The Sayings of the Desert Fathers ,2023-12-15 Give me a word Father visitors to early desert monks asked The responses of these pioneer ascetics were remembered and in the fourth century written down in Coptic Syriac Greek and later Latin Their Sayings were collected in this case in the alphabetical order of the monks and nuns who uttered them and read by generations of Christians as life giving words that would help readers along the path to salvation *The Desert Christian* ,1980 **The Sayings of the Desert Fathers** ,1975 *The sayings of the Desert Fathers* ,1975 An Introduction to the Desert Fathers Jason Byassee,2007-08-15 The desert fathers wanted to get away from a church co opted by empire and a Christian faith grown cold and listless They retreated to the desert to do battle against demons and against their own worst desires They had no intention of being famous yet ironically their Sayings have inspired millions of imitators over the centuries This guide is meant to accompany a reading of the Sayings of the Desert Fathers in hopes that readers with lives quite different than those third and fourth century dwellers of the Egyptian desert might nevertheless come to imitate their lives of poverty chastity and obedience and more importantly that readers might grow more imaginative and passionate in their following of the same Lord **Desert Christians** William Harmless,2004-06-17 In the fourth century the deserts of Egypt became the nerve center of a radical new movement what we now call monasticism Groups of Christians from illiterate peasants to learned intellectuals moved out to the wastelands beyond the Nile Valley and in the famous words of Saint Athanasius made the desert a city In so doing they captured the imagination of the ancient world They forged techniques of prayer and asceticism of discipleship and spiritual direction that have remained central to Christianity ever since Seeking to map the soul s long journey to God and plot out the subtle vagaries of the human heart they created and inspired texts that became classics of Western spirituality These Desert Christians were also brilliant storytellers some of Christianity s finest This book introduces the literature of early monasticism It examines all the best known works including Athanasius Life of Antony the Lives of Pachomius and the so called Sayings of the Desert Fathers Later chapters focus on two pioneers of monastic theology Evagrius Ponticus the first great theoretician of Christian mysticism and John Cassian who brought Egyptian monasticism to the Latin West Along the way readers are introduced to path breaking discoveries to new texts and recent archeological finds that have revolutionized contemporary scholarship on monastic origins Included are fascinating snippets from papyri and from little known Coptic Syriac and Ethiopic texts Interspersed in each chapter are illustrations maps and diagrams that help readers sort through the key texts and the richly textured world of early monasticism Geared to a wide audience and written in clear jargon free prose Desert Christians offers the most comprehensive and accessible introduction to early monasticism The Anonymous Sayings of the Desert Fathers ,2013-05-02 The Tales and Sayings of the Desert Fathers Apophthegmata Patrum are a key source of evidence for the practice and theory respectively of eremitic monasticism a significant phenomenon within the early history of Christianity

The publication of this book finally ensures the availability of all three major collections which constitute the work edited and translated into English Richer in Tales than the Alphabetic collection to which this is an appendix both to be dated c AD 500 the Anonymous collection presented in this volume furnishes almost as much material for the study of the late antique world from which the monk sought to escape as it does for the monastic endeavour itself More material continued to be added well into the seventh century and so the spread and gradual evolution of monasticism are illustrated here over a period of about two and a half centuries
