The Dial Arts And Letters In The 1920s:

The Dial Gaye L. Brown, 1983-04-28 Gathers drawings paintings poems stories essays about philosophy and literary criticism and book reviews **The Dial - Arts and Letters in the 1920's** Worcester Art Museum, 1981 **The Dial** Worcester Art Museum, 1981 **The Dial; Arts and Letters in the 1920s** Gaye L. Brown, **American Sculpture in the Metropolitan Museum of Art: A catalogue of works by artists born between 1865 and 1885** Metropolitan Museum of Art (New York, N.Y.), Lauretta Dimmick, Donna J. Hassler, 1999 Volume One This volume catalogues the distinguished and comprehensive collection of approximately 400 works of American sculpture by artists born before 1865 This publication includes an introduction on the history of the collection's formation particularly in the context of the Museum's early years of acquisitions and discusses the outstanding personalities involved Metropolitan Museum of Art website Masterpieces of European Painting, 1800-1920, in the Metropolitan Museum of Art Metropolitan Museum of Art (New York, N.Y.), Kathryn Calley Galitz, 2007 The Lively Arts Michael Kammen, 1996-03-21 He was a friend of James Joyce Pablo Picasso e e cummings John Dos Passos Irving Berlin and F Scott Fitzgerald and the enemy of Ezra Pound H L Mencken and Ernest Hemingway He was so influential a critic that Edmund Wilson declared that he had played a leading role in the liquidation of genteel culture in America Yet today many students of American culture would not recognize his name He was Gilbert Seldes and in this brilliant biographical study Pulitzer Prize winning historian Michael Kammen recreates a singularly American life of letters Equally important Kammen uses Seldes's life as a lens through which to bring into sharp focus the dramatic shifts in American culture that occurred in the half century after World War I Born in 1893 Seldes saw in his lifetime an astonishing series of innovations in popular and mass culture silent films and talkies the phonograph and the radio the coming of television and the proliferation of journalism aimed at mainstream America in such venues as Vanity Fair The Saturday Evening Post and Esquire His monthly column in Esquire was called The Lively Arts Seldes was more than a witness to these changes however he was the leading champion of popular culture in his time and a skilled practitioner as well Kammen the first scholar to enjoy access to Seldes's unpublished papers illuminates his immense influence as the earliest cultural critic to insist that the lively arts vaudeville musical revues film jazz and the comics should be taken just as seriously as grand opera the legitimate theatre and other manifestations of high culture As he traces Seldes's remarkable evolution from an acknowledged aesthete and highbrow to a cultural democrat with a passion for the popular arts Kammen recaptures the critic's prescience wit and generosity for a newly expanded audience We witness Seldes's triumphs and travails as managing editor of The Dial the most influential literary magazine of its time and read of New York's endlessly feuding publications and literary rivalries Kammen offers wonderfully detailed accounts of The Dial's introduction of The Wasteland in its November 1922 issue Seldes's review of Ulysses for The Nation one of the first if not the very first to appear in the U S and the complete story of the writing publication and critical reception of The Seven Lively Arts Seldes's most influential book And

Kammen also covers Seldes's astonishingly versatile later career as a freelance writer on every conceivable subject: historian, novelist, playwright, filmmaker, radio scriptwriter, the first program director for CBS Television, and the founding dean of the Annenberg School of Communications at the University of Pennsylvania. One of popular culture's earliest and most eloquent champions, Seldes was nonetheless publicly worried as early as 1937 that the popularity of radio, film, and television would mean the demise of the private art of reading. By 1957 he was warning that with the shift of all entertainment into the area of big business, we are being engulfed into a mass-produced mediocrity. At a time when many thoughtful Americans despair of popular culture, *The Lively Arts* revisits the opening salvos in the ongoing debate over democratization versus dumbing down of the arts. It offers a penetrating and timely analysis of Gilbert Seldes's pioneering conviction that the popular and the great arts must not only co-exist but enrich one another if we are to realize the innovation and intensity of American culture at its best.

Little Magazines & Modernism Adam McKible, 2016-12-05 Little magazines made modernism happen. These pioneering enterprises were typically founded by individuals or small groups intent on publishing the experimental works or radical opinions of untried, unpopular, or underrepresented writers. Recently, little magazines have re-emerged as an important critical tool for examining the local and material conditions that shaped modernism. This volume reflects the diversity of Anglo-American modernism with essays on avant-garde, literary, political, regional, and African American little magazines. It also presents a diversity of approaches to these magazines: discussions of material practices and relations, analyses of the relationship between little magazines and popular or elite audiences, examinations of correspondences between texts and images, feminist modifications of the traditional canon or histories, and reflections on the emerging field of periodical studies. All emphasize the primacy and materiality of little magazines. With a preface by Mark Morrisson, an afterword by Robert Scholes, and an extensive bibliography of little magazine resources, the collection serves both as an introduction to little magazines and a reconsideration of their integral role in the development of modernism.

An Eye on the Modern Century Henry McBride, Steven Watson, 2000-01-01 Philippe Sands has extensively revised this leading textbook to include all new developments since 1994, including all the international case law (ICJ, ITLOS, WTO, human rights, etc.) and new international legislation (genetically modified organisms, the Kyoto Protocol, oil pollution, chemicals, etc.). It is the most comprehensive account of the principles and rules relating to the protection of the environment and the conservation of natural resources. It incorporates all the key material from the 1992 Rio Declaration and subsequent developments. Topics include the legal and institutional framework, the field's historic development, standards for general application, in addition to the protection of the atmosphere, oceans, etc., the techniques available for implementation, such as the environmental impact assessment and liability compensation for environmental damage. It will be used on its own as an academic course text, as well as a reference text for practitioners.

Overheard in Seville 1987, 1987-10-15 An annual publication, *Overheard in Seville* Bulletin of the Santayana Society includes scholarly articles on American philosopher, poet, critic, and best-selling novelist George Santayana.

as well as announcements of publications and meetings pertaining to Santayana scholarship **A Dictionary of the Avant-gardes** Richard Kostelanetz, H. R. Brittain, 2001 Introduces the concept of avant garde art to readers as it has been practiced over the last century Covering figures and genres in all styles of art this is an ideal introduction to often misunderstood art forms Richard Aldington Norman T. Gates, 2010-11 In the most comprehensive selection of his letters ever published Norman Gates allows Richard Aldington to tell the story of his life in his own words Unlike Aldington's autobiography *Life for Life's Sake* published twenty years before his death these letters include those two important decades of his life and do not depend upon memory Gates provides an introduction to each of the book's five sections sketching Aldington's biography during that decade but the reader may then listen to Aldington's own voice speaking through his letters Richard Aldington was married to the American poet H. D. and was a friend to many other writers and artists at the center of the Modern period His comments on his colleagues and their work his efforts to promote their literary fortunes his passionate love for two wives and two mistresses are all a part of these letters So too are his experiences on the editorial staffs of the *Egoist* and the *Criterion* which brought him to touch with European and American writers For a clear picture of the literary world of this time Aldington's letters are indispensable *Faulkner and the artist* Donald M. Kartiganer, 1996

Thomas Mann in English David Horton, 2013-04-11 Thomas Mann owes his place in world literature to the dissemination of his works through translation Indeed it was the monumental success of the original English translations that earned him the title of the greatest living man of letters during his years in American exile 1938-52 This book provides the first systematic exploration of the English versions illustrating the vicissitudes of literary translation through a principled discussion of a major author The study illuminates the contexts in which the translations were produced before exploring the transformations Mann's work has undergone in the process of transfer An exemplary analysis of selected textual dimensions demonstrates the multiplicity of factors which impinge upon literary translation leading far beyond the traditional preoccupation with issues of equivalence Thomas Mann in English thus fills a gap both in translation studies where Thomas Mann serves as a constant but ill defined point of reference and in literary studies which has focused increasingly on the author's wider reception **The Atlantic Monthly**, 1921 **The Yale Alumni Weekly**, 1922 *Journal - Worcester Art Museum* Worcester Art Museum, 1979 **Dance and American Art** Sharyn R. Udall, 2012-06-19 From ballet to burlesque from the frontier jig to the jitterbug Americans have always loved watching dance whether in grand ballrooms on Mississippi riverboats or in the streets *Dance and American Art* is an innovative look at the elusive evocative nature of dance and the American visual artists who captured it through their paintings sculpture photography and prints from the early nineteenth century through the mid twentieth century The scores of artists discussed include many icons of American art Winslow Homer George Caleb Bingham Mary Cassatt James McNeill Whistler Alexander Calder Joseph Cornell Edward Steichen David Smith and others As a subject for visual artists dance has given new meaning to America's perennial myths cherished

identities and most powerful dreams Their portrayals of dance and dancers from the anonymous to the famous Anna Pavlova Isadora Duncan Lo e Fuller Josephine Baker Martha Graham have testified to the enduring importance of spatial organization physical pattern and rhythmic motion in creating aesthetic form Through extensive research sparkling prose and beautiful color reproductions art historian Sharyn R Udall draws attention to the ways that artists portrayals of dance have defined the visual character of the modern world and have embodied culturally specific ideas about order and meaning about the human body and about the diverse fusions that comprise American culture

Jewish Dealers and the European Art Market, c. 1860–1940 Silvia Davoli, Tom Stammers, 2025-01-23 Before the tragedy of the Holocaust many of the leading art and antiques dealers across Europe were Jewish establishing dynamic cross Channel international and transatlantic networks Aside from a few famous examples however we are only at the beginning of exploring the diversity of Jewish dealers commercial and cultural worlds and reflecting on the particular conditions that made possible their dramatic expansion within the profession Adopting a wider geography than any previous study this book brings together a team of distinguished international contributors to consider Jewish art dealers as an interconnected cohort tied together by common strategies and a shared vulnerability After an extended historiographical introduction the volume presents case studies and trends from 1860 1940 including Jewish family businesses in Western Europe the role of Jews as mediators of art from East Asia the antisemitism and suspicion faced by Jewish dealers Jews as theorists exhibition makers and promoters of modern art and the geographical mobility and professional reinvention of Jewish dealers in times of economic and political crisis With a wide variety of illustrations including paintings decorative arts historic photographs and archival material the volume adopts a mix of methodological approaches to analyse a key chapter in Jewish cultural history and in the history of the international art market Includes Afterword by Charles Dellheim author of *Belonging and Betrayal How Jews Made the Art World Modern* 2021

English Poetry and Prose of the Romantic Movement George Benjamin Woods, 1916
