**Selected Letters of Norman Mailer** Norman Mailer,2014-12-02 A genuine literary event an illuminating collection of correspondence from one of the most acclaimed American writers of all time Over the course of a nearly sixty year career Norman Mailer wrote more than 30 novels essay collections and nonfiction books Yet nowhere was he more prolific or more exposed than in his letters All told Mailer crafted more than 45 000 pieces of correspondence approximately 20 million words many of them deeply personal keeping a copy of almost every one Now the best of these are published most for the first time in one remarkable volume that spans seven decades and it seems several lifetimes Together they form a stunning autobiographical portrait of one of the most original provocative and outspoken public intellectuals of the twentieth century Compiled by Mailer s authorized biographer J Michael Lennon and organized by decade Selected Letters of Norman Mailer features the most fascinating of Mailer s missives from 1940 to 2007 letters to his family and friends to fans and fellow writers including Truman Capote James Baldwin and Philip Roth to political figures from Henry Kissinger to Bill and Hillary Clinton and to such cultural icons as John Lennon Marlon Brando and even Monica Lewinsky Here is Mailer the

precocious Harvard undergraduate writing home to his parents for the first time and worrying that his acceptances by literary magazines were all happening too easy Here too is Mailer the soldier confronting the violence of war in the Pacific which would become the subject of his masterly debut novel *The Naked and the Dead* I'm amazed how casually it fits into daily life how very unhorrible it all is Mailer the international celebrity pledges to William Styron I'm going to write every day and like *Lot's Wife* I'm consigning myself to a pillar of salt if I dare to look back while the 1980s Mailer agonizes over the fallout from his ill fated friendship with Jack Henry Abbott the murderer who became his literary protégé The continuation of our relationship was depressing for both of us he confesses to Joyce Carol Oates At last he finds domestic and erotic bliss in the arms of his sixth wife Norris Church We bounce into each other like sunlight Whether he is reflecting on the Kennedy assassination assessing the merits of authors from Fitzgerald to Proust or threatening to pummel William Styron the brilliant pugnacious Norman Mailer comes alive again in these letters The myriad faces of this artist and activist lover and fighter public figure and private man are laid bare in this collection as never before Praise for *Selected Letters of Norman Mailer* Extraordinary Vanity Fair As massive as the life they document the autobiography Mailer never wrote a kind of map from the hills and rice paddies of the Philippines through every victory and defeat for the rest of the century and beyond *Esquire* The shards and winks at Mailer's own past that are scattered throughout the letters are so tantalizing They glitter throughout like unrefined jewels that Mailer took to the grave *The New Yorker* Indispensable a subtle document of an unsubtle man's wit and erudition even or especially when it's wielded as a weapon New York Umpteen pleasures to pluck out and roll between your teeth like seeds from a pomegranate *The New York Times* [Railroad Gazetteer](#) ,1899 **The Cinema of Norman Mailer** Justin Bozung,2017-09-07 *The Cinema of Norman Mailer* Film is Like Death not only examines the enfant terrible writer's thoughts on cinema but also features interviews with Norman Mailer himself *The Cinema of Norman Mailer* also explores Mailer's cinema through previously published and newly commissioned essays written by an array of film and literary scholars enthusiasts and those with a personal philosophical connection to Mailer This volume discusses the National Book Award and Pulitzer Prize winning author and filmmaker's six films created during the years of 1947 and 1987 and contends to show how Mailer's films can be best read as cinematic delineations that visually represent many of the writer's metaphysical and ontological concerns and ideas that appear in his texts from the 1950s until his passing in 2007 By re-examining Mailer's cinema through these new perspectives one may be awarded not just a deeper understanding of Mailer's desire to make films but also find a new alternative vision of Mailer himself Norman Mailer was not just a writer but more he was one of the most influential Postmodern artists of the twentieth century with deep roots in the cinema He allowed the cinema to not only influence his aesthetic approach but sanctioned it as his easiest crafted analogy for exploring sociological imagination in his writing Mailer once suggested Film is legitimately more interesting than books and with that in mind readers of Norman Mailer might begin to rethink his oeuvre through the viewfinder of the film medium as he was equally as

passionate about working within cinema as he was about literature itself
