The Higher You Go The Fewer:

Heart Conditions Vanda Millien, 2000-09 For many years I have received requests at my seminars and workshops for a book containing the teachings I have been so privileged to deliver over the last fifteen years As I do with all situations I asked for a sign that this proposed book was in accordance with Divine Will and would manifest at the appropriate time Just one week later at the end of a meeting a lady who is also an author suggested the teachings be put in book form Hence Heart Conditions was born Everyone has a heart condition whether spiritual physical or both This book will help you to recognize your heart condition and consequently to change it by shifting your spiritual and physical chemistry through forgiveness compassion and love The teachings are simple stories taken from the experiences and heartbreaks in my life suggesting how we can collectively transmute our life experiences into personal mastery It is time for us all to leave behind the repressive conditioning and opinions of society and change our own heart conditions by allowing forgiving and loving This collection of stories will help you to be courageous enough to take responsibility for who you are and to live your own truth triumphantly
