Kruse,2004 The Tyndale New Testament Commentaries have long been a trusted resource for Bible study Written by some of the world s most distinguished evangelical scholars these twenty volumes offer clear reliable and relevant explanations of every book in the New Testament These Tyndale volumes are designed to help readers understand what the Bible actually says and what it means The introduction to each volume gives a concise but thorough description of the authorship date and historical background of the biblical book under consideration The commentary itself examines the text section by section drawing out its main themes It also comments on individual verses and deals with problems of interpretation The aim throughout is to get at the true meaning of the Bible and to make its message plain to readers today Book jacket     Every Day with the Father Mark Stibbe,2012-01-18 Dr Mark Stibbe fell in love with John s Gospel as a teenager This set of devotional readings springs from profound reflection over many years but the tone is inspirational and popular He writes John is my favourite Gospel In John s Gospel Jesus is the Son who reveals the Father He is presented to us as the one who came to show us what the Father is truly like He says of himself that he is the only Way to the Father and the one who discloses the truth about the Father heart of God Every verse of John s Gospel reveals the Father Together we consider 366 texts and look at how they reveal the Father who has adopted us embraced us in his family and promised never to abandon us The purpose of every daily study is to turn what we learn into the language of adoration     *The Hired Hand* ,1997 Old Sam hires a man to help out at his saw mill and the hired hand also teaches Sam s lazy son a lesson about how to treat people
