Susan's Journal. King's Fountain by a Teenage Girl Arthur Eedle, In His Image for Teen Girls Priscilla Soos, 2015-12-09 God created each of us in His image and when He was finished He said It is good These three words from the book of Genesis give us all enormous value one that is not limited to a future in heaven In His Image for Teen Girls began as a quest by author Priscilla Soos to explain the value of these three little words and more for her teen daughter We all need to understand how much worth strength and focus can come from knowing that we are each created in God's image A personal understanding of what it means to be created in God's image not only helps us to defend against the negative images pressing down on us every day but also provides the tools to lift us up to the level God has planned for us God opened Soos's eyes and helped her see that the challenges her daughter faced were the same as those she encountered at a similar age The situations differed but the core issues were the same the worth she placed on herself would reflect not only the value others would place on her but also the value she would accept from her environment In His Image for Teen Girls seeks to help teen girls understand that being created in God's image makes them heirs to God and His kingdom
