The Holy Movement 2 Regeneration:

Power From On High Jack Cottrell, 2007 The person and work of the Holy Spirit is a neglected study in many churches Some Christians think that the subject is so deep and mysterious that it is futile to study it Others hesitate to emphasize the study of the Holy Spirit since some religious groups hold such extreme views regarding Him Still it is encouraging to see many Christians making a serious study of the Bible's teaching on the Holy Spirit Dr Jack Cottrell with his leave no stone unturned approach to studying Scripture has completed the research for us as he examines the many concepts and characteristics of the Holy Spirit Power From On High What the Bible Says About the Holy Spirit has 11 chapters and 503 pages Jack Cottrell was long time Professor of Theology at Cincinnati Christian University He received his BA ThB Cincinnati Bible College and Seminary BA University of Cincinnati MDiv Westminster Theological Seminary PhD Princeton Theological Seminary

Four Sermons on the Doctrine of Regeneration George Stanley Faber, 1853 *The Doctrine of Regeneration, and Other Sermons* Thomas Halliday, 2011-10-11 Thomas Halliday is relatively little known by anyone in the Reformed community today much less the Christian community This is a tragedy His sermons are beyond excellent They are exegetically outstanding and practically powerful as Reformed sermons should be It is a sad providence that more of his writings are not in print As a result of this first volume being reproduced for our day no doubt more of Halliday's works will soon come to light Sufficient for today is this volume which contains a Memoir by Andrew Symington and seven theologically rich sermons by Halliday which comprise important Christian doctrines the first and greatest commandment the doctrine of regeneration the doctrine of perseverance of the saints the doctrine of God's sovereignty and other gems
