## **The Dhow An Illustrated History Of The Dhow And Its World:**

**The Dhow** Clifford W. Hawkins, 1977      [The Life of the Red Sea Dhow](#) Dionisius A. Agius, 2019-04-04 Few images are as evocative as the silhouette of the Arab dhow as under full sail it tacks to windward on glittering waters of Red Sea before moving across the face of the rising or setting sun In this authoritative new book Dionisius A Agius one of the foremost scholars of Islamic material culture offers a lucid and wide ranging history of the iconic dhow from medieval to modern times Traversing the Arabian and African coasts he shows that the dhow was central not just to commerce but to the vital transmission and exchange of ideas Discussing trade and salt routes shoals and wind patterns spice harvest seasons and the deep and resonant connection between language memory and oral tradition this is the first book to place the dhow in its full and remarkable cultural contexts      *The Sea in World History* Stephen K. Stein, 2017-04-24 This two volume set documents the essential role of the sea and maritime activity across history from travel and food production to commerce and conquest In all eras water transport has served as the cheapest and most efficient means of moving cargo and people over any significant distance Only relatively recently have railroads and aircraft provided an alternative Most of the world's bulk goods continue to travel primarily by ship over water Even today 95 percent of the cargo that enters and leaves the United States does so by ship Similarly people around the world rely on the sea for food and in recent years the sea has become an important source of oil and other resources with the longterm effects of our continuing efforts to extract resources from the sea further highlighting environmental concerns that range from pollution to the exhaustion of fish stocks This chronologically organized two volume reference addresses the history of the sea beginning with ancient civilizations 4000 to 1000 BCE and ending with the modern era 1945 to the present day Each of the eight chapters is further broken down into sections that focus on specific nations or regions offering detailed descriptions of that area of the world and shorter entries on specific topics individuals and events The book spans maritime history covering major seafaring peoples and nations famous explorers travelers and commanders events battles and wars key technologies including famous ships important processes and ongoing events such as piracy and the slave trade and more Readers will benefit from dozens of primary source documents ranging from ancient Egyptian tales of seafaring to texts by renowned travelers like Marco Polo Zheng He and Ibn Battuta that provide firsthand accounts from the age of discovery as well as accounts of battle from World War I and II and more modern accounts of the sea      **The Story of Swahili** John M. Mugane, 2015-07-15 Swahili was once an obscure dialect of an East African Bantu language Today more than one hundred million people use it Swahili is to eastern and central Africa what English is to the world From its embrace in the 1960s by the black freedom movement in the United States to its adoption in 2004 as the African Union's official language Swahili has become a truly international language How this came about and why of all African languages it happened only to Swahili is the story that John M Mugane sets out to explore The remarkable adaptability of Swahili has allowed Africans and others to tailor the language to their needs

extending its influence far beyond its place of origin Its symbolic as well as its practical power has evolved from its status as a language of contact among diverse cultures even as it embodies the history of communities in eastern and central Africa and throughout the Indian Ocean world The Story of Swahili calls for a reevaluation of the widespread assumption that cultural superiority military conquest and economic dominance determine a language s prosperity This sweeping history gives a vibrant living language its due highlighting its nimbleness from its beginnings to its place today in the fast changing world of global communication

**Power over Peoples** Daniel R. Headrick, 2012-06-28 A major history of technology and Western conquest For six hundred years the nations of Europe and North America have periodically attempted to coerce invade or conquer other societies They have relied on their superior technology to do so yet these technologies have not always guaranteed success Power over Peoples examines Western imperialism s complex relationship with technology from the first Portuguese ships that ventured down the coast of Africa in the 1430s to America s conflicts in the Middle East today Why did the sailing vessels that gave the Portuguese a century long advantage in the Indian Ocean fail to overcome Muslim galleys in the Red Sea Why were the same weapons and methods that the Spanish used to conquer Mexico and Peru ineffective in Chile and Africa Why didn t America s overwhelming air power assure success in Iraq and Afghanistan In Power over Peoples Daniel Headrick traces the evolution of Western technologies from muskets and galleons to jet planes and smart bombs and sheds light on the environmental and social factors that have brought victory in some cases and unforeseen defeat in others He shows how superior technology translates into greater power over nature and sometimes even other peoples yet how technological superiority is no guarantee of success in imperialist ventures because the technology only delivers results in a specific environment or because the society being attacked responds in unexpected ways Breathtaking in scope Power over Peoples is a revealing history of technological innovation its promise and limitations and its central role in the rise and fall of empire Some images inside the book are unavailable due to digital copyright restrictions

**Our Blue Planet: An Introduction to Maritime and Underwater Archaeology** Ben Ford, Jessi J. Halligan, Alexis Catsambis, 2020-04-07 Our Blue Planet is a comprehensive introduction to the field of maritime and underwater archaeology Situating the field within the broader study of history and archaeology this book advocates that an understanding of how our ancestors interacted with rivers lakes and oceans is integral to comprehending the human past

**The Indian Ocean** Michael N. Pearson, 2003-09-02 In this stimulating and authoritative overview Michael Pearson reverses the traditional angle of maritime history and looks from the sea to its shores its impact on the land through trade naval power travel and scientific exploration This vast ocean both connecting and separating nations has shaped many countries cultures and ideologies through the movement of goods people ideas and religions across the sea The Indian Ocean moves from a discussion of physical elements its shape winds currents and boundaries to a history from pre Islamic times to the modern period of European dominance Going far beyond pure maritime history this compelling survey is an invaluable addition to political cultural and economic world history

**Bahrain's Surviving Dynasty** Mohamed Matar, 2023-06-30 The Al Khalifa of Bahrain is a long standing dynasty that has established dispute resolution measures to overcome intra tribal ambitions for power and wealth replacing extra constitutional rulership succession with primogeniture Since their control over Bahrain began in 1783 until the British withdrawal from the Gulf in 1971 the Al Khalifa introduced ten senior ruling shaykhs seven of whom experienced turbulent successions and faced in house rivalries and power seeking disputes This book provides valuable insights into how the Al Khalifa tribe managed to shape and maintain their patrimonial rule for over 240 years ultimately emerging as one of the most prevailing and enduring royal families in the region today It delves into their strategies and tactics for overcoming local contexts external challenges and intra tribal rivalries The book is an essential read for anyone interested in the history and politics of Bahrain and the Gulf region

*Sailors, Slaves, and Immigrants* A. Stanziani, 2014-09-04 Slaves convicts and unfree immigrants have traveled the oceans throughout human history but the conventional Atlantic World historical paradigm has narrowed our understanding of modernity This provocative study contrasts the Atlantic conflation of freedom and the sea with the complex relationships in the Indian Ocean in the long 19th century

The Blood-red Arab Flag Charles E. Davies, 1997 During the years 1797 1820 the Qasimi Arabs or Qawasim inhabitants of the present day United Arab Emirates acquired an enduring reputation as ruthless pirates Some of their victims flew the British flag and thus their actions were to provide the initial stimulus and justification for 150 years of British involvement in the Gulf Recently however it has been doubted whether the Qawasim were in fact pirates In a scholarly but accessible account founded on contemporary sources illustrated with testimonies of eye witnesses and participants this book sets out to decide this controversial question By making use of valuable and hitherto untapped archival material Charles Davies strongly evokes a flavour of life in the Gulf in this turbulent and formative period in the Gulf's history This book represents the first in depth investigation into this controversial subject It is based on original research and helps to explain why the Gulf is as it is today

**The Cambridge History of Southeast Asia** Nicholas Tarling, 1999 This history covers mainland and island Southeast Asia from Burma to Indonesia Volume I is from prehistory to c1500 Volume II discusses the area's interaction with foreign countries from c1500 c1800 Volume III charts the colonial regimes of 1800 1930 and Volume IV is from World War II to 1999

*Indian Ocean Slavery in the Age of Abolition* Robert W. Harms, Bernard K. Freamon, David W. Blight, 2013-12-17 While the British were able to accomplish abolition in the trans Atlantic world by the end of the nineteenth century their efforts paradoxically caused a great increase in legal and illegal slave trading in the western Indian Ocean Bringing together essays from leading authorities in the field of slavery studies this comprehensive work offers an original and creative study of slavery and abolition in the Indian Ocean world during this period Among the topics discussed are the relationship between British imperialism and slavery Islamic law and slavery and the bureaucracy of slave trading

**Ocean of Trade** Pedro Machado, 2014-11-06 Ocean of Trade offers an innovative study of trade production and consumption across the Indian Ocean

between the years 1750 and 1850 Focusing on the V niy merchants of Diu and Daman Pedro Machado explores the region s entangled histories of exchange including the African demand for large scale textile production among weavers in Gujarat the distribution of ivory to consumers in Western India and the African slave trade in the Mozambique channel that took captives to the French islands of the Mascarenes Brazil and the Rio de la Plata and the Arabian peninsula and India In highlighting the critical role of particular South Asian merchant networks the book reveals how local African and Indian consumption was central to the development of commerce across the Indian Ocean giving rise to a wealth of regional and global exchange in a period commonly perceived to be increasingly dominated by European company and private capital

**Oman and Muscat** Patricia Risso,2016-02-12 During the early modern period Oman held a key position in the trade routes whereby the Muslim world dominated indigenous trade in the Indian Ocean In the second half of the eighteenth century Oman broke free from foreign political control and became the dominant economic and naval force in the western Indian Ocean and the Gulf This was a golden age for Omanis when their economic power and political prestige were at their height This study first published in 1986 presents a detailed comprehensive history of this important period and includes tribal politics the role of religion and Oman s relations with neighbouring areas such as Persia and East Africa The era ends with the political and maritime pressures exerted on Oman by Britain and France and the territorial pressures exerted by the Wahhabi Arabians

**The Longest Journey** Eric Tagliacozzo,2013-04-25 A comprehensive history of the hajj from Southeast Asia from precolonial times to the present

**Muslim Society and the Western Indian Ocean** Edward Simpson,2007-01-24 Based on substantial ethnographic textual and archival research this interesting book offers a new perspective on the anthropology of the western Indian Ocean Writing in a clear engaging style and covering an impressive range of theoretical terrain Simpson critically explores the relationships between people and things that give life to the region and drive shifting patterns of social change among Muslims in the highly politicized state of Gujarat Scholars of the Indian Ocean Muslim society in South Asia and Hindu nationalism as well as anthropologists in general will find this a fascinating read and a major contribution to research in this area

**East Sails West** Stephen Davies,2013-12-01 In December 1846 the Keying a Chinese junk purchased by British investors set sail from Hong Kong for London Named after the Chinese Imperial Commissioner who had signed away Hong Kong to the British manned by a Chinese and European crew and carrying a travelling exhibition of Chinese items theKeying had a troubled voyage After quarrels on the way and a diversion to New York culminating in a legal dispute over arrears of wages for Chinese members of the crew it finally reached London in 1848 where it went on exhibition on the River Thames until 1853 It was then auctioned off towed to Liverpool and finally broken up In this account of the ship the crew and the voyage Stephen Davies tells a story of missed opportunities with an erratic course overambitious aims and achievements born of lucky breaks a microcosm in fact of early Hong Kong and of the relations between China and the West
