home made wax wings and watched his son perish in the sea Now the four find themselves under attack from assassins sent by Kaltzas to punish the person who attacked his daughter Conflicting stories abound about Cassandra whether she was raped if she was perhaps murdered or if she and Pace somehow crossed paths even before the hospital In fact she may not even exist As the attacks persist the group is forced to face their own personal traumas and terrors and go in search of Kaltzas in Greece There on an island where fantasy myth and truth are all entangled Pace and his many alternates must sift through madness and deceit to unlock the mystery And everyone may wind up dead unless Pace willingly unleashes the most brutal killer of all Nightjack
