The Day Of The Lord Activity:

The Day of the Lord Glen E. Derickson, 2018-07-23 The Day of the Lord is a sequel to Firestorm Recompense which depicts end time events from the opening of the first seal until the opening of the sixth seal and the Rapture of the saints The Day of the Lord displays the wrath of God which begins following the Rapture continues on through the Trumpet and Vial Judgments and culminates at the end of Armageddon The story carries the reader through the first six years of the millennium Have you ever pondered or dreamed of the answers to the mysteries placed before us in the prophecies we see in the Holy Scriptures I have **Quick and Fun Activities for Every Day of the Year** Teacher Created Resources, 2001-06

Command The Day Against Witchcraft Activities Tella Olayeri, 2020-12-04 This book is a package of in depth revelation on creation Each day of the week has spiritual language and command necessary to break new grounds build destiny and possess your possessions God fashioned you exactly like himself for exploits and impact He established school of creativity by divine arrangement He started creation but never finish but give us right to bring something out of what he created The fact is many lost out each day not knowing how to command the day and bring something good out of it Be liberated from dark days and seasons of spiritual stalemate Speak to the hearing of each day of the week It is good to command the day rather than fold your arms Open your mouth wide and command the day to unfold hidden treasures you must possess It is dangerous not to act Never sit on log of wood infested with soldier ants or place snake under your pillow while asleep What are you waiting for when you can command the day Get up stand up I say stand for your right Don't give up the fight Therefore declare war against powers denying you your daily right This book gives the answer **The Lord's Day in Scripture** Rodney D.

Nelson, 2019-09-18 What is the Christian Lord's Day Why is it of continued importance What does it represent These and other questions will be addressed in *The Lord's Day in Scripture* The Lord's Day is the scriptural name for the Christian day of worship on the first day of the week The Lord's Day is the Lord's Day the day of which the Lord Jesus Christ took possession by his resurrection on the first day of the week The day of Christ's resurrection was prophesied in the Old Testament to be on the third day fulfilled in the New Testament on the first day of the week and celebrated as the Lord's Day Therefore the time of the resurrection is directly connected to the event of the resurrection The Lord's Day in Scripture establishes the scriptural basis for the Lord's Day It seeks to help each Christian appreciate worship fellowship and meaning in church through a better understanding of what the Lord's Day is and is not *Is the Lord's Day for You?* Joseph A. Pipa, 2016-06-17 Is Lord's Day observance simply a quaint tradition that was nice for previous generations but really isn't relevant for Christians today Isn't the Sabbath just part of the Old Testament law that New Testament believers don't need to be concerned about In this pamphlet author Joseph Pipa carefully guides you through the Scriptures answering frequently asked questions about the Lord's Day along the way and helps you to see that the Lord's Day is for you not as a burden but as a blessing that will lead you to delight in God as you are freed from work and worldly pleasures to worship Him **A**

Devotion a Day , The Universal Eschatological Worship of Jesus Christ in Paul's Letter to the Philippians

Surif,2021-11-05 Philippians 2 6 11 is one of the most significant christological passages to appear in Paul's letters Placing these verses against the backdrop of the Roman imperial cult that flourished in Philippi Dr Surif moves beyond a humiliation vindication or obedience lordship paradigm to focus on the section's culmination in the universal eschatological worship of Christ Examining Paul's eschatological framework throughout Philippians as well as its tradition within Jewish literature more broadly Dr Surif explores the implications for Christians called to obedience suffering and holiness as active participants in God's work of salvation Ultimately Paul is reminding his readers that salvation does not culminate in the resurrection of the dead but the universal worship of Jesus Christ and it is for that worship that they are being prepared

A Year's Lessons on the Catechism John Harold Giles,1882 *Forensic Language and the Day of the Lord Motif in Second Thessalonians 1 and the Effects on the Meaning of the Text* Matthew D. Aernie,2011-09-16 In this book Matthew Aernie argues that Paul intentionally used forensic language allusions and idioms throughout 2 Thessalonians 1 in order to encourage the persecuted church to remain steadfast as they waited for their vindication at the final assize To support this thesis Aernie suggests that such judicial language and allusions are intertextual parallels originating primarily from the Day of the Lord motif found throughout the Old Testament and maintains that the Day of the Lord concept was understood by the author of the Thessalonian correspondence as a reference to the day when the Lord would render righteous verdicts upon those who had both obeyed and disobeyed him Furthermore Aernie argues that the author of 2 Thessalonians likely understood the Day of the Lord to be consummated at the Parousia of Christ when the final court would convene Therefore borrowing from the judicial concept apparent in the Day of the Lord motif Aernie concludes that the author utilized forensic language throughout 2 Thessalonians 1 to exhort the church to remain faithful amidst great opposition as they awaited their ultimate justification at God's eschatological tribunal **Children's Activities for the Christian Year** Delia

Living in the Language of God

Warner M. Bailey, 2017-06-27 Twenty first century Christians live in diaspora merely one voice among many without enjoying their once privileged place in society This is particularly the case for those who struggle to be a church that mirrors the capaciousness of God's grace We are assaulted by the venting of pent up furies which are stoked by profound anxieties over the loss of a cherished worldview and fear about an unacceptable but unstoppable future Frequently we struggle to speak an authentic word of God amidst the cross talk of many voices This book a canonical study of Hosea through Malachi called collectively The Book of the Twelve describes a biblical model of faithful speaking under similar circumstances It guides reaction to this loss toward intense engagement with Scripture and theology in order to sense again the meaning of speaking what is at the heart of faith God's unalterable commitment to continuing faithfulness with us From Sabbath to Lord's Day

D. A. Carson, 1999-11-05 A series of authors assert the premise that Sunday is a new day of worship that was chosen to commemorate the unique salvation historical event of the death and resurrection of Christ rather than merely being another day for celebrating the Sabbath
