirable or undesirable in this respect Robert Ehrlich has succeeded in being as objective as possible while at the same time taking well defined positions on a wide range of subjects Yet the book does not purport to have the answers to the nuclear dilemma Instead it assists the reader in thinking through the issues and in coming to a personal conclusion Comprehensive in its scope Waging Nuclear Peace encompasses both technical issues such as the effects of nuclear weapons and policy issues such as arms control the nature of the arms race and the feasibility of civil defense It includes material on new findings concerning nuclear winter the catastrophic change in global climate that might follow a nuclear war **The Autobiography of a Schizoid Personality** Larry Polin,2019-09-18

This is the remarkable story of an individual who experienced severe stress starting in the womb Growing up in a highly dysfunctional family he used intellectualization as a defense against overwhelming emotional pain A high academic achiever this young man was on the Dean s List at Brown University when he suffered a catastrophic neurological collapse Labeled as schizophrenic he was on the verge of death as his twentieth birthday approached Starting to jog he avoided his demise Four years later this individual found psychoanalyst Erich Fromm s The Sane Society while browsing in a bookstore Unable to work or communicate normally with people he began a long intellectual odyssey which ultimately involved the reading of thousands of books about American society Miraculously transformed by a bodywork technique developed by Moshe Feldenkrais he continued to live with severe stress due to his lack of social skills and the crazy making institutions of an aggressive society Nine years after relearning to use his body properly this man discovered psychoanalyst Alice Miller s For Your Own Good Hidden Cruelty in Child rearing and The Roots of Violence Reading many other books about child abuse and human development he began to understand the reasons which had caused his ordeal This engrossing story is a unique combination of memoir and academic study People interested in psychology education human development American culture and social criticism will find much to ponder in it The Black Lizard Big Book of Black Mask Stories Otto

Penzler,2012-05-09 An unstoppable anthology of crime stories culled from Black Mask magazine the legendary publication that turned a pulp phenomenon into literary mainstream Black Mask was the apotheosis of noir It was the magazine where the first hardboiled detective story which was written by Carroll John Daly appeared It was the slum in which such American literary titans like Dashiell Hammett and Raymond Chandler got their start and it was the home of stories with titles like

Murder Is Bad Luck Ten Carets of Lead and Drop Dead Twice Collected here is best of the best the hardest of the hardboiled and the darkest of the dark of America s finest crime fiction This masterpiece collection represents a high watermark of America s underbelly Crime writing gets no better than this Featuring Deadly Diamonds Dancing Rats A Prize Fighter Fighting for His Life A Parrot that Wouldn t Talk Including Dashiell Hammett s The Maltese Falcon as it was originally published Lester Dent s Luck in print for the first time Political Returns John Evan Seery,2019-07-11 This book presents a theory of the politics of irony and tests this theory through readings of political theory texts and through an analysis of the politics of the contemporary anti nuclear movement and argues that political writing must be ironic
