The Development Of The Modern Flute:

The Development of the Modern Flute Nancy Toff, 1979-01-01 **The History and Process of the Development of the Modern Flute** Sarah E. Vitullo, 2013 The flute has gone through many phases of development starting from its early form to the modern model which is played today Though many important flute makers composers and musicians were part of this process Johann Joachim Quantz and Theobald Boehm were the two major contributors to the flute s technological developments The flute started as a simple tube with holes to which keys were progressively added by Quantz Boehm completely redesigned the flute to enable the performer to cover more holes than the human hand fingers alone are capable Although the work of Quantz and Boehm took time to become accepted the developments have become an integral part of what is now known as the modern flute **My Complete Story of the Flute** Leonardo De Lorenzo, 1992 New edition of classic study includes Lorenzo s three addenda and new bibliographic and biographic material [A Dictionary for the Modern Flutist](#) Susan J.
