## **The Dialogues Of Plato:**

The Dialogues of Plato Plato, 1878      Selections from the Dialogues of Plato Plato, 1883      **Schleiermacher's Introductions to the Dialogues of Plato** Friedrich Schleiermacher, 1836      **The Dialogues of Plato, Volume 1** Plato, 1984-01-01 This initial volume in a series of new translations of Plato's works includes a general introduction and interpretive comments for the dialogues translated: the Euthyphro, Apology, Crito, Meno, Gorgias, and Menexenus. Allen's work is very impressive. The translations are readable, lucid, and highly accurate. The general introduction is succinct and extremely clear. The discussion of the dating of the dialogues is enormously useful; there has previously been no brief account of these issues to which one could refer the student. Finally, the particular introductions are first-rate: fine jobs of clear philosophical and historical explanation, succinct and yet sophisticated, both close to the text and philosophically incisive. Martha Nussbaum, Brown University. This is an important work that deserves our respect and attention. *Ethics*. This and the promised succeeding volumes will probably become the standard English version of the complete dialogues. The commentaries take advantage of the best scholarship, judge judiciously between divergent views, and often introduce new and brilliant interpretations. This is true both in the area of philosophy and in that of literary criticism. Anthony C. Daly, S.J., Modern Schoolman. Allen is a superb translator whose elegantly simple yet precise language gives access to Plato both as a philosopher and as a literary artist. *Library Journal*. An important event in the world of scholarship. *London Review of Books*.      The Dialogues of Plato Plato, 1901

**A Subject-index to the Dialogues of Plato** Evelyn Abbott, 1875      **Plato and the Socratic Dialogue** Charles H. Kahn, 1997-01-09 This book offers a new interpretation of Plato's early and middle dialogues as the expression of a unified philosophical vision. Whereas the traditional view sees the dialogues as marking successive stages in Plato's philosophical development, we may more legitimately read them as reflecting an artistic plan for the gradual, indirect, and partial exposition of Platonic philosophy. The magnificent literary achievement of the dialogues can be fully appreciated only from the viewpoint of a unitarian reading of the philosophical content.      *DIALOGUES OF PLATO* Benjamin 1817-1893 Jowett, Plato, 2016-08-25 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it.
