Cecil B. DeMille's Hollywood Robert S. Birchard, 2004-06-29 A look at the wide ranging work of the Golden Age genius who made *The Ten Commandments* and other blockbusters and helped found the American film industry Cecil B DeMille's Hollywood is a detailed and definitive chronicle of the director's screen work that changed the course of film history and a fascinating look at how movies were actually made in Hollywood's Golden Age Drawing extensively on DeMille's personal archives and other primary sources Robert S Birchard offers a revealing portrait of DeMille the filmmaker that goes behind studio gates and beyond DeMille's legendary persona In his forty five year career DeMille's box office record was unsurpassed and his swaggering style established the public image for movie directors He had a profound impact on the way movies tell stories and brought greater attention to the elements of decor lighting and cinematography Best remembered today for screen spectacles such as *The Ten Commandments* and *Samson and Delilah* DeMille also created Westerns realistic chamber dramas and a series of daring and highly influential social comedies while setting the standard for Hollywood filmmakers and demanding absolute devotion to his creative vision from his writers artists actors and technicians Far and away the best film book published so far this year National Board of Review

The Lost World of DeMille John Kobal, 2019-10-25 Longlisted for the 2020 Moving Image Book Award by the Kraszna Krausz Foundation As only an accomplished author consummate collector and savvy insider can John Kobal tells the story of the man who invented Hollywood Cecil Blount DeMille 1881-1959 Kobal narrates the story of DeMille's life and follows the director's career from his first film *The Squaw Man* in 1914 through the seventy films he directed culminating with *The Ten Commandments* in 1956 before his death in 1959 Even that first film received an enthusiastic response from the public and that popular enthusiasm would follow DeMille throughout his career DeMille got his start by observing a film being shot once standing for hours on a box looking through a window watching every move made by the director players and cameraman From that humble beginning he soon mastered the craft of directing and created one of show business's greatest careers Autocrat and artist DeMille immersed himself totally in each picture he directed and demanded complete fealty from his casts and crews DeMille was said to know more about what the American public wanted than anyone else in Hollywood He pushed the boundaries of censorship and audiences responded by forming long lines at the box office From the American West to ancient Egypt he created such magical films as *The Crusades* and *The Greatest Show on Earth* that brought vividly to life fantasies perfectly suited to post World War I and mid century America Kobal describes DeMille's impact on Hollywood as a director and showman He argues that this master filmmaker stands for something largely lost in American filmmaking a sort of naïve generous big thinking self confidence a belief that all things are possible John Kobal wrote over thirty books on

film and photography His final manuscript *The Lost World of DeMille* was completed shortly before his death in 1991 It is published at last by University Press of Mississippi **Blood Lines** Nelson DeMille,Alex DeMille,2025-10-28 In this highly entertaining New York Times bestseller from Nelson DeMille and Alex DeMille Army CID Special Agents Brodie and Taylor are the modern warriors the world needs Bookreporter and they re on the hunt for the cold blooded murderer of one of their fellow agents Army Criminal Investigation Agents Scott Brodie and Maggie Taylor have been separated for five months following their last assignment a dangerous mission in Venezuela to locate and detain an infamous Army deserter Now in Berlin they are reunited and tasked with investigating the murder of one of their own CID Special Agent Harry Vance of the 5th MP Battalion an accomplished counterterrorism agent who had been stationed in western Germany and whose body was discovered in a city park in the heart of Berlin s Arab refugee community The authorities suspect this is an act of Islamic terrorism but Brodie and Taylor soon believe there is more to this case The reason for Vance s presence in Berlin is unknown and as Brodie and Taylor work to discover what the murder victim was doing in the days and weeks preceding his death they become immersed in the many conflicts and contradictions of modern Germany the Arab refugee crisis the dark legacy of the Cold War and the Stasi secret police and the imminent threats of a rising neo Nazi movement At the same time they are butting heads with the authorities both German and American and facing a possible threat from American intelligence agents who fear that Brodie and Taylor might have learned too much about US clandestine operations during their mission in Venezuela Ultimately Brodie and Taylor realize that the murder of Harry Vance was merely the prelude to a much more sinister future event unless they can unravel the mystery in time to stop it *Sacred Profanity* Aubrey Malone,2010-02-26 This book offers a history of films with Biblical spiritual and supernatural themes This volume follows the evolution of one of the Hollywood s longest running thematic concerns From the silent era to the present *Sacred Profanity* Spirituality at the Movies examines the rich diversity of films with spiritual themes films that reflect our own fascination with the divine and supernatural while evoking the specific times in which they were created From *Birth of a Nation* to *Angels and Demons* *Sacred Profanity* discusses over 180 films with an insightful movie lover s approach Coverage encompasses Biblical stories like *King of Kings* films about spiritual characters such as *The Nun s Story* foreign masterpieces like *The Seventh Seal* movies that incorporate spiritual symbolism such as *Taxi Driver* and *Cool Hand Luke* horrifying visions of the Satanic like *The Exorcist* and controversial works like *The Last Temptation of Christ* The book also looks at the history of Hollywood s attempt to maintain moral order through censorship as well as the growing influence of filmmakers own spiritual beliefs on the movies we see **Empire of Dreams** Scott Eyman,2010-09-07 BEST KNOWN AS THE DIRECTOR of such spectacular films as *The Ten Commandments* and *King of Kings* Cecil B DeMille lived a life as epic as any of his cinematic masterpieces As a child DeMille learned the Bible from his father a theology student and playwright who introduced Cecil and his older brother William to the theater Tutored by impresario David Belasco DeMille discovered how audiences responded to showmanship

sets lights costumes etc He took this knowledge with him to Los Angeles in 1913 where he became one of the movie pioneers in partnership with Jesse Lasky and Lasky's brother in law Samuel Goldfish later Goldwyn Working out of a barn on streets fragrant with orange blossom and pepper trees the Lasky company turned out a string of successful silents most of them directed by DeMille who became one of the biggest names of the silent era With films such as The Squaw Man Brewster's Millions Joan the Woman and Don't Change Your Husband he was the creative backbone of what would become Paramount Studios In 1923 he filmed his first version of The Ten Commandments and later a second biblical epic King of Kings both enormous box office successes Although his reputation rests largely on the biblical epics he made DeMille's personal life was no morality tale He remained married to his wife Constance for more than fifty years but for most of the marriage he had three mistresses simultaneously all of whom worked for him He showed great loyalty to a small group of actors who knew his style but he also discovered some major stars among them Gloria Swanson Claudette Colbert and later Charlton Heston DeMille was one of the few silent era directors who made a completely successful transition to sound In 1952 he won the Academy Award for Best Picture with The Greatest Show on Earth When he remade The Ten Commandments in 1956 it was an even bigger hit than the silent version He could act too in Billy Wilder's classic film Sunset Boulevard DeMille memorably played himself In the 1930s and 1940s DeMille became a household name thanks to the Lux Radio Theater which he hosted But after falling out with a union he gave up the program and his politics shifted to the right as he championed loyalty oaths and Sen Joseph McCarthy's anticommunist witch hunts As Scott Eyman brilliantly demonstrates in this superbly researched biography which draws on a massive cache of DeMille family papers not available to previous biographers DeMille was much more than his clichéd image A gifted director who worked in many genres a devoted family man and loyal friend with a highly unconventional personal life a pioneering filmmaker DeMille comes alive in these pages a legend whose spectacular career defined an era
