The Holocaust

Below, Louis. *Gates To Hell- The Nazi Death Camps*. N.p., 2008. Web. 25 Feb. 2011.

This site is about Nazi genocide and the Holocaust. The purpose of this site is to ensure no one will forget about the Holocaust. This site has some good information on it but it does not have the sources cited for many of the texts. There are many pictures on this site without citations but they are obviously from the Holocaust. In addition, the site gives reference to the writer, but I could not find any credentials for him. I will not be able to use much of the text but I may use some of the photos.

Gavin, Philip. *The History Place*. N.p., 4 July 1996. Web. 26 Feb. 2011.

The website is on world history. The History Place states it is dedicated to students and educators. This site includes a lot of information on Adolf Hitler, his rise to power and various laws he enacted. This site claims that it is not affiliated with any political group or organization. The writer of this site, Philip Gavin, has a B.A. and an M.S. degree and seems to be creditable. Mr. Gavin has written various other books on war and ethics. The site does not give many sources but it claims to give great care to accuracy.

The Holocaust History Project. N.p., 1998. Web. 24 Feb. 2011.

The Holocaust History Project is an organization of individuals working together to educate and inform about the Holocaust. Its purpose is to provide a free archive for research. This site has many articles, videos, documents, pictures and recordings and they all have cited sources. In addition, this site has many documents between military leaders about the beginnings of the gassing program and the Auschwitz death camp. This seems to be a reputable site and it will provide me with some good information for my research. This site has many writers and all are qualified to write about this subject.

Holocaust Survivors. N.p., 1999. Web. 25 Feb. 2011.

This site is about the Holocaust survivors. The purpose of this site is to present history from a personal perspective. The website has many survivors' stories and is a good source for photos. All of the stories are personal accounts and I believe them to be accurate. The writer/ interviewer
