I'm a Romance Scam IT Detective(Edition 2) Selina Co,2020-02-15 Award Winning Finalist in the True Crime Non Fiction category of the 2020 International Book Awards Movie Screenplay Hacker Love and Her Enemies Coming soon Multiple successful professionals fall prey to the deceptions in this non fiction memoir A must read for everyone who is looking for a romantic relationship online or just wants a fun read about this outrageous transnational fraud Computer engineer Selina Co becomes a hacker and hoaxer who exploits and scams a scammer Watch Selina gradually becomes even more dangerous than the criminal grifters But how was Selina the clever IT professional love scammed online and conned 70% of her life savings by the conman in the first place Will she be able to save Jason who is with another romance fraudster Read this informative painful yet slightly laughable true cybercrime story spanning 7 countries Australia the United States Singapore Ghana Nigeria New Zealand and China Psychological games tactics cons tricks and forgeries in real life and Internet romance scams Some call them confidence scams or confidence tricks are the frauds really all about manipulating trust and relationships Outsmart and punish evil swindlers in the correct ways get them brainwashed and hoaxed Cybercriminology How do real IT analysis accurately identify con artists in cyberspace Are stingers able to remain anonymous Is hacking always illegal Why are cyber predators rarely brought to justice Why are the misconducts of certain banks to blame in cross border organised financial crimes

Cybercrime David S. Wall,2024-04-15 How has the digital revolution transformed criminal opportunities and behaviour What is different about cybercrime compared with traditional criminal activity What impact might cybercrime have on public security In this updated edition of his authoritative and field defining text cybercrime expert David Wall carefully examines these and other important issues Incorporating analysis of the latest technological advances and their criminological implications he disentangles what is really known about cybercrime today An ecosystem of specialists has emerged to facilitate cybercrime reducing individual offenders level of risk and increasing the scale of crimes involved This is a world where digital and networked technologies have effectively democratized crime by enabling almost anybody to carry out crimes that were previously the preserve of either traditional

organized crime groups or a privileged coterie of powerful people Against this background the author scrutinizes the regulatory challenges that cybercrime poses for the criminal and civil justice processes at both the national and the international levels This book offers the most intellectually robust account of cybercrime currently available It is suitable for use on courses across the social sciences and in computer science and will appeal to advanced undergraduate and graduate students

Romanticism and the Gothic Michael Gamer, 2000-09-04 This is the first full length study to examine the links between high Romantic literature and what has often been thought of as a merely popular genre the Gothic Michael Gamer offers a sharply focused analysis of how and why Romantic writers drew on Gothic conventions whilst at the same time denying their influence in order to claim critical respectability He shows how the reception of Gothic literature including its institutional and commercial recognition as a form of literature played a fundamental role in the development of Romanticism as an ideology In doing so he examines the early history of the Romantic movement and its assumptions about literary value and the politics of reading writing and reception at the end of the eighteenth century As a whole the book makes an original contribution to our understanding of genre tracing the impact of reception marketing and audience on its formation
