Excerpt from *The History of Wells and Kennebunk From the Earliest Settlement to the Year 1820 at Which Time Kennebunk Was Set Off and Incorporated With Biographical Sketches* It is well known to our townsmen that my father was engaged the last ten years of his life in preparing a history of Wells and Kennebunk I had hoped that his life would be spared until he could complete it Admonished by the evident progress of the disease which on the twenty third day of September last terminated his labors I several times suggested to him the expediency of bringing it to a close that it might be published under his personal supervision But his reply has always been I cannot additional facts are constantly coming to light I have sometimes thought that it was his intention to devote all his remaining years to investigation leaving the mere publication to others feeling that by continuing his researches in the various paths in which by long continued study he had become familiar he could best serve the interests of those for whom he labored About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
