The Diamond Noodle:

The Diamond Noodle Philip Whalen, 1980 The Postmoderns Donald Allen, George F. Butterick, 1982 This anthology includes many of the major poets to have emerged and gained pre eminence since World War II and whose writing reflects not only the significant changes in this nation s postwar history and the coming to grips with a nuclear age but also an entirely new way of looking at and structuring reality United by their postmodernist concerns with spontaneity instantism formal and syntactic flexibility and the revelation of both the creator and the process through the writing itself these 38 poets represent very diverse strains of an essential American individualism Included are many of the poets whose work first gained widespread national attention with the 1960 publication of *The New American Poetry* Charles Olson Allen Ginsberg Paul Blackburn LeRoi Jones Amiri Baraka Denise Levertov Robert Duncan and others Among the poets included here for the first time are Anne Waldman Diane di Prima Ed Sanders Jerome Rothenberg and James Koller In addition to a new preface by Allen and Butterick the book provides autobiographical notes of all the poets and listings of their major works Revealing the Sacred in Asian and Pacific America Jane Iwamura, Paul Spickard, 2013-10-11 Asian and Pacific Islander Americans constitute the fastest growing racial group in the United States They are also one of the most religiously diverse Through them Asian traditions such as Hinduism Sikhism Confucianism and Buddhism have been introduced into every major city and across a wide swath of Middle America The contributors to this volume provide an essential inter disciplinary resource for the study of Asian and Pacific Islander American religion Crowded by Beauty David Schneider, 2015-07-26 Philip Whalen was an American poet Zen Buddhist and key figure in the literary and artistic scene that unfolded in San Francisco in the 1950s and 60s When the Beat writers came West Whalen became a revered much loved member of the group Erudite shy and profoundly spiritual his presence not only moved his immediate circle of Beat cohorts but his powerful startling innovative work would come to impact American poetry to the present day Drawing on Whalen s journals and personal correspondence particularly with Ginsberg Kerouac Snyder Kyger Welch and McClure David Schneider shows how deeply bonded these intimates were supporting one another in their art and their spiritual paths Schneider himself an ordained priest provides an insider s view of Whalen s struggles and breakthroughs in his thirty years as a Zen monk When Whalen died in 2002 as the retired Abbot of the Hartford Street Zen Center his own teacher referred to him as a patriarch of the Western lineage of Buddhism *Crowded by Beauty* chronicles the course of Whalen s life focusing on his unique eccentric humorous and literary religious practice **The Emergence of Buddhist American Literature** John Whalen-Bridge, Gary Storhoff, 2009-06-11 The encounter between Buddhism and American literature has been a powerful one for both parties While Buddhism fueled the Beat movement s resounding critique of the United States as a spiritually dead society Beat writers and others have shaped how Buddhism has been presented to and perceived by a North American audience Contributors to this volume explore how Asian influences have been adapted to American desires in literary works and Buddhist poetics or how Buddhist

practices emerge in literary works Starting with early aesthetic theories of Ernest Fenollosa made famous but also distorted by Ezra Pound the book moves on to the countercultural voices associated with the Beat movement and its friends and heirs such as Ginsberg Kerouac Snyder Giorno Waldman and Whalen The volume also considers the work of contemporary American writers of color influenced by Buddhism such as Maxine Hong Kingston Charles Johnson and Lan Cao An interview with Kingston is included

Overtime: Selected Poems Philip Whalen, 1999-05-01 Like his college roommate Gary Snyder Philip Whalen took both poetry and Zen seriously He became friends with Allen Ginsberg Jack Kerouac and Michael McClure and played a key role in the explosive poetic revolution of the 50s and 60s Celebrated for his wisdom and good humor Whalen transformed the poem for a generation His writing taken as a whole forms a monumental stream of consciousness or as Whalen calls it continuous nerve movie of a wild deeply read and fiercely independent American one who refuses to belong who celebrates and glorifies the small beauties to be found everywhere he looks This long awaited Selected Poems is a welcome opportunity to hear his influential voice again

Companies and Their Brands, 2006 **Being Buddhist in a Christian World** Sharon A Suh, 2012-09 Challenging Western notions of Buddhism as a self effacing path to rebirth and enlightenment Sharon Suh shows how first generation Korean Americans at Sa Chal Temple in Los Angeles have applied Buddhist doctrines to the project of finding and knowing the self in everyday life Buddhism for these Buddhists serves as a source of empowerment and as a wellspring of practical and spiritual relief from myriad everyday troubles Painful life events and circumstances psychological stresses marital discord adjustments to immigrant life racial and religious minority status prompt a turning toward religion in an effort to build self esteem The process of coming to find and know the self initiates a transformation that far from taking future rebirths as its focus enables the self to enact change in the present Oral histories from twenty five men and twenty five women also offer unexpected insights into distinctly male and female forms of Buddhist worship As a commentary on ethnicity Being Buddhist in a Christian World challenges much of the existing literature in Asian American studies by placing religion at the center and illustrating its importance for shaping ethnic identity Not only does Suh ask how Korean American identity might be grounded in religion she goes on to examine the implications of this grounding when the religious tradition is considered to be socially marginal

Bowed Some, Chanted a Little Philip Whalen, 2023-09-22 Philip Whalen 1923 2002 is a key figure in both the Beat and San Francisco Renaissance movements of the New American Poetry Whalen authored twenty collections of verse more than twenty broadsides two novels a huge assemblage of autobiographical literary journals nine or ten experimental prose works and dozens of critical essays lectures commentaries introductions prefaces and interviews But he came to regard his literary journals as his most important prose legacy A professed Buddhist for most of his adult life Whalen was ordained a Zen Buddhist monk in 1972 in what is arguably still the most influential Zen Buddhist training temple complex in North America In some ways Whalen begs a comparison with Thomas Merton the twentieth century s most significant Christian monk poet But where Merton contained himself

within the conservative guidelines of Trappist Christian orthodoxy Whalen was a closeted homosexual or bisexual who inscribed an insider's account of his monastic community with an acid tongue and a keen sense of humor His pen spared no one in the religious hierarchy he trained under Whalen's literary work represents a significant turn in American letters as he and his closest colleagues immersed themselves in East Asian literature and religion reinvigorating strikingly new linguistic and aesthetic paths for North American writers and artists However until now Whalen's forty plus years of journals sixty small eight by six inch notebooks have been largely inaccessible archived in the rare book and manuscript library at the University of California Berkeley undigitized and unavailable online Thus the publication of a critical scholarly edition of Whalen's journals and notebooks constitutes an important literary event and an invaluable resource for scholars teachers poets and lay readers who follow twentieth century North American poetry In his complex and idiosyncratic poetics Whalen adopts a unique mind and language centered approach to the creation of a poem Some of his finest works are live action scenes where he fuses moments of bald mental perception with the linguistic intricacies of his inner consciousness i e the words phrases and observations that his mind forms or that other people spill into his mind in the same block of time The significance of Whalen's journals is manifold Brian Unger argues and goes beyond their mere availability Unger argues that of all the San Francisco Renaissance and Beat poets of the postwar period Whalen's roots in modernism are among the strongest He was a voracious reader as his journals show and a keen student of earlier literatures Furthermore the journals conclusively overturn many misleading arguments about Whalen's personal life as related in the 2015 Whalen biography *Crowded by Beauty* by David Schneider The publication of the journals would provide for the first time and in Whalen's own words an objective and self substantiated account of his life with biographical information that has never before been generally available The Whalen journals make clear as never before the primary psychological forces driving his personal life his interior life as a poet and a religious monk and they shed important light on the intriguing complexity of his philosophical and phenomenological poetics

The Beat Book Anne Waldman, 2007-07-10 The Beat movement exploded into American culture in the early 1950s with the force of prophecy Not just another literary school it was an artistic and social revolution William S Burroughs proclaimed that the Beat writers were real architects of change There is no doubt that we're living in a freer America as a result of the Beat literary movement which is an important part of the larger picture of cultural and political change in this country during the last forty years when a four letter word couldn't appear on the printed page and minority rights were ridiculous Anne Waldman a renowned poet and longtime friend of many of these writers has gathered in this volume a range of the best and most exemplary writings of the Beat poets and novelists Selections from the Beat classics appear as well as more recent prose and poetry demonstrating the continued vitality of the Beat experiment Included are short biographies of the contributors an extensive bibliography of Beat literature and a unique guide to Beat places around the world from Kerouac's hometown of Lowell Massachusetts where his novel *Dr Sax* takes place to Tangier where

Burroughs wrote parts of *Naked Lunch* **Humor in the Advertising Business** Fred K.
