The Depth Of My Darkness The Radiance Of My Essence:

The Depth of My Darkness, the Radiance of My Essence Regina Rosier, 2002-03-27 Do you think that you are invincible No one is What would you do if you had it all then suddenly it s all taken away from you Would you sink or swim Reena was faced with that at a young age and managed to survive the odds despite not having help from her mom If placed in this same dilemma would you be strong enough to survive Reflections of a Poet B.O. Durodola, 2012-02-16 This book captures the essence of my journey to growth and maturity as a humble man who loves and obeys OUR FATHERS WORD as I prove HIS perfect WILL and walk in accordance to HIS WAYS it reflects my faith and articulates my love for the living GOD and challenges anyone to question the void within them to love any other It personifies the complexity of my state of mind as I wonder the face of this Earth seeking to please GOD and I have found myself asking guestions about my moments in time that quintessentially embeds choice strengths weaknesses order and faith into the essence of my being Missing Pieces of Your Life E. Rosier Regina E. Rosier, Regina Rosier, 2010-04 Bailey a beautiful African American teenager grew up in Brooklyn NY s Red Hook projects in the mid 1960 s and had more than her share of hurdles to leap over Her mother was admitted into an insane asylum because of her inability to get over the guilt of a childhood incident Her world was shattered when she received a call from the asylum notifying her of her mother s death The suspicious circumstances were vague and sadly she was never provided with a valid reason Bailey later personally experienced some of the asylum s underhanded dealings Other tragedies befall Bailey that causes her to lose touch with her best friend and eventually with her own daughter Bailey normally confronted her dilemmas and moved beyond them but plagued by depression her mental state started to decline and she ended up in an insane asylum not knowing whether or not she would ever leave the place alive and see loved ones again This emotionally overwhelming novel chronicles Bailey's challenges which includes heartbreak and homelessness Is she strong enough to ultimately overcome any obstacle that stands in her way Does she ever get out of the insane asylum and reconnect with lost ties from her past Beyond the Light Barrier Elizabeth Klarer, 2009-06-06 Beyond the Light Barrier is the autobiographical story of Elizabeth Klarer a South African woman and Akon an astrophysicist from Meton a planet of Proxima Centuri that at a distance of about 4 3 light years is our nearest stellar neighbor Elizabeth was taken in his spaceship to Meton where she lived with him and his family for four months and where she bore his child Her life on Meton is fascinatingly described Akon brought Elizabeth back to Earth after the birth of their son and continued to visit her thereafter Akon explained how his spaceship's light propulsion technology operated and how it allowed him and his people to travel across vast interstellar distances This technology is explained in detail in the book Elizabeth was given a standing ovation at the 11th International Congress of UFO Research Groups at Weisbaden in 1975 and her speech as guest of honor was applauded by scientists of twenty two nations Light Technology Publishing is proud to bring you the long awaited American edition in both hard copy and electronic format of Beyond the Light Barrier which was first published in
