The Holy Year of Jubilee Herbert Thurston, 1900 This historic book may have numerous typos missing text or index Purchasers can download a free scanned copy of the original book without typos from the publisher 1900 06 Not illustrated Excerpt CHAPTER VI The Ceremonies Of The Jubilee In the still unpublished diary¹ of Francesco Mucanzio papal master of ceremonies at the close of the sixteenth century we find that distinguished rubrician in December 1574 discussing at some length the ritual to be used in the unwalling of the Holy Door at the forthcoming celebration of the Jubilee He tells us that as the time for the ceremony drew near he went to his Holiness Pope Gregory XIII and submitted to him a memorandum concerning the preparations to be made and the things to be then observed It appears however that his colleague in the office of master of ceremonies also went to the Pope with a similar programme which he declared to be that which had been followed by Julius III in the year 1550 It differed very little from mine says Mucanzio except in the versicles and responses Those which I had set down were taken from an ancient roll a quodam rotulo antiquo used in the time of Clement VII and of these versicles there was probably no accurate copy forthcoming in 1550 on account of the pillage and disasters to which the city had been subjected he refers presumably to the sack of Rome in 1527 hence they had been somewhat altered My opinion was that out of the two sets which we had before us a third more appropriate than either might have been drawn up but when the matter was proposed in the Congregation of Cardinals appointed for the revision of ceremonies they decided that as regards the versicles ¹The copy here quoted is contained in MS Addit 26811 at the British Museum and prayers the precedent of Julius III's time should be adhered to in every particular The fact is adds Mucanzio we have nothing prescribed about this matter in the Book of Ceremonies ¹ and on this ac **The Holy Year of Jubilee** Herbert Thurston, 1900

History of the Holy Years through Mass Media (1900-2015) Gianluca della Maggiore, Raffaella Perin, Federico Ruozzi, Dario Edoardo Viganò, 2025-09-29 As soon as Jubilees or Holy Years appeared on the 14th century historical stage they became the papal monarchy's most relevant political and economic instruments Since the 20th century jubilee celebrations have also proved to be extraordinary moments of confrontation though not always easy or unambiguous between the papacy and the rapidly developing mass audiovisual media On the one hand the jubilees have served as catalysts for attention towards the Vatican amplifying the traditional reasons behind the attraction of the Eternal City as a destination for imposing pilgrimages and as a theater for spectacular liturgical ceremonies On the other hand the Holy Years have provided the opportunity for the Holy See to experiment through audiovisual media with new ways of interpreting and unfolding the universal mission of the papacy finally freed from temporal concerns This volume aims to reconstruct this complex and little investigated connection by drawing on a variety of sources from the Vatican archives as well as little known audiovisual sources Focusing on one hundred years of history 1900-2015 the events of both ordinary and extraordinary jubilees are analyzed from the perspective of each of the audiovisual mass media cinema radio and television [A Holy Year in Rome](#)

Encyclopedia of New Year's Holidays Worldwide William D. Crump,2014-05-09 Among the world's myriad cultures and their associated calendars the idea of a New Year is relative and hardly specifies a universal celebration or even a universal point in time Ways of celebrating the New Year range from the observances of religious rituals and superstitions to social gatherings featuring particular foods music dancing noisemaking fireworks and drinking This first encyclopedia devoted exclusively to the New Year includes 320 entries that give a global perspective on the New Year beyond its traditional Western associations with Christmas National or regional entries detail the principal traditions and customs of 130 countries while 27 entries discuss major calendar systems in current use or of significant historical interest The remaining entries cover a wide variety of subjects including literary works movies and television specials the customs of specific ethnic groups universal customs such as toasting and drinking football bowl games and parades and the New Year celebrations at the White House and the Vatican
