

THE HOFFA WARS

**TEAMSTERS, REBELS,
POLITICIANS AND
THE MOB**

BY DAN E. MOLDEA

The Hoffa Wars Teamsters Rebels Politicians And The Mob

John S. Ahlquist, Margaret Levi

The Hoffa Wars Teamsters Rebels Politicians And The Mob:

The Hoffa Wars Dan E. Moldea, 1978 **Mobsters, Unions, and Feds** James B Jacobs, 2006-01-01 This worthy successor to *Gotham Unbound* is an exhaustive survey of the grip La Cosa Nostra has exerted on the country's most powerful unions. Publishers Weekly: Nowhere in the world has organized crime infiltrated the labor movement as effectively as in the United States. Yet the government, the AFL-CIO and the civil liberties community all but ignored the situation for most of the twentieth century. Since 1975, however, the FBI, Department of Justice and the federal judiciary have relentlessly battled against labor racketeering, even in some of the nation's most powerful unions. *Mobsters, Unions, and Feds* is the first book to document organized crime's exploitation of organized labor and the massive federal cleanup effort. A renowned criminologist who for twenty years has been assessing the government's attack on the Mafia, James B. Jacobs explains how Cosa Nostra families first gained a foothold in the labor movement, then consolidated their power through patronage, fraud and violence, and finally used this power to become part of the political and economic power structure of twentieth century urban America. Since FBI Director J. Edgar Hoover's death in 1972, federal law enforcement has aggressively investigated and prosecuted labor racketeers as well as utilized the civil remedies provided for by the Racketeer Influenced and Corrupt Organization (RICO) statute to impose long-term court supervised remedial trusteeships on mobbed-up unions. There have been some impressive victories including substantial progress toward liberating the four most racketeer-ridden national unions from the grip of organized crime, but victory cannot yet be claimed. A must-read book for anyone interested in the problem of union corruption and what to do about it. *Industrial and Labor Relations Review* *The Mafia's President* Don Fulsom, 2017-11-14 The first ever full account of Nixon's extensive ties to the American Mafia from a veteran White House reporter. Unbeknownst to most people, even now, the election of 1968 placed the patron saint of the Mafia in the White House. In other words, Richard Nixon would go on to not only lead a criminal presidency, he would be totally indebted to our nation's top mobsters. By 1969, thanks in large part to his long-time campaign manager and political advisor, Murray Chotiner, a lawyer who specialized in representing mobsters, Nixon had participated in secret criminal dealings for more than 20 years with sketchy figures such as Mickey Cohen, Mob financial guru Meyer Lansky, Teamsters union chief Jimmy Hoffa and New Orleans Mafia boss Carlos Marcello. And with Chotiner as one of his key behind-the-scenes advisors in the White House, Nixon's ties to the Mafia didn't end there. *The Mafia's President* reveals a mind-blowing litany of favors Nixon exchanged with these sinister characters over decades, ranging from springing Jimmy Hoffa from prison to banning the federal government from using the terms Mafia and La Cosa Nostra. Drawing on newly released government tapes, documents and other fresh information, *The Mafia's President* by Don Fulsom offers a carefully reported, deeply researched account of Richard Nixon's secret connections to America's top crime lords. **Notorious New Jersey** Jon Blackwell, 2007-10-29 *Notorious New Jersey* is the definitive guide to murder, mayhem, the mob and corruption in the Garden State. With tabloid punch, Jon Blackwell tells riveting accounts of Alexander

Hamilton falling mortally wounded on the dueling grounds of Weehawken Dutch Schultz getting pumped full of lead in the men's room of the Palace Chop House in Newark and a gang of Islamic terrorists in Jersey City mixing the witch's brew of explosives that became the first bomb to rock the World Trade Center Along with these dramatic stories are tales of lesser known oddities such as the nineteenth century murderer whose skin was turned into leather souvenirs and the state senator from Jersey City who faked his death in a scuba accident in the 1970s in an effort to avoid prison Blackwell also sheds light on some historical whodunits was Bruno Hauptmann really guilty of kidnapping the Lindbergh baby Who was behind the anthrax attacks of 2001 Not forgotten either are notorious characters who may actually be innocent including Rubin Hurricane Carter and those who have never been convicted of wrongdoing although they left office in scandal including Robert Torricelli and James McGreevey Through 100 historic true crime tales that span over 300 years of history Blackwell shows readers a side of New Jersey that would make even the Sopranos shudder

Preferences and Situations Ira Katznelson, Barry R. Weingast, 2005-09-08 A scholarly gulf has tended to divide historians political scientists and social movement theorists on how people develop and act on their preferences Rational choice scholars assumed that people regardless of the time and place in which they live try to achieve certain goals like maximizing their personal wealth or power In contrast comparative historical scholars have emphasized historical context in explaining people's behavior Recently a common emphasis on how institutions such as unions or governments influence people's preferences in particular situations has emerged promising to narrow the divide between the two intellectual camps In Preferences and Situations editors Ira Katznelson and Barry Weingast seek to expand that common ground by bringing together an esteemed group of contributors to address the ways in which institutions in their wider historical setting induce people to behave in certain ways and steer the course of history The contributors examine a diverse group of topics to assess the role that institutions play in shaping people's preferences and decision making For example Margaret Levi studies two labor unions to determine how organizational preferences are established She discusses how the individual preferences of leaders crystallize and become cemented into an institutional culture through formal rules and informal communication To explore how preferences alter with time David Brady John Ferejohn and Jeremy Pope examine why civil rights legislation that failed to garner sufficient support in previous decades came to pass Congress in 1964 Ira Katznelson reaches back to the 13th century to discuss how the institutional development of Parliament after the signing of the Magna Carta led King Edward I to reframe the view of the British crown toward Jews and expel them in 1290 The essays in this book focus on preference formation and change revealing a great deal of overlap between two schools of thought that were previously considered mutually exclusive Though the scholarly debate over the merits of historical versus rational choice institutionalism will surely rage on Preferences and Situations reveals how each field can be enriched by the other

In the Interest of Others John S. Ahlquist, Margaret Levi, 2013-09-08 A groundbreaking study of labor unions that advances a new theory of organizational

leadership and governance In the Interest of Others develops a new theory of organizational leadership and governance to explain why some organizations expand their scope of action in ways that do not benefit their members directly John Ahlquist and Margaret Levi document eighty years of such activism by the International Longshore and Warehouse Union in the United States and the Waterside Workers Federation in Australia They systematically compare the ILWU and WWF to the Teamsters and the International Longshoremen s Association two American transport industry labor unions that actively discouraged the pursuit of political causes unrelated to their own economic interests Drawing on a wealth of original data Ahlquist and Levi show how activist organizations can profoundly transform the views of members about their political efficacy and the collective actions they are willing to contemplate They find that leaders who ask for support of projects without obvious material benefits must first demonstrate their ability to deliver the goods and services members expect These leaders must also build governance institutions that coordinate expectations about their objectives and the behavior of members In the Interest of Others reveals how activist labor unions expand the community of fate and provoke preferences that transcend the private interests of individual members Ahlquist and Levi then extend this logic to other membership organizations including religious groups political parties and the state itself **Dangerously Sleepy** Alan Derickson,2014 Dangerously Sleepy explores the fraught relations between overwork sleep deprivation and public health Health and labor historian Alan Derickson charts the cultural and political forces behind the overvaluation and masculinization of wakefulness in the United States **Nixon's Darkest Secrets** Don Fulsom,2024-09-04 Fulsom digs deeper into the mire of the Nixon presidency a book which bristles with revelations about the most disgraced American leader in history Muriel Dobbin author and former White House correspondent Richard Nixon left the White House in 1974 as our most disgraced president but the American people never knew the full extent of his demons deceptions paranoia prejudices hatreds and chicanery Calling on his work in covering Nixon scores of interviews with members of Congress White House staffers and others close to our nation s thirty seventh president and invaluable newly declassified documents and recordings veteran journalist Don Fulsom sheds new light on Tricky Dick The author s revelations include That the future president sabotaged the 1968 peace talks for political gain By the time Nixon became president in 1969 he had linked to the mob for more than two decades and as president had a close connection with New Orleans boss Carlos Marcello the most powerful Mafioso in the nation The president had a drinking problem and top aides referred to him as Our Drunk Nixon had a misogynist streak and was abusive toward first lady Pat Nixon The intimate and possibly homosexual nature of Nixon s relationship with confidante Charles Bebe Rebozo a banker with mob ties Testimony alleging that the president had ordered the killing of White House reporter Jack Anderson Fulsom s examination of these and other startling aspects of Nixon s personal and political dimensions paint an unflinching portrait of a leader who was once the most powerful man in the world Nixon s Darkest Secrets provides a chilling final chapter in literature on our most troubled president *Handsome Johnny* Lee Server,2024-06-04 No one knew

more about the mob Hollywood and Las Vegas than Johnny Rosselli and Lee Server got it all in Handsome Johnny Nicholas Pileggi author screenwriter of Goodfellas and Casino A singular figure in the annals of the American underworld Johnny Rosselli s career flourished for an extraordinary fifty years from the bloody years of bootlegging in the Roaring Twenties the last prot g of Al Capone to the modern era of organized crime as a dominant corporate power The Mob s Man in Hollywood Johnny Rosselli introduced big time crime to the movie industry corrupting unions and robbing moguls in the biggest extortion plot in history A man of great allure and glamour Rosselli befriended many of the biggest names in the movie capital including studio boss Harry Cohn helping him to fund Columbia Pictures and seduced some of its greatest female stars including Jean Harlow and Marilyn Monroe In a remarkable turn of events Johnny himself would become a Hollywood filmmaker producing two of the best film noirs of the 1940s Following years in federal prison Rosselli began a new venture overseeing the birth and heyday of Las Vegas Working for new Chicago boss Sam Giancana he became the gambling mecca s behind the scenes boss running the town from his suites and poolside tables at the Tropicana and Desert Inn enjoying the Rat Pack nightlife with pals Frank Sinatra and Dean Martin In the 1960s in the most unexpected chapter in an extraordinary life Rosselli became the central figure in a bizarre plot involving the Kennedy White House the CIA and an attempt to assassinate Fidel Castro Based upon years of research written with compelling style and vivid detail Handsome Johnny is the great telling of an amazing tale

Borgata: Clash of Titans Louis Ferrante, 2025-01-07 This epic three volume history of the mafia continues with Borgata Clash of Titans covering 1960 to 1985 as the mob comes into conflict with the American political elite and confronts internal wars that will shake the organization to its foundations The first serious external threat to the mafia s existence in America comes from U S Attorney General Robert F Kennedy who repeatedly expresses his desire to eradicate organized crime in America Kennedy unleashes the full force of the U S Justice Department including a slumbering FBI that Kennedy will drag into the fray to the apparent dismay of long time FBI Director J Edgar Hoover The mafia s unforgiving response is executed by Louisiana don Carlos Marcello along with Florida don Santo Trafficante who together take aim at the attorney general s brother the president of the United States With the president dead and the attorney general out of office things return to normal for the mob but internal problems begin to appear within a number of borgatas shaking the mafia to its core Mobster Joe Valachi becomes the first ever public informant when he testifies before a senate sub committee while Brooklyn mobsters Larry Albert and Crazy Joe Gallo launch an insurrection against the founder and leader of their borgata Joe Profaci While the Gallo Profaci civil war is winding down don Joe Bonanno challenges the mafia s ruling body the Commission in a situation that decides if the Commission s central authority can overpower the autonomy of each individual boss As he did in the first volume of this epic history Louis Ferrante continues to debunk myths while adding new insights into other mafia mysteries such as the feud between mafia capo Anthony Tony Pro Provenzano and union leader Jimmy Hoffa revealing the most plausible scenario of why Hoffa died how he was killed and what happened to his body

Decoding **The Hoffa Wars Teamsters Rebels Politicians And The Mob**: Revealing the Captivating Potential of Verbal Expression

In an era characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force.
