#### The Dead Will Arise Nongawuse And The Great Xhosa Cattle Killing Movement Of 1856 7:

The Dead Will Arise Jeffrey B. Peires, 1989 The Dead Will Arise is a book written at two levels It is both an exciting and gripping narrative and an extended analysis of the relation between religion and logic the impact of extreme situations on human behavior Anybody interested in Africa in religion or in the process of colonial domination will want to read and reread Citizens of the World Margit Warburg, 2018-08-14 Citizens of the World deals with the Baha is and their religion While covering the historical development in sufficient detail to serve as a general monograph on Baha i emphasis is laid on examining contemporary Baha i with the Danish Baha i community as a recurrent case The book discusses Baha i religious texts rituals economy everyday life demographic development mission strategies leadership and international activism in analyses based on primary material such as interview studies among the Baha is fieldwork data from the Baha i World Centre in Israel and field trips around the world The approach is a combination of history of religions and sociology of religion within a theoretical framework of religion and globalisation Several general topics in the study of new religions are covered The book contributes to the theoretical study of globalisation by proposing a new model for analysing globalisation and transnational religions Religions of South Africa (Routledge Revivals) David Chidester, 2014-06-27 First published in 1992 this title explores the religious diversity of South Africa organizing it into a single coherent narrative and providing the first comparative study and introduction to the topic David Chidester emphasizes the fact that the complex distinctive character of South African religious life has taken shape with a particular economic social and political context and pays special attention to the creativity of people who have suffered under conquest colonialism and apartheid With an overview of African traditional religion Christian missions and African innovations during the nineteenth century this reissue will be of great value to students of religious studies South African history anthropology sociology and political studies The Rise of **Conservation in South Africa** William Beinart, 2008-05-29 A major contribution to the environmental history of settler societies William Beinart's innovative study analyses the development of conservationalist ideas over the long term in South Africa examining them as a response to the rapid transformation of natural pastures brought about as the Cape became a major exporter of wool **Historical Companion to Postcolonial Literatures in English** Prem Poddar, 2019-08-07 This is the first reference guide to the political cultural and economic histories that form the subject matter of postcolonial literatures written in English The focus of the Companion is principally on the histories of postcolonial literatures in the Anglophone world Africa the Middle East South Asia South east Asia Australia and New Zealand the Pacific the Caribbean and Canada There are also long entries discussing the literatures and histories of those further areas that have also claimed the title postcolonial notably Britain East Asia Ireland Latin America and the United States The Companion contains 220 entries written by 150 acknowledged scholars of postcolonial history and literature covers major events ideas movements and figures in postcolonial histories long regional survey essays on historiography and women s histories Each entry provides a

summary of the historical event or topic and bibliographies of postcolonial literary works and histories Extensive cross references and indexes enable readers to locate particular literary texts in their relevant historical contexts as well as to discover related literary texts and histories in other regions with ease Ruling the World Alan Lester, Kate Boehme, Peter Mitchell, 2021-01-07 Reveals how the British Empire's governing men enforced their ideas of freedom civilization and Critical Readings in the History of Christian Mission Martha Frederiks, Dorottya liberalism around the world Nagy, 2021-06-22 This selection of texts introduces students and researchers to the multi and interdisciplinary field of mission history It apprises them with current discussions insights and theories The four parts of this book acquaint the readers with methodological considerations and recurring themes in the academic study of the history of mission Part one revolves around methods part two documents approaches while parts three and four consist of thematic clusters such as mission and language medical mission mission and education women and mission mission and politics and mission and art The text selection represents a wide variety of disciplines authors and backgrounds. The texts were chosen because they address the complexities involved in studying the history of Christian mission Critical Readings in the History of Christian Mission is suitable for course work and other educational purposes The Tongue Is Fire Harold Scheub, 1996-10-15 In the vears between the Sharpeville Massacre of 1960 and the Soweto Uprising of 1976 a period that was both the height of the apartheid system in South Africa and in retrospect the beginning of its end Harold Scheub went to Africa to collect stories With tape recorder and camera in hand Scheub registered the testaments of Swati Xhosa Ndebele and Zulu storytellers farming people who lived in the remote reaches of rural South Africa While young people fought in the streets of Soweto and South African writers made the world aware of apartheid s evils the rural storytellers resisted apartheid in their own way using myth and metaphor to preserve their traditions and confront their oppressors For more than 20 years Scheub kept the promise he made to the storytellers to publish his translations of their stories only when freedom came to South Africa The Tongue Is Fire presents these voices of South African oral tradition the historians the poets the epic performers the myth makers documenting their enduring faith in the power of the word to sustain tradition in the face of determined efforts to distort or eliminate it. These texts are a tribute to the storytellers who have always in periods of crisis exercised their art to inspire their own people **Plural Pasts** Arthur Alfaix Assis, 2023-12-14 What is history about This Element shows that answers centred on the keyword past events are incomplete even if they are not simply wrong Interweaving theoretical and historical perspectives it provides an abstract overview of the thematic plurality that characterizes contemporary academic historiography The reflection on different sorts of pasts that can be at focus in historical research and writing encompasses events as well as non events especially recursive social structures and cultural webs Some consequences of such plurality for discussions concerning historical methodology explanation exemplification and representation are also outlined The basic message reinforced throughout is that the great relevance of non event centred approaches should prompt us to talk more

about histories in the plural and less about history in the singular Images and Empires Paul Landau, Deborah D.

Kaspin, 2002-10-28 This volume considers the meaning and power of images in African history and culture It assembles a wide ranging collection of essays dealing with specific visual forms including monuments cinema cartoons domestic and professional photography body art world fairs and museum exhibits Riotous Deathscapes Hugo ka Canham, 2023-02-01 In Riotous Deathscapes Hugo ka Canham presents an understanding of life and death based on indigenous and black ways of knowing that he terms Mpondo theory Focusing on amaMpondo people from rural Mpondoland in South Africa's Eastern Cape Canham outlines the methodologies that have enabled the community's resilience and survival He assembles historical events and a cast of ancestral and living characters following the tenor of village life to offer a portrait of how Mpondo people live and die in the face of centuries of abandonment trauma antiblackness and death Canham shows that Mpondo theory is grounded in and develops in relation to the natural world where the river and hill are key sites of being and resistance Central too is the interface between ancestors and the living in which life and death become a continuity and a boundlessness that white supremacy and neoliberalism cannot interdict By charting a course of black life in Mpondoland Canham tells a story of blackness on the African continent and beyond Duke University Press Scholars of Color First Book Award Recipient

**Songs of Zion** James T. Campbell,1995-09-07 This is a study of the transplantation of a creed devised by and for African Americans the African Methodist Episcopal Church that was appropriated and transformed in a variety of South African contexts Focusing on a transatlantic institution like the African Methodist Episcopal Church the book studies the complex human and intellectual traffic that has bound African American and South African experience It explores the development and growth of the African Methodist Episcopal Church both in South Africa and America and the interaction between the two churches This is a highly innovative work of comparative and religious history Its linking of the United States and African black religious experiences is unique and makes it appealing to readers interested in religious history and black experience in both the United States and South Africa The Imperial Nation Josep M. Fradera, 2018-10-30 How the legacy of monarchical empires shaped Britain France Spain and the United States as they became liberal entities Historians view the late eighteenth and early nineteenth centuries as a turning point when imperial monarchies collapsed and modern nations emerged Treating this pivotal moment as a bridge rather than a break The Imperial Nation offers a sweeping examination of four of these modern powers Great Britain France Spain and the United States and asks how after the great revolutionary cycle in Europe and America the history of monarchical empires shaped these new nations Josep Fradera explores this transition paying particular attention to the relations between imperial centers and their sovereign territories and the constant and changing distinctions placed between citizens and subjects Fradera argues that the essential struggle that lasted from the Seven Years War to the twentieth century was over the governance of dispersed and varied peoples each empire tried to ensure domination through subordinate representation or by denying any representation at all The most

common approach echoed Napoleon's special laws which allowed France to reinstate slavery in its Caribbean possessions The Spanish and Portuguese constitutions adopted specialness in the 1830s the United States used comparable guidelines to distinguish between states territories and Indian reservations and the British similarly ruled their dominions and colonies In all these empires the mix of indigenous peoples European origin populations slaves and indentured workers immigrants and unassimilated social groups led to unequal and hierarchical political relations Fradera considers not only political and constitutional transformations but also their social underpinnings Presenting a fresh perspective on the ways in which nations descended and evolved from and throughout empires The Imperial Nation highlights the ramifications of this entangled history for the subjects who lived in its shadows The Princeton Guide to Historical Research Zachary Schrag, 2021-04-27 The essential handbook for doing historical research in the twenty first century The Princeton Guide to Historical Research provides students scholars and professionals with the skills they need to practice the historian s craft in the digital age while never losing sight of the fundamental values and techniques that have defined historical scholarship for centuries Zachary Schrag begins by explaining how to ask good questions and then guides readers step by step through all phases of historical research from narrowing a topic and locating sources to taking notes crafting a narrative and connecting one s work to existing scholarship He shows how researchers extract knowledge from the widest range of sources such as government documents newspapers unpublished manuscripts images interviews and datasets He demonstrates how to use archives and libraries read sources critically present claims supported by evidence tell compelling stories and much more Featuring a wealth of examples that illustrate the methods used by seasoned experts The Princeton Guide to Historical Research reveals that however varied the subject matter and sources historians share basic tools in the quest to understand people and the choices they made Offers practical step by step guidance on how to do historical research taking readers from initial questions to final publication Connects new digital technologies to the traditional skills of the historian Draws on hundreds of examples from a broad range of historical topics and approaches Shares tips for researchers at every skill level

A Bold Profession Leslie Anne Hadfield,2021-05-11 In rural South African clinics Black nurses were charged with administering life saving health care measures despite a lack of equipment and personnel often while navigating the intersections of traditional African healing practices and changing gender relations A Bold Profession is an homage to their dedication to the well being of their communities From Colonization to Democracy Alan Lester,1998-12-31 This account of the development of modern South African society seeks to establish the geographical and historical context in which change has taken place The author describes important historical continuities in South Africa which have shaped present society including social groupings and their stratification policital institutions the patterns of human geography economic structure and external links and influences Gender and Conversion Narratives in the Nineteenth Century Kirsten Rüther, Angelika Schaser, 2016-03-03 Addressing an important social and political issue which is still much debated today this

volume explores the connections between religious conversions and gendered identity against the backdrop of a world undergoing significant social transformations Adopting a collaborative approach to their research the authors explore the connections and differences in conversion experiences tracing the local and regional rootedness of individual conversions as reflected in conversion narratives in three different locations Germany and German missions in South Africa and colonial Australia at a time of massive social changes in the 1860s Beginning with the representation of religious experiences in so called conversion narratives the authors explore the social embeddedness of religious conversions and inquire how people related to their social surroundings and in particular to gender order and gender practices before during and after their conversion With a concluding reflective essay on comparative methods of history writing and transnational perspectives on conversion this book offers a fresh perspective on historical debates about religious change gender and social relations

Of Land, Bones, and Money Emily McGiffin, 2019-07-18 The South African literature of iimbongi the oral poets of the amaXhosa people has long shaped understandings of landscape and history and offered a forum for grappling with change Of Land Bones and Money examines the shifting role of these poets in South African society and the ways in which they have helped inform responses to segregation apartheid the injustices of extractive capitalism and contemporary politics in South Africa Emily McGiffin first discusses the history of the amaXhosa people and the environment of their homelands before moving on to the arrival of the British who began a relentless campaign annexing land and resources in the region Drawing on scholarship in the fields of human geography political ecology and postcolonial ecocriticism she considers isiXhosa poetry in translation within its cultural historical and environmental contexts investigating how these poems struggle with the arrival and expansion of the exploitation of natural resources in South Africa and the entrenchment of profoundly racist politics that the process entailed In contemporary South Africa iimbongi remain a respected source of knowledge and cultural identity Their ongoing practice of producing complex spiritually rich literature continues to have a profound social effect contributing directly to the healing and well being of their audiences to political transformation and to environmental The Life and Adventures of Eli Wiggill Jay H. Buckley, Hunter T. Hallows, 2024-04-09 The autobiography of Eli justice Wiggill offers a captivating narrative of one family s journey from Gloucester England to South Africa and eventually to Salt Lake City during the mid nineteenth century Eli and Susannah Wiggill's conversion to The Church of Jesus Christ of Latter day Saints in South Africa serves as a focal point in their remarkable story Eli s retelling vividly portrays their steadfast faith missionary efforts and the challenges they faced as pioneers in establishing communities of South African Saints From their immigration to South Africa to their eventual migration to Zion the Wiggills experiences offer valuable insights into the early history of the Church and the global gathering of its members With meticulous attention to detail The Life and Adventures of Eli Wiggill South African 1820 Settler Wesleyan Missionary and Latter day Saint presents Wiggill's original manuscript enriched with extensive footnotes providing context and clarity This publication aims to rectify previous shortcomings by

preserving the integrity of Wiggill's narrative while enhancing accessibility for contemporary readers. It not only chronicles a remarkable transnational journey but also sheds light on themes of faith perseverance and the pioneering spirit making it a compelling read for historians scholars and anyone interested in the early history of The Church of Jesus Christ of Latter day Saints and the global migration of its members. An ABC of Queen Victoria's Empire Antoinette Burton, 2017-01-12 An ABC of Queen Victoria's Empire offers a provocative rewriting of Mrs Ernest Ames ABCs for Baby Patriots 1899 Whimsically illustrated for the nursery or primary school child Ames book demonstrates how deeply imperialism reached into popular culture during Victoria's reign This book presents a rather darker view of Victoria's empire beginning with the wars in Afghanistan and ending with Zam Zammeh the large bore cannon that Kipling's hero sat astride at the opening of his 1901 novel Kim It signposts some of the key events concepts places and people that shaped the turbulent ground of empire across the long 19th century providing a serious counterweight to the notion of imperial conquest as child's play With each letter accompanied by a crisp yet historically nuanced account of its subject this unique account is the perfect primer for students taking courses on global imperial and British history
