**The Decalogue in the Sermon on the Mount** Dan Liroy, 2004 In this work Dan Liroy first investigates the biblical concept of the law He then conducts a thoroughgoing analysis of the Decalogue and the Sermon on the Mount He gives particular attention to the connection between these two great bodies of biblical literature The result is a comprehensive study that argues for the enduring relevance of the moral law This volume is appropriate for personal study and is also suitable as a college and seminary text Parables and Rhetoric in the Sermon on the Mount Ernst Baasland, 2015-07-27 Parable research has to a large degree ignored the Sermon on the Mount SM and for its part research into the SM has likewise left the parables by the wayside However the use of parabolic language in more than one third of the SM influences its interpretation and indeed opens up a new approach to it In the current volume Ernst Baasland focuses on this important factor whilst also taking the rhetoric of Jesus teaching into consideration The author maintains that rhetorical features have a great bearing on the interpretation of the text with the overall structure illuminating the entire composition of the sermon Fresh insights into its oration therefore serve to challenge the source problem in a new way The religious and philosophical settings of this most well known of Christ's preachings are clarified by its parables and rhetoric and the sermon's Jewish background has often been investigated While the author continues with that particular task he simultaneously affords more emphasis to the parallels in Greek Hellenistic literature The combining of all these factors leads to a clearer comprehension of the Sermon on the Mount's philosophy of life and provides a better understanding of this classical text *America Versus the Ten Commandments* Michael K. Abel, Brent J. Schmidt, 2022-11-11 Ongoing debates about gay marriage abortion religious freedom and many other issues remind us that a culture war is now being waged over what it means to be moral in America calling into question biblical ideals that have shaped American society for hundreds of years Some claim that the moral traditions of the past are oppressive and outdated while others believe they are the only hope to save a morally declining nation It is in this context that the question motivating this book emerged To what extent do Americans keep the Ten Commandments sometimes called the Decalogue How prevalent in America are adultery dishonesty theft murder coveting and other behaviors prohibited in Judeo-Christian tradition How much do Americans really focus on God honor their parents and keep the Sabbath Day holy This book explores the historical context and meaning of each commandment in order to compare ancient understandings of right and wrong to those of modern America and then examines its compliance Analysis of adherence to each of the Ten Commandments using data collected from tens of thousands of Americans paints an engaging picture of their commitment to the morals of the Decalogue In contrast to most books exploring moral issues this one does not tell readers what to think about the evidence Rather it encourages them to carefully consider the information and come to their own conclusions about the moral virtue or depravity of US society Readers may use the evidence found in this book to satisfy curiosity settle bets shape public policy create sermons stimulate conversation or even better to

understand human nature They will come away equipped with knowledge that will encourage self reflection and increased understanding of twenty first century American morality **Jesus and Disability** Chris H. Hulshof,2022-07-01 Jesus and Disability provides a blueprint for how churches and their leaders can become disability friendly serving those in the church and in the broader community **American Book Publishing Record** ,2003 **Rhetorical Analysis** Roland Meynet,1998-03-01 The analysis of biblical rhetoric has been developed only in the last 250 years The first half of this book outlines the history of the method known as rhetorical analysis in biblical studies illustrated by numerous texts The work of Lowth who focused on parallelism Bengel who drew attention to chiasmus Jebb and Boys the method s real founders at the turn of the nineteenth century and Lund the chief exponent in the mid twentieth century are all discussed as is the current full blooming of rhetorical analysis The second half of the book is a systematic account of the method testing it on Psalms 113 and 146 on the first two chapters of Amos and many other texts especially from Luke Translated by Luc Racaut **Le décalogue au miroir des Pères** Rémi Gounelle,Jean-Marc Prieur,Françoise Vinel,2008 *A Monthly List of All New Books Published in Great Britain* ,1844 **Index to Jewish Periodicals** ,2005 An author and subject index to selected and American Anglo Jewish journals of general and scholarly interests Theologische Literaturzeitung ,2005 Library of Congress Catalog Library of Congress,1970 Beginning with 1953 entries for Motion pictures and filmstrips Music and phonorecords form separate parts of the Library of Congress catalogue Entries for Maps and atlases were issued separately 1953 1955 *Library of Congress Catalogs* Library of Congress,1976 **The Best in Theology** James Innell Packer,1986 Deutsche Nationalbibliographie und Bibliographie der im Ausland erschienenen deutschsprachigen Veröffentlichungen ,2004 **General Catalogue of Printed Books to 1955** British Museum. Dept. of Printed Books,1967 **New-Church Messenger** ,1911 The Compact Edition of the Oxford English Dictionary Sir James Augustus Henry Murray,1971 Micrographic reproduction of the 13 volume Oxford English dictionary published in 1933 The Sermon on the Mount in the Light of the Temple John W. Welch,2009 No religious text has influenced the world more than has the New Testament s Sermon on the Mount and yet this crucial text still begs to be more clearly understood This book offers new insights by seeing it in the shadow of the all pervasive Temple in Jerusalem which dominated the religious landscape of the world of Jesus and his earliest disciples Analyzing Matthew 5 7 in light of biblical and Jewish backgrounds ritual studies and oral performances in early Christian worship this reading coherently integrates every line in the Sermon and positions it as the premier Christian mystery The Sermon on the Mount Frank J. Matera,2013 Taking his cue from Saint Augustine who once described the Sermon on the Mount as the perfect measure of the Christian life Frank Matera provides an exposition of the sermon that draws out its implications for daily life Written for readers who want to know how they ought to live out their discipleship today this volume shows how the sermon summons all believers to single minded devotion and wholehearted service to God This lively and engaging commentary is an ideal resource for adult education and Bible study groups as well

as for individuals looking to deepen their discipleship      **Sermon on the Mount** John Stott, 2000-07-25 What does it mean to seek first the kingdom of God in our relationships values ambitions finances and commitments Jesus answer to these questions amazed those who first heard the Sermon on the Mount In this twelve session LifeGuide Bible Study you ll dig deep into his startling and challenging message the greatest sermon ever preached
