The Historical Reliability Of Johns Gospel Issues Commentary:

The Historical Reliability of John's Gospel Craig L. Blomberg, 2011-10-20 Because the twentieth century search for the historical Jesus so heavily favored the Synoptic Gospels we are long overdue for a reassessment of the evidence presented in the Gospel of John! Craig L Blomberg offers a foundational introduction and commentary focusing with intelligence and care on the historicity of John s Gospel *The Historical Reliability of the New Testament* Craig L.

Blomberg, 2016-11-01 This book is a fully stocked toolbox for anyone interested in whether we can still trust the New Testament in the twenty first century **Johannine Writings and Apocalyptic** Stanley E. Porter, Andrew K.

Gabriel, 2013-09-15 Johannine Writings and Apocalyptic provides a wide ranging and thorough annotated bibliography for John s Gospel the Johannine letters Revelation and apocalyptic writings pertinent to these books More inclusive than many other bibliographies this volume provides reference to over 1300 individual entries often including references to multiple works with a given description Annotations are designed to provide guidance to a wide range of readers from students wishing to gain entry to the subject to graduate students engaging in research to professors needing ready access to useful materials The volume is topically organized and indexed for easy access Interpreting the Gospel of John Gary M. Burge, 2013-11-19 This tried and true classroom favorite by respected New Testament scholar Gary Burge has been praised for its usefulness The expanded second edition has been revised throughout to take account of current scholarship and introduces software tools that have become available since the original edition was published Combining original insight with how to guidance this textbook helps students interpret the Gospel of John and apply it in teaching and preaching The Origins of John's Gospel Stanley E. Porter, Hughson T. Ong, 2015-09-29 The essays in The Origins of John s Gospel gathered by Stanley E Porter and Hughson T Ong either survey or discuss in detail various areas and topics in Johannine scholarship especially in the study of John s Gospel These include the authorship and dating sources and traditions of John s Gospel its structure and composition the Johannine community and Johannine anti Judaism and the Son of Man sayings Collectively these essays offer important contributions to various areas and topics of research relating to the origins of John s Gospel

Rediscovering Jesus David B. Capes, Rodney Reeves, E. Randolph Richards, 2015-07-08 Who is your Jesus This textbook introduction gives an enjoyable and challenging look at how we encounter Jesus in Scripture and our culture from the New Testament to the gnostic gospels historical Jesus studies Islam Mormonism Hollywood and Americana Follow the path to seeing Jesus truly and notice the difference it makes for faith and life The Miracles of Jesus Vern S. Poythress, 2015-11-17 Christians often view Jesus s miracles simply as proofs of his divinity However as prolific author Vern Poythress shows in this new book they also serve as signs of redemption foreshadowing the salvation that Christ accomplished through his cross and resurrection This means that the stories of Jesus s miracles like the calming of the storm or the feeding of the 5 000 are relevant for both Christians and non Christians alike clearly pointing to the gospel After setting forth a framework for

viewing all of Jesus's miracles through this lens Poythress then reflects on the meaning and significance of 26 distinct miracles recorded in the Gospel of Matthew helping modern readers understand and apply them to their own lives today

Jesus, Skepticism, and the Problem of History Zondervan, 2019-10-08 In recent years a number of New Testament scholars engaged in academic historical Jesus studies have concluded that such scholarship cannot yield secure and illuminating conclusions about its subject arguing that the search for a historically authentic Jesus has run aground Jesus Skepticism and the Problem of History brings together a stellar lineup of New Testament scholars who contend that historical Jesus scholarship is far from dead These scholars all find value in using the tools of contemporary historical methods in the study of Jesus and Christian origins While the skeptical use of criteria to fashion a Jesus contrary to the one portrayed in the Gospels is methodologically unsound and theologically unacceptable these criteria properly formulated and applied yield positive results that support the Gospel accounts and the historical narrative in Acts This book presents a nuanced and vitally needed alternative to the skeptical extremes of revisionist Jesus scholarship that on the one hand uses historical methods to call into question the Jesus of the Gospels and on the other denies the possibility of using historical methods to learn about Jesus

CSB Harmony of the Gospels Steven L. Cox, Kendell Easley, CSB Bibles by Holman, 2024-06-15 CSB Harmony of the Gospels is a synchronized reading of the Gospels based on the work of John A Broadus and A T Robertson with each Gospel writer's account of events side by side In addition to the harmonious layout articles and commentary notes are included to provide deeper understanding of the four Gospels and the harmonized account of the life and teachings of Jesus CSB Harmony of the Gospels features the highly readable highly reliable text of the Christian Standard Bible CSB The CSB captures the Bible's original meaning without sacrificing clarity making it easier to engage with Scripture's life transforming message and to share it with others

The Kingship of Jesus in the Gospel of John Sehyun Kim, 2018-08-21 This book studies kingship with reference to the Johannine Jesus Postcolonialism leads us to an avenue from which to read this Gospel in the more complex and wider context of the hybridized Jewish and Greco Roman worlds of the Roman Empire in the first century CE This provides a new perspective on the kingship of the Johannine Jesus whose kingly identity is characterized by hybridized christological titles For the Johannine readers in the first century who were exploited oppressed yet at odds with both the colonizer and the colonized in the Roman Empire this Gospel was deemed to reveal his identity Using many christological titles it presented Jesus as the universal king going beyond the Jewish Messiah's and the Roman emperors and also as the decolonizer who came to his own world to liberate his people from the darkness In this respect the ideology of the Johannine emphasizes that love peace freedom service of the center for the margins and forgiveness are the ruling forces in the new world where Jesus reigns as king Raising an awareness of these ideologies John's gospel asks readers to overcome the conflicting world shrouded in darkness thenceforth entering the new Johannine world
