to capture the beauty of the Alps to revive Venice as a subject and to follow in Byron's footsteps through the Rhine country. While he was commercially successful for most of his career, Turner's personal life remained fraught. His mother suffered from mental illness and was committed to Bedlam. Turner never married but had several long-term mistresses and illegitimate daughters. His erotic drawings were numerous but were covered up by prurient Victorians. After his death, Turner's late impressionistic work was held up by his Victorian detractors as an example of a creeping madness. Affection for the artist's work soured John Ruskin, the greatest of all 19th-century art critics, did what he could to rescue Turner's reputation but Turner's very last works confounded even his greatest defender. TURNER humanizes this surprising genius while placing him in his fascinating historical context. Franny Moyle brilliantly tells the story of the man to give us an astonishing portrait of the artist and a vivid evocation of Britain and Europe in flux. Decimal Mark Kimmel, 2004-08 From not enough space and too many things to not knowing what color to paint the living room walls, many of us struggle with our homes. Now Maxwell Gillingham Ryan, frequent makeover expert on HGTV's *Mission Organization and Small Spaces Big Style*, shares the do-it-yourself strategies that have enabled his clients and fans to transform their apartments into well-organized beautiful places that suit their style and budget. *Week by Week Apartment Therapy* will guide you to treat common problems, eliminate clutter, and revamp even the tiniest space. One goal with this report has been to identify obstacles for organizing joint programmes on master level. The Nordic Council of Ministers has until now financed in co-operation with universities 23 Nordic Master Programmes. Minimum of three higher education institutions develop joint programmes that will attract both Nordic and non-Nordic students. The report gives an overview of the legislation in relation to joint degrees in the Nordic countries. It also has recommendations for the Nordic Master Programme and offers separate thematic documents like a template for a joint diploma. The report will hopefully serve as a practical guide book for those in the process of planning or building up joint master programmes. Hopefully the report also makes a contribution to developing other international joint programmes. *The Determined Amish Bachelor* Samantha
