Don't Ask Me If I Love Amos Kollek, 2014-04-01 Don't Ask Me If I Love is the story of a young man who hates war but serves faithfully in his country's army. He loves his parents but can no longer care about the things that are important to them. He is a citizen of a religious state but questions many of its precepts. In need of someone to give meaning to his life, he falls in love with an American girl. He is Assaf Ryke, one of the new Israelis of the 1960s. Moving from a discotheque in Jerusalem to the beach at Caesarea, from a shabby flat in Tel Aviv to an apartment in London. Don't Ask Me If I Love is a novel of love and alienation in a country not normally associated with the generation gap.

Sea Legs Paul T. Gillcrist, 2000 Sea Legs is a collection of nautical aviation vignettes covering the thirty-three year naval career of the author, beginning in the US Naval Academy, naval flight training, fleet squadron and test pilot duties as he advanced to the grade of Rear Admiral. The stories include his early fleet squadron experience as a nugget pilot on USS Oriskany, his selection to be a Navy test pilot including the account of his first ejection from an out-of-control test aircraft, his fleet experience in a fighter squadron based on the USS Lexington during the Cuban Missile Crisis and later on the USS Shangri-La in the Mediterranean. This tour was followed by three cruises in the Tonkin Gulf on the USS Ticonderoga during which he ejected for the second time, USS Hancock and USS Bonhomme Richard during which he flew 167 combat missions over Vietnam for which he was awarded seventeen combat decorations. The vignettes also follow him through tours of duty in the Pentagon and CINCLANTFLT staff including his stint as the lead pilot in the movie *Tora Tora Tora* flying off of USS Yorktown. Many of these vignettes are humorous, a few tragic, but all are exciting and serve to give the reader a good idea of what US naval carrier aviation was all about in the latter half of the 20th century.

**The Invisible City** Pete Hamill, 2013-02-06 In this collection of thirty-four sketches, the author captures the extraordinary range of people, experiences, places, and feelings that is New York City, the city behind the glamorous facade of Manhattan inhabited by people who remember when this was a great, big, wonderful town and they were young in its streets. These sketches, many based on actual incidents taken as their subject, the smaller dramas of mankind, the chance encounters and random episodes that inform one's life, often twisting suddenly, surprisingly, at the end, they convey strong feelings in little space. Using all of New York as his broad canvas, Pete Hamill recreates the baffling array of human emotions from sadness and nostalgia to hope and love with affection, grace, and wry understanding.
