### **The Developing Person A Life Span Approach:**

The Developing Person Through the Life Span (paper) Kathleen Stassen Berger, 2004-03-26 The new edition of The Developing Person Through the Lifespan combines theory and the most up to date research with practical illustration in order to engage readers in the study of development It addresses the fundamental issues from a chronological point of view and covers the entirety of the lifespan not just infancy or adolescence The book's enhanced pedagogy works alongside the author's lively narrative voice to ensure that this edition remains as user friendly if not more so than its predecessors

**The Developing Person Through the Life Span** Kathleen Stassen Berger, 2022-11-29 Kathleen Berger's critically praised bestseller connects developmental psychology theory research and applications to the lives students actually live

**The Developing Person Through the Life Span Study Guide** Richard O. Straub, 2004-04-30 This study guide is designed for use with The Developing Person Through the Life Span Sixth Edition by Kathleen Stassen Berger It is intended to help students evaluate their understanding of that material and to review any problem areas Sections such as How to Manage Your Time Efficiently Study more effectively and Think Critically provide detailed instructions on how to use the textbook Each chapter includes a Chapter Overview a set of Guided Study questions a Chapter Review section and three review tests Preface

*The Study Guide for Developing Person Through the Life Span* Kathleen Stassen Berger, 2007-12-24 This seventh edition comes with a significant revision of cognitive development through childhood revised and updated chapters on adolescence and more attention to emerging and early adulthood

The Developing Person Through the Life Span Kathleen Stassen Berger, 2005 The Developing Person Through the Life Span Sixth Edition presents theory research practical examples and policy issues in a way that inspires students to think about human development and about the individual's role in the community and the world Review the new edition and you'll find Berger's signature strengths on display the perceptive analysis of current research the lively and personal writing style and the unmistakable commitment to students You'll also find a wealth of new topics plus a video based Media Tool Kit that takes the teaching and learning of human development to a new level

*The Developing Person Through the Life Span* Kathleen Stassen Berger, 2011-02-18 The seventh edition comes with significant revision of cognitive development throughout childhood revised and updated chapters on adolescence and more attention to emerging and early adulthood It is a thorough revision with new research on everything from genetics to the timing of puberty including brain development life span disorders and cultural diversity It also includes new learning features promoting critical thinking revision and application product description

*Life-span Development* Leonie Sugarman, 2004-03-01 This thorough revision of the highly successful first edition of Life Span Development offers the reader a wide ranging and thought provoking account of human development throughout the lifespan The lifespan approach emphasises that development does not stop when we cease to be adolescents but goes on throughout adulthood and into old age In initial chapters Leonie Sugarman outlines the issues surrounding the notion of development

and how it can be studied including reviews of the work of key theorists Erikson Levinson and Gould She goes on to consider the different ways in which the life course can be construed as a series of age related stages as a cumulative sequence as a series of developmental tasks as a series of key life events and transitions or as a narrative construction which creates a sense of dynamic continuity A final chapter looks at how people cope the resources that are available and the theoretical and practical issues regarding interventions to assist them in the process New to this edition is increased coverage of the topical issue of successful ageing and a new chapter on the increasingly popular narrative approach to lifespan development This edition is also more student friendly with exercises in self reflection that encourage the reader to look at the development of their own lives or those of their current or future clients Boxed material highlighting major theories and clarifying concepts is also included This book will be invaluable for students of developmental and occupational psychology and professionals in the fields of health management education and social work

The Developing Person Through Childhood and Adolescence Kathleen Stassen Berger,2005-10-19 This text presents theory research practical examples and controversial issues in a way that inspires students to think about development addressing the individual s role in both the community and the wider world This second edition contains revised chapters on adolescence and new research into brain development
