Deep Pantheism Robert S. Corrington, 2015-12-09 This book is a study in a new form of religious naturalism called Deep Pantheism which has roots in American Transcendentalism but also in phenomenology and Asian thought It argues that the great divide within nature is that between nature naturing and nature natured the former term defined as Nature creating itself out of itself alone while the latter term defined as The innumerable orders of the World Explorations are made of the connections among the unconscious of nature the archetypes and the various layers of the human psyche The Selving process is analyzed using the work of C G Jung and Otto Rank Evolution and involution are compared as they relate to the Encompassing and the priority of art over most forms of religion is argued for A Companion to the Works of Alfred Döblin Roberta L. Krueger, Roland Dollinger, Wulf Koepke, Heidi Thomann Tewarson, 2010 A volume of carefully focused essays illuminating the works of one of the leading 20th century German writers Alfred D blin 1878 1957 was one of the great German Jewish writers of the 20th century a major figure in the German avant garde before the First World War and a leading intellectual during the Weimar Republic D blin greatly influenced the history of the German novel his best known work the best selling 1929 novel Berlin Alexanderplatz has frequently been compared in its use of internal monologue and literary montage to James Joyce s Ulysses and John Dos Passos s Manhattan Transfer D blin s oeuvre is by no means limited to novels but in this genre he offered a surprising variety of narrative techniques themes structures and outlooks D blin s impact on German writers after the Second World War was considerable G nter Grass for example acknowledged him as my teacher And yet while Alexanderplatz continues to fascinate the reading public it has overshadowed therest of D blin's immense oeuvre This volume of carefully focused essays seeks to do justice to such important texts as D blin's early stories his numerous other novels his political philosophical medical autobiographical and religious essays his experimental plays and his writings on the new media of cinema and radio Contributors Heidi Thomann Tewarson David Dollenmayer Neil H Donahue Roland Dollinger Veronika Fuechtner Gabriele Sander Erich Kleinschmidt Wulf Koepke Helmut F Pfanner Helmuth Kiesel Klaus M ller Salget Christoph Bartscherer Wolfgang D sing Roland Dollinger is Associate Professor of German at Sarah Lawrence College Wulf Koepke is Professor Emeritus of German at Texas A Heidi Thomann Tewarson is Professor of German at Oberlin College Precocious Children and Childish Adults Claudia Nelson, 2012-07-02 Especially evident in Victorian era writings is a rhetorical tendency to liken adults to children and children to adults Claudia Nelson examines this literary phenomenon and explores the ways in which writers discussed the child adult relationship during this period Though far from ubiquitous the terms child woman child man and old fashioned child appear often enough in Victorian writings to prompt critical questions about the motivations and meanings of such generational border crossings Nelson carefully considers the use of these terms and connects invocations of age inversion to developments in post Darwinian scientific thinking and attitudes about gender roles social class sexuality power and economic mobility She brilliantly analyzes

canonical works of Charles Dickens Charlotte Bront William Makepeace Thackeray Bram Stoker and Robert Louis Stevenson alongside lesser known writings to demonstrate the diversity of literary age inversion and its profound influence on Victorian culture By considering the full context of Victorian age inversion Precocious Children and Childish Adults illuminates the complicated pattern of anxiety and desire that creates such ambiguity in the writings of the time Scholars of Victorian literature and culture as well as readers interested in children's literature childhood studies and gender studies will welcome The Ultimate Truth Ellen Hardwick, 2017-04-04 Marcus has special this excellent work from a major figure in the field skills that he is only just aware of He can directly connect with the energy of the universe and his new crystal is capable of amplifying that energy and transmitting it into anything he programs it to The Ultimate Truth is the final book in Ellen Hardwick's trilogy which follows Jane and Mark a couple with extraordinary spiritual abilities. The reader rejoins Jane and Mark as they are reconnected with people from a former life and as a result are forced to confront the events of the past in order to save the future There is much you do not know and much is hidden from you You will need to be on your guard Ancient events are rising Past lives are converging This will be the lifetime to change the outcome or face destruction When Mark is coerced into creating a powerful crystal with the power to harness the energy of the universe Jane receives a warning that disastrous events are about to unfold She has a vision of her past life in Atlantis where Mark created a similar crystal and unintentionally attracted the energy of an approaching star causing the destruction of the ancient city As events are repeated in the modern world only Jane has the power to change the outcome Will she be able to stop history from repeating itself or will the world be destroyed just like the city of Atlantis Inspired by The Celestine Prophecy and the work of Stephen King and Michael Critchen The Ultimate Truth weaves Ellen's experience of spiritual work into an adventure story The book touches on the popular topics of Atlantis and Lemuria and will appeal to readers who enjoy spiritual fiction as well as fans of Ellen's previous books Circle Thinking Carrie Pemberton, 2002-12-01 This volume traces the origins of the Circle of Concerned African Women Theologians a group of African women theologians established in the 1980s It is a movement which has been dedicated to research publication and support of African women The book traces a struggle against excluding and alienating practices from Western missionary tradition and African cultural transpositions in contemporary Church and society The theology of advocacy which has emerged encourages African women to develop theologies of empowerment from their histories and struggles and addresses the multiple crises which the continent faces The problems of culture ethics and post colonialism are explored in the issues surrounding ubiquitous violence against women on the continent and the continuation of clitoridectomy as an enduring strategy for making gender and clan for some African peoples An Outline of Occult Science Rudolf Steiner, 1914 Men of Valor! Women of Virtue! Richard G Fenner, 2007-06 Today's world has a great need for a simple method to build character and integrity in daily life Men of Valor Women of Virtue is a fresh approach in understanding how to gain control of ones deepest values whether starting fresh or

having to recover from the past It is a primer to all daily relationships and a road map to discover your true self as you were wonderfully created Take the journey into Valor and Virtue then watch the world as you know it make a positive change before your eyes God loves every piece of you and has had a purpose in your life from the beginning of time He is not the architect of our shortcomings He is the creator of our healings In 1983 God ordered up Richard Fenner for ministry and he surrendered himself to a lifetime service to God He sought out the direct will of his sovereign Heavenly Father and through the next 24 years as an ordained minister went through the fires of faith to temper his steel in ministries to a lost world His purpose is to Love the Lord God with all his heart His mission is to seek out the lost and lead them to a saving knowledge of Jesus Christ His practice is in freedom of worship His method is contemporary in style and His message is fundamental in the Gospel of Gods redemptive and regenerative power through his Son Jesus Christ and his empowering by the gift of the Holy Ghost into an eternal relationship that sets all believers free and gives them eternal life in heaven Considering satan already defeated Bishop Richard Fenner marches forward to seek out the lost and set the captive free through Gods Divine Grace and Authority He is a pioneer and a pastor to the world American Overdose Kent I. Phillips, 2019-07-24 American Overdose is a three part treatise written to provide the who what when where and why about our national crisis addiction Book 1 American Overdose discusses the ways in which opioids are dangerous and are the source of the expansion of addiction in the USA how the pushers target suburbia and the rural communities and the frightening growth rate Book 2 Treatment Talk is a must read for those considering treatment It explores what is available what works what to expect and do s and don ts Book 3 Killing Family covers the ways in which everything changes when addiction comes to visit the family This book is written to help everyone in the family live a healthier life and to know how to adapt
