Making Habits, Breaking Habits Jeremy Dean,2012-06-12 Say you want to start going to the gym or practicing a musical instrument How long should it take before you stop having to force it and start doing it automatically The surprising answers are found in Making Habits Breaking Habits a psychologist s popular examination of one of the most powerful and under appreciated processes in the mind Although people like to think that they are in control much of human behavior occurs without any decision making or conscious thought Drawing on hundreds of fascinating studies psychologist Jeremy Dean busts the myths to finally explain why seemingly easy habits like eating an apple a day can be surprisingly difficult to form and how to take charge of your brain s natural autopilot to make any change stick Witty and intriguing Making Habits Breaking Habits shows how behavior is more than just a product of what you think It is possible to bend your habits to your will and be happier more creative and more productive *Hollywoodaholic* A.

Wayne Carter,2002-08-28 Everyone who has ever thought about writing or working in Hollywood will want to read this book These are the personal and often outrageous adventures of a veteran screenwriter who has worked extensively for the major studios as well as with major directors such as Richard Donner and James Cameron There are abundant writing lessons to be learned here but life lessons as well In fact this story is about getting over Hollywood more than just getting into Hollywood Readers looking past the material or superficial e g celebrity for something more meaningful in their lives will find this book truly uplifting If you re thinking of being a screenwriter jamming all your possessions into a subcompact and driving cross country then it behooves you to read Carter s experiences Tim Clifton Renaissance Magazine **NOFX** David

Pearson,Stefano Morello,Ellen Bernhard,2025-06-12 This collection of scholarly essays analyzes how NOFX s aesthetics of punk provocation and discomfort provokes the band s listeners to confront contradictions and conflicts in society concerning politics identity authenticity and decorum This collection of scholarly essays analyzes how NOFX s aesthetics of punk

provocation and discomfort push the band's listeners to confront contradictions and conflicts in society concerning politics identity authenticity and decorum For forty years NOFX's brand of witty offensive humorous juvenile intelligent existential political politically incorrect and or philosophically probing punk has reared several generations in punk attitude and ethos for better or worse The band pioneered melodic yet hardcore So Cal punk style rode the wave of mainstream punk popularity in the 1990s protested the Bush administration in the 2000s and continued their punk provocations up through their retirement in 2024 This book explores how NOFX pursued punk's proclivity for provocation to critique both mainstream society and the punk scene itself how their music challenges notions of punk as simplistic stripped down rock requiring little musical skill and other topics with thirteen essays from scholars in a variety of fields **Marlon Brando** Burt

Kearns,2024-04-02 Over the last eighty years Marlon Brando has become such an object of fascination buried under so many accreted layers of mythos and half truth that it is all but impossible to see the man behind the icon As we approach the centennial of this undisputed American legend Marlon Brando Hollywood Rebel is a revelatory biography that tells its story the same way the man himself approached a role from the inside Author journalist and pop culture authority Burt Kearns digs deep into the unexplored aspects of Brando's career interests and singular personality revealing how his roles on stage and screen combined with his wild and restless personal life helped to transform popular culture and society writ large His influence was both broad and deep Brando's intense approach to acting technique was emulated by his contemporaries as well as generations of actors who followed from Nicholson and DeNiro to DiCaprio and Gosling But his legacy extends far beyond acting His image in The Wild One helped to catalyze a youth revolution setting the stage for rock n roll culture in a way that directly inspired Elvis Presley the Beatles Andy Warhol and punk rock culture Brando was also frank about his affairs with both sexes a leader of the sexual revolution and a hero of gay culture he defied stereotypes and redefined sexual boundaries in his life and the roles he played But of all his passions activism was even more important to Brando than acting he was an early supporter of Israel civil rights the American Indian movement Black Power gay rights and environmentalism Startlingly intimate and powerfully told Marlon Brando Hollywood Rebel shows how the greatest actor of the twentieth century helped lead the world into the twenty first Literature and Contingency Christina Lupton,Carsten

Meiner,2020-05-21 This collection features leading literary critics and explores the role of language in thinking about the ways in which the world might be otherwise and the history of contingency as a longstanding literary concept The defining feature of contingency lies in the suggestion that things that have already happened might have been otherwise Central to late twentieth century European critical and sociological thinking that argument is at the centre of this volume The contributors to this volume explore subjects including how literature philosophy and history all cope with contingency the existence of contingency in genres as diverse as enlightenment fables Aristotle Hardy Jane Austen and post war American literature the contingency of old age and the poetics of contingency As the chapters here illustrate our efforts to understand

each other involve a constant opening onto being otherwise an enterprise in which the role of the literary critic remains key Of interest to scholars across a range of literary genres this volume would also have applications for philosophy researchers exploring the metaphysics of contingency This book was originally published as a special issue of Textual Practice

Science's War On Reason Mike Hockney, 2016-01-02 People can't reason They don't even know what reason is Reason is almost always harnessed to something that has nothing to do with reason Believers in mainstream religion are feeling types who reason with their emotions or with their mystical intuitions Scientists are sensing types They subordinate their reason to their senses All scientists are empiricists and are opposed to rationalism i.e. the existence of a rational order of reality completely removed from the human senses which can only be apprehended rationally logically mathematically and via intellectual intuition Scientists try to don the cloak of rationalism even though they are explicitly opposed to mathematical rationalism which addresses a more fundamental noumenal reality than the one amenable to phenomenal science

Billion-Dollar Branding Honey Parker, Blaine Parker, 2012-08-21 Two advertising veterans explain the myths about branding and how even the smallest businesses can benefit by defining themselves to their customers Branding may be the single most misunderstood concept in marketing It's not only for big businesses with big bucks It's not about a logo a color a font or a type of advertising Branding is defining a company's image in such a way that the customer is left with a single feeling about that business and what they do Branding is about finding a business's juicy center Even small businesses on shoestring budgets and sole practitioners can learn the principles of good branding an effort that encompasses not just messaging but multiple day to day decisions that shape and build your customers' perceptions and emotions With numerous real life examples and the expertise that comes only from experience this book guides you to a new way of thinking about your business and the kind of wisdom that no amount of money can buy
