Richard Steele Sir Richard Steele, 1894 **Redescribing Moral Agency in Sirach, 4QInstruction, and the Hodayot** World Kim, 2025-05-15 This book presents the first comprehensive comparison of how moral agency is constructed in Sirach 4QInstruction and the Hodayot World Kim argues that recent scholastic studies have overemphasized differences amongst various Second Temple texts and neglected the similarities

between them By employing four stages of comparison description juxtaposition re description and rectification Kim re describes moral agency in Sirach 4QInstruction and the Hodayot and aims to rectify the relationship between these texts Kim demonstrates that moral agency cannot be described by categories such as affirmation or denial and argues that such agency should instead be described in terms of degrees and shaped by various factors such as knowledge and desire that will either decrease or increase moral agency Through an extensive comparison of these texts Kim concludes that the degree to which one internalizes and actualizes the teachings of their religious text increases one s capacity for moral agency and that this agency must be conceived as dynamic rather than static **The Deed of Paksenarrion** Elizabeth Moon,2001-10-01

Bowman,2002-01-01 Donna Bowman utilizes the work of process thinker Alfred North Whitehead to develop a doctrine of election that dialogues with the view of Reformed theologian Karl Barth Taking seriously Barth s contention that election is the best of all words that can be spoken about God Bowman reinterprets Whitehead s description of God s provision of the initial aim to each entity as the central cosmological and theological fact of universal election By combining Barth s concerns with process categories she concludes that both systems are aimed at common theological and philosophical enemies

The Malleus Maleficarum Revised Heinrich Kramer James Sprenger,2019-08-26 The Malleus Maleficarum is probably one of the most notorious books of Catholic Church history Originally put out when the Inquisition was in full force this book and the text it contains condemned thousands of innocent people to needless deaths Most of what today s society and culture thinks of the witches and the occult comes from these pages Although this text is largely misguided and inaccurate from even a scriptural standpoint the fact remains that it has molded our views on those who practice occult arts in many ways Take a look into the past Get a cold taste of the past within these pages Now in larger print Holiness in Christ Clarence
