The Human Soul Asher Ludwidge, 2001 This book is about the emotions bubbling in the soul of every human It is a guide to a fulfilling journey into a satisfied soul It is a book about spiritualism without any religions There is a place of infinite power a spiritual power But for most of us it s a dark and dismal journey to go back into the kingdom of the soul Anyone can have absolute happiness but only through actively embracing the soul Only elements that unite souls can unite the human race This book will lead you page by page into this embrace of love and happiness

The Spiritual You William Landon, 2005-03-22 What does it mean to be human Most of us have asked this question at one time or another At least we have considered this question from the standpoint of our own life What is the most basic part of me We don t have to be philosophers or deep thinkers to ask these questions It is normal and natural for us to wonder about the fundamental nature of our being In *The Spiritual You* Bill Landon continues his examination of what our life in this world is truly all about In his earlier books *My Father and Your Father* and *The Life that is Real Life* Bill has looked at our relationship with God and the Lord s wishes for us as part of His creation In *The Spiritual You* Bill brings this search to the level of the individual person What is our real basic nature If we are to ever come to a place of harmony with ourselves each other our environment and world we must understand this basic nature This understanding as Bill sees it is not found in the world of formal education politics or even organized religion To understand our true nature we must seek for this knowledge from God This understanding is integral to our finding the place we were meant to hold in God s creation It is the author s hope that this book will be help and an encouragement to anyone seeking to find the real spiritual you

You a Spiritual Being Ruth Irwin, 2013-12-03 We are Spirit beings human vessels with massive spiritual capacity intrigued by the spiritual world A human spirit has a soul and lives in a flesh body The spiritual realm is another dimension which exists parallel to our physical world where angels and demons exist Discerning and recognising demon spirits is extremely important as they take on various forms with ease and deceive humans They cause havoc on planet earth they are the enemy not other humans Biblical principles enhance our insight and knowledge making our journey on earth a pleasant one as we travel through shedding the earth suit eventually as a finale to live on in the spiritual realm being transformed Our choices made here decide our final destination i e heaven or hell which are real and exist whether we believe it or not Discover yourself and the different aspects

of your complexity which is empowered by our heavenly Father As a religious studies person I am of course deeply interested in individual stories of faith The way in which medical knowledge informs your reflections is interesting to me as a non medic This manuscript is an important expression of a life dedicated to Jesus with such integrity Eleanor Nesbitt *Genesis of Original Intent: An In-Depth Look at What Scripture Says About God's Original Intent for Mankind in Relationship to Himself* Leah Augustine Dent,2022-02-08 Sin has been a part of our world since Adam and Eve first bit into that forbidden fruit But before that God created a perfect world with a perfect plan for mankind As you read *Genesis of Original Intent* Leah Augustine Dent takes you on a journey looking back to God s original intent for the church and the individuals that make up the church and she points us to find God s perfect plan for us again *Genesis of Original Intent* will encourage you to get aligned with God s Word and His purpose for your life as part of the larger body of Christ as well as your individual call in life While Leah backs everything up Scripturally she also paints pictures with her words to capture your attention HOW ARE YOU?
